Corporate Review Committee – 13 June 2019

Work Programme Planning 2019/20

Recommendation

1. That the Corporate Review Committee consider and agree an initial list of priorities to form the basis of the work programme for 2019/20.

Report of the Scrutiny and Support Manager

Summary

2. The Corporate Review Committee is responsible for activity focused on corporate improvement. Its remit covers:
 - Holding the Leader and Deputy Leader of the Council to account for achievement of the overall vision of a connected Staffordshire.
 - The Council's overall performance and approach to managing performance and Strategic Corporate Planning
 - The Council's Medium-Term Financial Strategy
 - The Council's on-going programme of improvement and transformation.
 - The committee is responsible for scrutiny of achievement against the Council's strategic priorities
 - The Council as a commissioning organisation including how it uses customer insight to drive improvements in services

Report

Background

3. The attached report contains some items carried over from the previous year and includes items proposed by Cabinet Members and the Leader of the Opposition at the Triangulation meeting on 4 June.
4. The Work Programme is a dynamic document and Members proposals for items to be included on the Work Programme are welcomed.

Work Programme Items

5. A draft work programme for 2019-2020 is attached at Appendix 1.
