

## WORK PROGRAMME

### Safe and Strong Communities Select Committee 2020/21

This document sets out the work programme for the Safe and Strong Communities Select Committee for 2020/21.

The Safe and Strong Communities Select Committee is responsible for scrutinising: children and adults' safeguarding; community safety and Localism. The Council has three priority outcomes. This Committee is aligned to the outcome: The people of Staffordshire will feel safer, happier and more supported in and by their community.

We review our work programme at every meeting. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.
