

## **Prosperous Staffordshire Select Committee Work Programme 2019/20**

### **Work Programme 2020/21 Prosperous Staffordshire Committee**

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2019/20.

The Prosperous Staffordshire Select Committee is responsible for scrutiny of highways infrastructure and connectivity, flood and water management, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Work Programme is linked to the Vision, Outcomes and Priorities detailed in the Council's Strategic Plan 2018-2022.

We review our work programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

#### **County Councillor Ian Parry**

Chairman of the Prosperous Staffordshire Select Committee
