

Appendix 1 – Infrastructure Plus Outcomes 2020

Staffordshire County Council

“A connected Staffordshire where everyone has the opportunity to prosper, be healthy and happy”

More good jobs - Positive impact on jobs and growth - increased value and prosperity

- Enable developments through new infrastructure
- Improve network availability
- Increase opportunities for Staffordshire residents and businesses
- Support economic recovery from COVID19

Healthier and more independent - Everyone in Staffordshire has a great start to life and can live and age well

- Keep the network in good condition
- The public realm is improved and enhanced
- Build community resilience
- Enable healthier and sustainable travel options

Happier and safer - Customer focused – enhancing public engagement and satisfaction

- Keep the network safe for all users
- Improve resident engagement
- Improve customer satisfaction in Staffordshire County Council and to enhance its reputation
- More free flowing network

A sustainable and successful partnership

- Taking action to tackle climate change
- Ensuring that we keep people safe from harm and empower everyone to deliver and grow
- Innovating, collaborating and sharing knowledge and best practice adapting to the changing needs of the operating environment
- To reduce the cost of delivering infrastructure services to reach the lowest whole life cost of asset ownership

climate change and supporting economic recovery.
