Your Ref: 4/MWB/jmg/19/11/169

10th August 1996.

Dear Sir,

Alleged Public Footpath between Weston Road
and Tixall Road, Stafford

Thank you for your letters of 11 July and 8 August 1996 regarding the above alledged Public Footpath.

I would confirm that whilst this footpath is not mentioned on the Definitive Map of Public Footpaths it would warrant being added to the Map as it is such a well used path.

I would also confirm that members of this Council have walked along the path whilst on a walk organised by The Ramblers Association and on that occasion it was noted that the path was obviously walked regularly.

Yours faithfully,

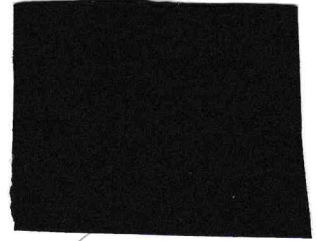

B.M. Scott.

Clerk.

For the attention of Mr M W Bradbury

Dear Mr Bradbury,

Wildlife and Countryside Act 1981
Alleged Public Footpath between Weston Road and
Tixall Road, Stafford

Thank you for your letter dated 11th July 1996.

This association supports this application and believes that this footpath should be included on the definitive map. It provides a direct link between the Weston and Tixall roads and I and my wife have used it in recent years. It links the Weeping Cross Estates with excellent walking country around Hopton and North East Stafford.

I hope this application is successful and we look forward to the new footpath.

Yours sincerely,

T David Palmer
Area Footpath Secretary, Staffordshire Area
