Filming of Meetings

Staffordshire County Council is defined as a Data Controller under the Data Protection Act 2018. The County Council has agreed that Public meetings should be the subject of live web transmission 'webcasting'. Fixed cameras are located within meeting room for this purpose.

The webcast will be live on the County Council's website and recorded for subsequent play-back for 12 months. The recording will also be uploaded to YouTube. By entering the meeting room and using the seats around the meeting tables you are deemed to be consenting to being filmed and to the possible use of those images and sound recordings for the purpose of webcasting.

If you have privacy concerns about the webcast or do not wish to have your image captured then please contact the Member and Democratic Services officer named at the top right of the agenda.

Recording by Press and Public

Recording (including by the use of social media) by the Press and Public is permitted from the public seating area provided it does not, in the opinion of the chairman, disrupt the meeting.
