Section 1 - Introduction to How the Council Works

1. The County Council

- 1.1 The County Council is composed of 62 elected members elected every four years. Elected members are democratically accountable to the residents of their electoral division. The overriding duty of elected members is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
- 1.2 Elected members have to agree to follow a code of conduct to ensure high standards in the way they undertake their duties. The Audit & Standards Committee ensure that there is a suitable code and that training and support is available to members to understand what is in it.
- 1.3 All elected members meet together as the County Council. Here elected members decide the County Council's overall policies and set the budget each year. The County Council is also responsible for electing the Leader of the Council and for appointing Committees, some of which are responsible for overseeing and reviewing the decisions of the Cabinet, while others have responsibilities for taking decisions about specific areas.
- 1.4 The Leader of the Council appoints the members of the Cabinet.
- 1.5 County Council meetings are normally open to the public and webcast, and webcast meetings can be viewed online through the council's website (this is the same approach for all other public meetings of the County Council).

2. How decisions are made

- 2.1 Different parts of the Council are responsible for particular types of decisions and decisions relating to particular areas or functions. A list of the responsibilities of each body or individual can be found in the relevant section of the constitution.
- 2.2 All decisions of the Council will be made in accordance with the following principles:
 - a. due regard to all relevant and material considerations and without regard to any irrelevant considerations;

- b. where appropriate, the realistic evaluation of alternatives;
- c. proportionality (i.e. the action must be proportionate to the desired outcome);
- d. due consultation and the taking of professional advice from officers;
- e. respect for human rights and equalities;
- f. a presumption in favour of openness;
- g. clarity of aims and desired outcomes; and
- h. reasons being given for the decision.

2.3 The Council, a Committee or Panel, an elected member or an officer acting as a tribunal or in a quasi-judicial manner or determining/considering (other than for the purposes of giving advice) the civil rights and obligations or the criminal responsibility of any person will follow a proper procedure which accords with the requirements of natural justice and the right to a fair trial contained in Article 6 of the European Convention on Human Rights.

3. Decision making by the Cabinet

3.1 The Cabinet is the part of the County Council which is responsible for making key decisions. The Cabinet comprises the Leader of the County Council and up to nine elected members who meet together to take decisions. Meetings of the Cabinet are generally open for the public to attend, except where confidential or exempt information needs to be discussed (details on exemption can be found in Section 12 - Access to Information Procedure Rules).

3.2 The Cabinet is responsible for taking 'Key Decisions' which are decisions which are termed significant, either in financial terms or in its effects on communities living or working in an area comprising two or more electoral divisions in the County area.

3.3 The Cabinet has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework set by the Strategic Plan, this must be referred to the Council as a whole to decide.

3.4 In some instances, individual Cabinet members may have delegated powers to take decisions on behalf of the Cabinet.

4. How decisions are scrutinised

4.1 There are four Overview and Scrutiny Committees which support the work of the Cabinet and the Council as a whole. Their overview and scrutiny of both planned and taken decisions leads to reports and

recommendations which advise the Cabinet and the Council as a whole on its policies, budget and service delivery. Overview and Scrutiny Committees monitor the decisions of the Cabinet and may be consulted on forthcoming decisions and the development of policy.

- 4.2 Elected members of the Council who are not on the Cabinet can 'call-in' a decision which has been made by the Cabinet but not yet implemented. If a matter is 'called-in' it will be considered by the Corporate Overview and Scrutiny Committee and members of the relevant Overview and Scrutiny Committee may be invited to the meeting when the 'call-in' is considered. They may recommend that the Cabinet reconsider the decision or in some circumstances refer it to the Council.

5. The Council's Staff

- 5.1 The County Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. Guidance on member/officer relations (Section 3 – Members of the County Council, Appendix 2) governs the relationships between officers and members of the County Council.

6. Citizens' Rights

- 6.1 Citizens have a number of rights in their dealings with the Council. Section 4 (Citizens and the County Council) of this Constitution sets out Citizens' rights to participate in Council's democratic arrangements by voting, attending meetings and accessing reports and background papers. It also sets out Citizens' rights to complain about the Council's actions or proposals.
- 6.2 Some of these are legal rights, whilst others depend on the County Council's own processes. Where members of the public use specific Council services, they may have additional rights. These are not covered in this Constitution.
- 6.3 The County Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the Deputy Chief Executive and Director for Corporate Services.

Section 2 – The County Council’s Constitution – Role and Purpose

1. What is the Constitution?

1.1 The Constitution sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

1.2 The Constitution is divided into Sections which explain how the Council makes its decisions by outlining how the different parts of the Council work and the basic rules governing the Council’s business. These are:

- Members of the County Council (Section 3)
- Citizens and the County Council (Section 4)
- The Full Council (Section 5)
- The Cabinet (Section 6)
- Overview and Scrutiny Committees (Section 7)
- Other Committees (Section 8)
- Joint Arrangements (Section 9)
- Officers (Section 10)
- Procedural Standing Orders (Section 11)
- Access to Information Procedure Rules (Section 12)
- Financial Regulations (Section 13)
- Procurement Regulations (Section 14)

2. Purpose and Interpretation of the Constitution

2.1 The purpose of the Constitution is to:

- enable the County Council, in partnership with citizens, businesses and other organisations, to provide broad leadership to, and support for, the communities of Staffordshire to improve their economic social and environmental well-being;
- support the involvement of citizens in the process of local authority decision-making;
- help elected members represent their constituents more effectively;
- enable decisions to be taken efficiently and effectively;
- create a rigorous means by which decision-makers can be held to public account;
- ensure that no one will review or scrutinise a decision in which they have been directly involved;

- ensure that those responsible for decision-making are clearly identifiable to local people and that they explain the reasons for decisions; and
 - provide a means of improving the delivery of services to the community to meet the County Council's vision, as expressed in the policy themes on which the Council's Corporate Strategy is based.
- 2.2 Where the Constitution permits the Council to choose between different courses of action, the Council will always choose that option which it thinks is closest to the purposes stated above.
- 2.3 The ruling of the Chairman of the County Council on the construction or application of this Constitution, or on any proceedings of the Council, shall not be challenged at any meeting of the Council. Such interpretation will have regard to the purposes of this Constitution above.

3. Review of the Constitution

- 3.1 The Audit and Standards Committee will review the operation of the Constitution to ensure that the aims and principles of the Constitution are given full effect. Where practicable, proposal for changes to the Constitution will be reported for consideration by the Audit and Standards Committee prior to consideration by Full Council.
- 3.2 The Chief Executive and the Deputy Chief Executive and Director for Corporate Services as Monitoring Officer will monitor and report to the Audit and Standards Committee from time to time on the Constitution adopted by the Council and will make recommendations for ways in which it could be amended in order to better achieve the purposes set out above.
- 3.3 The Deputy Chief Executive and Director for Corporate Services will have the authority to make minor and consequential amendments to the constitution to keep it up to date with legislative requirements, and/or to keep the whole constitution in line with Council decisions made from time to time.
- 3.4 In the event of any proposals for a change in Executive arrangements from a Leader and Cabinet form of Executive to another form of Executive or vice versa, the Council will take reasonable steps to consult local electors and other interested persons in the area when drawing up proposals.

- 3.5 No change to any provision of this Constitution or to any sub-delegation scheme having effect under it shall, unless otherwise specified, invalidate any previous decision or action made or taken under such provisions.
- 3.6 Unless specified by a provision of the Constitution, any decision made by or on behalf of the County Council (including any plan, budget, policy or strategy approved by or on behalf of the County Council) prior to the coming into effect of the Constitution or the making of any change to it shall remain in force until it is amended varied or replaced.

4. Suspension of the Constitution

- 4.1 Any suspension of any part of the Constitution, in particular, but not exclusively, the Procedure Rules, and Finance and Contract Procedure Rules, shall only take place in accordance with the provisions in the specific rules themselves.

5. Publication of the Constitution

- 5.1 The Deputy Chief Executive and Director for Corporate Services will draw to the member's attention the location of this Constitution, on the member first being elected to the Council.
- 5.2 The Deputy Chief Executive and Director for Corporate Services will maintain and publish an up-to-date version of the Constitution on the Council's website and ensure that copies are widely available for inspection at Council offices, libraries and other appropriate locations, and can be purchased by members of the local press and the public on payment of a reasonable fee.

Appendix 2 - Members' Code of Conduct - Guidance Notes

(Effective from 7 May 2021)

1. Purpose of the Code of Conduct

1.1 The purpose of the Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

2. Definitions

2.1 A "councillor" means a member or co-opted member of Staffordshire County Council.

2.2 A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who:

a. is a member of any committee or sub-committee of the authority;
or

b. is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority; and

c. is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee.

"local authority" means Staffordshire County Council

3. General principles of councillor conduct

3.1 Everyone in public office at all levels; all who serve the public or deliver public services, including councillors and local authority officers; should uphold [The Seven Principles of Public Life](#), also known as the Nolan Principles. These Principles can also be found at Appendix 2a to this document.

3.2 Building on these principles, the following general principles have been developed specifically for the role of councillor.

3.3 In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty;
- I act lawfully;
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

3.4 In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community;
- I do not improperly seek to confer an advantage, or disadvantage, on any person;
- I avoid conflicts of interest;
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

4. Application of the Code of Conduct

4.1 The Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

4.2 This Code of Conduct applies to you when:

- you are acting in your capacity as a councillor and/or as a representative of your council;
- you are claiming to act as a councillor and/or as a representative of your council;
- you are giving the impression that you are acting as a councillor and/or as a representative of your council; and
- you refer publicly to your role as a councillor or use knowledge you could only obtain in your role as a councillor.

4.3 The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings;
- at online or telephone meetings;
- in written communication;
- in verbal communication;
- in non-verbal communication; and

- in electronic and social media communication, posts, statements and comments.

4.4 You are also expected to uphold high standards of conduct and show leadership at all times.

5. Advice

5.1 The County Council's Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from the Monitoring Officer on any matters that may relate to the Code of Conduct.

6. Standards of Councillor Conduct

6.1 The following notes aim to explain the interpretation which will be applied to each of the Undertakings listed in the Code of Conduct itself.

7. General Conduct

Respect

7.1 Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

7.2 In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

7.3 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider, or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

Bullying, harassment and discrimination

- 7.4 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.
- 7.5 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.
- 7.6 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.
- 7.7 The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

Impartiality of officers of the council

- 7.8 Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

Confidentiality and access to information

7.9 Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

Disrepute

7.10 As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or the County Council and may lower the public's confidence in your or the County Council's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring the Council into disrepute.

7.11 You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

Use of position

7.12 Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

Use of local authority resources and facilities

7.13 You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- Office support;
- Stationery;
- Equipment such as phones, and computers;

- Transport; and
- Access and use of local authority buildings and rooms.

7.14 These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

Complying with the Code of Conduct

7.15 It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with the Monitoring Officer.

Protecting your reputation and the reputation of the local authority

Interests

7.16 You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should declare an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be declared by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

7.17 You should note that failure to register or declare a disclosable pecuniary (i.e. financial) interest is a criminal offence under the Localism Act 2011.

7.18 Appendix 2b sets out the detailed provisions on registering and declaring interests. If in doubt, you should always seek advice from your Monitoring Officer.

Gifts and hospitality

- 7.19 In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality.
- 7.20 However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered where the value exceeds £50.
- 7.21 You do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family.
- 7.22 It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, please contact the Monitoring Officer for guidance.

Appendix 2a – The Seven Principles of Public Life (The Nolan Principles)

1. The principles are:

Selflessness

- 1.1 Holders of public office should act solely in terms of the public interest.

Integrity

- 1.2 Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Objectivity

- 1.3 Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

- 1.4 Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

- 1.5 Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

- 1.6 Holders of public office should be truthful.

Leadership

- 1.7 Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the

principles and be willing to challenge poor behaviour wherever it occurs.

Appendix 2b – Registering and Declaring Interests

1. Registering Interests

- 1.1 Within 28 days of your election or appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in Appendix 1a:

Table 1 (Disclosable Pecuniary Interests i.e. issues relating to money and finances)
and
Table 2 (Other Registerable Interests).

- 1.2 You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
- 1.3 Where you consider that the disclosure of the details of any Disclosable Pecuniary Interest could lead to you, or a person connected with you, being subject to violence or intimidation if the interest is entered on the Register, then, if the Monitoring Officer agrees, copies of the register that are available for public inspection and any published version of the register will exclude details of the interest but may state that you have an interest the details of which are withheld. These are called 'Sensitive Interests'. The Monitoring Officer will consider the circumstances of each individual case submitted to him and will carry out an annual review of any approved.

2. Declaring Interests

- 2.1 Where a matter arises at a meeting which **directly relates to one of your Disclosable Pecuniary Interests**, you must declare the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest, just that you have an interest.
- 2.2 Where a matter arises at a meeting which **directly relates to one of your Other Registerable Interests**, you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room

unless you have been granted a dispensation. Again, if it is a 'sensitive interest', you do not have to declare the nature of the interest.

2.3 Where a matter arises at a meeting which **directly relates to your financial interest or well-being (but is not a Disclosable Pecuniary Interest)** you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest.

2.4 Where a matter arises at a meeting which **affects:**

a. your own financial interest or well-being;

b. a body included in those you need to declare under Disclosable Pecuniary Interests

you must disclose the interest.

In deciding whether to declare an interest, Members should consider whether the matter affects their financial interest or well-being:

c. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision; and

d. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

3. Offences

3.1 Section 34 of the Localism Act 2011 sets out a number of offences relating to the notification and disclosure of Disclosable Pecuniary Interests, participating in matters in which you have a Disclosable Pecuniary Interest and knowingly or recklessly providing false or misleading information in relation to your Disclosable Pecuniary interests. All of these offences are subject to criminal penalties which include a fine of up to £5000 and disqualification from being a Councillor for up to 5 years.

Appendix 3 - Guidance on Member / Officer Relations

1. Introduction

- 1.1 Elected members and officers both have important but distinct roles. The relationship between them has to function effectively in order for them to be able to carry out their respective roles. The purpose of this guidance is to offer advice to elected members and officers on how to conduct that relationship in a way that allows both to do their jobs and enhances the reputation of the County Council.
- 1.2 Although both elected members and officers depend upon one another to be able to do their respective jobs, elected members, in particular, are reliant upon officers for information and support. Because of this all officers need to be aware of their responsibility when called upon to provide support and assistance to elected members to enable them to do their job effectively.

2. The Role of Elected Members

- 2.1 Elected members may have a number of complex roles including politician, policy maker, representative, constituent advocate and Council/Committee worker. It is not the role of an elected member to involve themselves in the day to day management of Council services.
 - **Councillor** – in this capacity elected members will usually belong to particular groupings represented on the Council and will express political values and support the policies of the group to which they belong.
 - **Policy Maker** - members may have personal, individual or collective responsibility depending on their role for the Council and its activities. They set the direction of the Council; are responsible for ensuring that adequate management arrangements are in place; develop and allocate the Council's physical, financial and human resources and monitor the performance, development, continuity and overall well-being of the Council.
 - **Division Member** – in this capacity elected members interpret and express the wishes of the electorate, advocate on behalf of constituents and seek to account for service priorities, allocation of resources and ultimate performance of the Council. Elected members may also be appointed to outside bodies and the role can vary from representing the views of the Council to acting according to individual judgement.

- **Members, collectively, therefore need to:**
 - Determine vision and values and ensure staff commitment;
 - Ensure standards are properly established and monitored;
 - Link service and corporate objectives;
 - Enable local people to resolve problems and issues faced by the community;
 - Ensure community needs are fed into strategy formulation and service provision;
 - Develop and support community leadership.
 - Cabinet Members and Leader of the Council - The Leader and members of the Cabinet have executive power to take decisions. Working closely with the Corporate Management Team, they will develop the policy framework and budget proposal for Council. The Leader and Cabinet are then responsible for implementing the approved policy framework by collectively and individually making decisions in keeping with the Council's scheme of delegation.
 - **Opposition Members** - All members should be given timely access to information required in their role as elected members and have the same rights and obligations in their relationship with officers.

3. The Role of Officers

3.1 Officers of the Council have the following main roles:

- Initiate policy proposals;
- Implement all Council policies;
- Manage the services for which the Council has given them responsibility. They are accountable for the efficiency and effectiveness of those services and for proper professional practice in discharging their responsibilities and taking decisions, within agreed policy;
- Provide professional advice to the Council, its Committees and members and the public in respect of their service; and
- Ensure that the Council acts in a lawful way.

4. Respect and Trust

4.1 The relationship between elected members and officers should be based on mutual respect and trust. Officers should avoid criticising elected members and elected members should avoid criticising officers, in order to maintain that trust and respect.

- 4.2 In dealings between elected members and officers neither should seek to take unfair advantage of their position. Elected members should not press employees to do things that they are not empowered to do.
- 4.3 Officers must not press elected members to make a decision in their favour, nor raise personal matters to do with their job, nor make claims or allegations about other employees. (The only exception to this rule is where the officer wishes to report possible wrongdoing under the Council's "Whistleblowing" procedure.)
- 4.4 Reports from officers should be in the name of the relevant Chief Officer. Reports may be discussed with elected members, such as with the relevant Cabinet Portfolio Holder or Chair of the relevant Committee, and the elected members concerned may make suggestions as to the contents of the report. However, the content remains the responsibility of the Chief Officer and amendments can only be made by them. (This does not apply to the recommendations to Cabinet or the front sheet to a Cabinet report on which the Cabinet Member has the final say).
- 4.5 Officers must deal honestly with members and not attempt to mislead them. Reports and all other communications with members must be clear concise and in plain English.

Familiarity

- 4.6 Close personal familiarity between individual elected members and officers should be avoided and the relationship maintained on a professional basis.
- 4.7 The holders of office should, in public, always be addressed by their office such as "Chairman", "Vice-Chairman" etc. At formal meetings it would be usual for officers and members to address each other by their surname and title.
- 4.8 In less formal environments, the use of first names as a means of address is usually acceptable. However, some individual members and officers may feel more comfortable with the more formal mode of address, and allowance should be made for such individual preferences where known.

5. Information for Elected Members

- 5.1 It is vital for Chief Officers and officers to keep elected members informed about the major issues concerning the County Council. Just

as importantly, elected members should be informed about proposals that affect their electoral division before they are announced publicly, and should be invited to attend County Council initiated events within their electoral division.

- 5.2 Where an issue affecting a particular division is to be discussed by the Cabinet or a Committee, Sub-Committee or Panel on which the local councillor does not serve, the councillor will be invited to attend and may speak on it if they wish to do so. (This is of course subject to any overriding requirement of the Members' Code of Conduct).
- 5.3 Where an elected member requests information, the fact of that request, and the information supplied, may be brought to the attention of the Cabinet Member/Chair concerned by the relevant Chief Officer.
- 5.4 Elected members requests for information must always be given high priority and a response given within 2 working days where possible. Elected members are encouraged to share information in respect of their deadlines, to assist officers to respond appropriately.

Access to Papers and other County Council Information

- 5.5 Elected members have all the rights available to members of the public and may request individual copies of any agendas of the Cabinet and of Committees, Sub-Committees or Panels of which they are not members.
- 5.6 Additionally, if an elected member is able to demonstrate a "need to know" in their role as a county councillor, officers should provide the relevant information, including exempt or confidential information, to that elected member.
- 5.7 Special care needs to be taken when an elected member has a significant personal or business relationship with a constituent about whom they are seeking information. In such circumstances elected members are advised to consider their Code of Conduct and consult the Deputy Chief Executive and Director for Corporate Services as necessary.

How can the Information be used?

- 5.8 Any County Council information provided to an elected member should only be used by the member for the purpose for which it was provided. Confidential information must remain confidential.

6. Political Activity

- 6.1 Senior officers cannot be elected members or MPs, nor can they speak or write publicly as private individuals on party political issues.
- 6.2 Officers are employed by the County Council as a whole and are responsible to the Chief Executive and their respective Chief Officers rather than to individual members of the Council.
- 6.3 Regular contact between senior officers and senior politicians on matters affecting the County Council is essential.
- 6.4 County Council decisions can only be made in accordance with the Constitution. (Decisions by party political groups do not constitute County Council decisions). All information or advice needed to make a decision should be given to the Cabinet or the relevant Committee, Sub-Committee or Panel.

Officer advice to party groups

- 6.5 It is possible that senior officers may be asked to attend a party group meeting whether of the controlling party group or of a minority party group.
- 6.6 Any such request should be made or referred to the Chief Executive. If agreed, it will be on the basis that similar arrangements will be made for the other groups should they so request.
- 6.7 Officer attendance at political group meetings is voluntary.
- 6.8 Officers are entitled to have their political neutrality respected should they agree to attend the group meeting, and to be treated in a fair and proper way. They must not be placed in a position where they feel that their political impartiality or integrity are put at risk and should leave the meeting having given information on the issue in question, and before the Group decide what view to take on it as a political group.
- 6.9 Officers should not be expected to be present at meetings, or parts of meetings, when matters of party business are to be discussed. Officers should be reminded on each occasion that they should leave a meeting if they are to be asked to comment on matters beyond the brief agreed in advance, or if they feel vulnerable or that their integrity was being put in question.

- 6.10 Special care needs to be exercised whenever officers are involved in providing information and advice to a party group meeting that includes persons who are not members or co-opted members of the County Council. For reasons of confidentiality, officers may not be able to provide the same level of information and advice as they would to a “members-only” meeting.
- 6.11 Officers must respect the confidentiality of any party group discussions by not relaying the content of any such discussion to another party group.

Relationships between Officers and Portfolio Holders and Chairs

- 6.12 It is clearly important that there should be a close working relationship between Portfolio Holders, the Chairs of Committees and the relevant Chief Officer and other senior officers. However, such relationships should never be allowed to become so close, or appear to be so close, as to impair the officers’ ability to deal impartially with other members and other party groups.
- 6.13 Officers are accountable to their Chief Officer and must not go beyond the bounds of whatever authority they have been given by their Chief Officer.

7. Redress

- 7.1 If an elected member feels that an officer has acted contrary to the spirit of this guidance, they should raise it with the officer’s line manager or Chief Officer.
- 7.2 If an officer has similar concerns about an elected member, they should raise the matter with their Chief Officer who may then raise the matter with the individual member and/or Party Group Leader.
- 7.3 If elected members are having difficulty in obtaining information, they need to carry out their duties as a County Councillor, they should contact the Deputy Chief Executive and Director for Corporate Services.

8. Summary

- 8.1 Officer Commitments to elected members:

- We recognise that we are here to support you to do your job as an elected member and will provide you with support and assistance when requested;
- We will show understanding for your respective roles, workloads and pressures;
- We will treat you with respect and deal with you honestly;
- We will not use our relationship with you to advance our personal interests or to influence decisions improperly;
- We will give your queries priority and answer them quickly (within 2 working days where possible);
- We will ensure that local elected members are informed about our proposals for their division before we announce them publicly;
- If we make a promise to you, we will deliver on it on time; and
- We will make sure that all communications with you whether formal or informal are clear, concise and in plain English.

8.2 Elected Member Commitments to Officers:

- We will provide political leadership and direction;
- We treat you with respect, dignity and courtesy;
- We will show understanding for your respective roles, workloads and pressures;
- We recognise that you must operate with political neutrality and will respect this;
- We will not take unfair advantage of our position as an elected member;
- We will not subject you to bullying or undue pressure; and
- When you give us information in confidence, we will respect that confidentiality.

Appendix 4 - Members' Allowances Scheme

1. Introduction

- 1.1 The purpose of this Section is to give guidance on elected members' entitlement to allowances and expenses.
- 1.2 It is extremely important, both from the elected member's personal point of view and for the County Council, that the entitlements under the arrangements are clear and transparent and that the possibility of erroneous claims is avoided.
- 1.3 Set out in Appendix 4a is the formal County Council Scheme for the payment of elected members' allowances.
- 1.4 This Scheme addresses various aspects of allowances payable to elected members. It replaces all previous guidance issued by the County Council on the subject.
- 1.5 Elected members can obtain further guidance, if necessary, from the Deputy Chief Executive and Director for Corporate Services.

2. How the allowances are determined

- 2.1 The County Council is required, by law, to pay a basic allowance; the amount of which is at the Council's discretion. The County Council pays a basic allowance which takes all aspects of the role of an elected member into account, other than special responsibilities.
- 2.2 In the event that any elected member holds more than one position for which a special responsibility allowance is payable they shall be entitled to claim only one of those allowances.
- 2.3 In respect of the payment of allowances covered by the previous paragraph the County Council makes financial provision for these allowances within the estimates and reviews the allowances annually.

3. Different types of allowance

- 3.1 The allowances to which elected members may be entitled are listed below:
 - basic allowance;
 - special responsibility allowance;

- Chairman and Vice- Chairman allowances;
- carers'/dependents' allowance;
- subsistence and travelling allowances; and
- meetings allowance

4. Basic Allowance

- 4.1 An elected member is entitled to receive a basic allowance for each year from 1 April to 31 March. By law, the amount of basic allowance has to be the same for each member during that period. A member who is not a member for the whole of the financial year receives an allowance reduced proportionately as provided for in the Scheme.
- 4.2 The County Council has decided that the annual basic allowance will be paid by 12 monthly instalments in arrears on the 28th of each month.

5. Special Responsibility Allowance

- 5.1 The regulations permit the County Council to pay an allowance to certain elected members who have special responsibilities which must be defined in the Scheme. Those special responsibilities have to fall within certain categories defined in the regulations.
- 5.2 The amounts paid to individual elected members can differ and the annual allowance is reduced proportionately for any period during the year when an elected member does not have special responsibilities.

6. Chairman and Vice-Chairman Allowances

- 6.1 The allowances paid to the Chairman and Vice-Chairman of the County Council will be increased annually in line with the recommendations made by the Independent Remuneration Panel in respect of the increase in the basic allowance. The level of allowances is shown in Table 3. The allowance is paid by 12 monthly instalments in arrears on the 28th of each month.

7. Carers'/Dependents' Allowance

- 7.1 An elected member may claim an allowance of the actual hourly rate of care provision up to a maximum of £15.57 per hour subject to the conditions set out in Appendix 4a, paragraph 4.1.

8. Subsistence Allowance

- 8.1 An elected member (including a co-opted member, member of the Independent Remuneration Panel and independent persons consulted as part of the Council's Standards arrangements) is entitled to claim subsistence allowance at the rates adopted by the County Council from time to time following consideration of the recommendations of the Independent Remuneration Panel. The current rates will be available on the Staffordshire Web and the members' Intranet. In calculating the period of absence, reasonable time properly spent in travelling to and from the meeting can be taken into account.
- 8.2 To be entitled to claim, elected members are required to certify that expenditure has actually been incurred by them on subsistence and to claim only for that expenditure up to the maximum amount allowed within the scheme.
- 8.3 There are occasions when elected members on approved duties need to take a main meal that will be more expensive than the allowance permitted by the scheme, such as when attending venues in major cities or on trains. In such circumstances members can claim the reasonable cost of the meal taken.
- 8.4 Elected members are advised that all receipts for expenditure claimed for under the scheme should be forwarded to Member and Democratic Services for retention as proof of the claim.
- 8.5 There may be times when an elected member is required to be away overnight. If accommodation is required, then it can be arranged and paid for in advance rather than the elected member incurring the expense and being reimbursed up to the maximum in Table 4.
- 8.6 Elected members may occasionally be required to make overseas visits on County Council business in connection with one or other of the specific functions of the County Council. In those circumstances subsistence costs can be reimbursed provided they are reasonable.
- 8.7 The Deputy Chief Executive and Director for Corporate Services will supply details of these allowances on request.

9. Travelling allowance

- 9.1 An elected member is entitled to claim travelling allowance when expenditure is incurred on travelling to attend an approved duty. The rates applicable to this allowance are shown in Table 5.

10. Meetings Allowance

10.1 Appointed members (i.e. church and parent representatives on the Prosperous Overview and Scrutiny Committee, or any Committee (whatever entitled), whose functions include the education function), including a co-opted member, member of the Independent Remuneration Panel and independent persons consulted as part of the Council's Standards arrangements, are entitled to receive an annual Meetings Allowance of £642.58.

11. Calculating the time allowed

11.1 Reasonable travelling time is allowed for in calculating the period of absence for the purpose of claiming subsistence allowances.

11.2 It occasionally happens that an elected member of the County Council moves home to somewhere outside the county but remains as an elected member until the next County Council election. Additionally, a member may be required to work outside the county area on a temporary basis. In either of these circumstances the elected member is requested to discuss the arrangements for travelling and subsistence claims with their Group Leader and the Deputy Chief Executive and Director for Corporate Services.

12. Submission and payment of claims

12.1 The County Council's scheme requires elected members to submit all claims for allowances within two months of the end of the month to which the claim relates. Allowances will be forfeit if not promptly claimed.

13. Approved Duties

13.1 Elected members may only claim for travel, subsistence and other allowances for attendance at approved duties detailed below:

- Attendance at calendared meetings of the Council or any of its Executive, Committees, Sub-Committees, Panels, Policy Advisory Groups etc.
- Attendance at visits of inspection of sites and buildings arranged by any of the bodies listed above (including children's home)
- Attendance at meetings of any Outside Body or bodies to which the elected member has been appointed at the Annual Council meeting

- The doing of anything as Chairman or Vice-Chairman of an outside body on which the elected member is representing the Council.
 - Authorised briefings for Committees/Panels/Executive meetings including all meetings which are called by officers of the Council e.g. Pre-Agenda meetings.
 - Authorised attendance at Conferences/Seminars.
 - Duties undertaken by a Chairman/ Cabinet Member in connection with their role.
 - Member Learning and Development Events, including member Self Appraisal meetings.
 - Attendance at Staffordshire County Council Local Democracy Events (including briefings)
 - Attendance at any event that the County Council invites an elected member to represent the Council (but not to other events to which the elected member may be invited to attend as an elected member)
 - Attendance at Parish Council meetings where the elected member is representing the County Council (but not where the elected member is also a member of the Parish Council or representing the Parish or District)
 - Attendance at governor meetings at which the elected member is representing the County Council
 - Invitations to any publicity events for schemes supported under the Members Fund (including photo shoots, project launches etc.)
- 13.2 The lists of outside bodies at which attendance is authorised by the County Council are maintained by the Deputy Chief Executive and Director for Corporate Services and are varied by the Deputy Chief Executive and Director for Corporate Services from time to time after consultation with the Leader of the Council. Copies of the current lists are available from the Deputy Chief Executive and Director for Corporate Services.
- 13.3 If, as an appointee or nominee of the County Council, an elected member is asked to attend a meeting of a body which is not on the County Council's lists of authorised outside bodies, then travelling and subsistence allowances can only be claimed if attendance has been approved beforehand for this purpose. This requires the use of the Gold Form¹. Such approvals must be given before attendance, otherwise any allowance may not be payable.
- 13.4 If an elected member has been appointed to serve on an outside body for which attendance is not regarded by the County Council as an approved duty for the purpose of the payment of an elected member's allowance i.e. a body which is not included in the lists of bodies referred to, or approved under 13.1 above, the elected member may, in some

cases, claim direct from the outside body concerned. In such cases the member may wish to consult the body concerned.

14. Tax, national insurance, sickness and pensions

- 14.1 Basic and special responsibility allowances and the allowances paid to the Chairman and Vice-Chairman of the County Council are all liable to tax. The allowances are paid by the Deputy Chief Executive and Director for Corporate Services through a payroll which accounts for the tax on the PAYE system using a code number issued by the Inland Revenue. In arriving at the code number, it is a matter for the individual elected member to agree direct with the Inland Revenue any allowances which may help to reduce the tax liability. Subsistence claims for meetings in County Buildings are also taxable. More detailed guidance on Inland Revenue practice is available from the Deputy Chief Executive and Director for Corporate Services.
- 14.2 The same allowances are liable for National Insurance Class I contributions notwithstanding that the elected member may be employed elsewhere or be self-employed, unless:
- a. the allowances due for the month are less than an amount prescribed from time to time by the Inland Revenue; or
 - b. the elected member reaches state pension age.

¹ Form (not part of the Constitution) to be signed by members for approval, in advance, of a claim for travelling and subsistence allowances for attendance at an event, function, meeting, outside body, conference or course which is not included in the County Council's approved lists of such events, functions, meetings, bodies, conferences and courses.

- 14.3 It is understood that the Benefits Agency may regard an elected member's basic and special responsibility allowances as affecting, for social security purposes, that elected members' entitlement to benefits. Claiming such allowance(s) could therefore affect a member's entitlement to benefits. In these circumstances, they should seek advice from the Benefits Agency.
- 14.4 Under self-assessment regulations elected members are required to declare to the Inland Revenue any taxable benefits they receive. Such benefits may arise if members are deemed to have made a profit on mileage allowances, or if they are provided with certain other facilities, for example with a computer, fax or telephone answering machine at less than the full cost of provision. Any member who has received a

taxable benefit will be provided with a form P11E by the Deputy Chief Executive and Director for Corporate Services, which will provide the information to be declared to the Inland Revenue, and from whom further advice is available on request.

14.5 It is also possible that the payment of basic or special responsibility allowance(s) or an allowance to the Chairman or Vice-Chairman of the County Council could affect an elected member's entitlement to an occupational pension or other financial arrangements with previous employers.

14.6 Elected members who are unable to perform duties in that capacity as a result of sickness in some circumstances may be eligible for statutory sick pay.

15. What if an elected member does not wish to be paid allowances?

15.1 An elected member who wishes to forego the right to be paid any of the allowances covered by the County Council's scheme may do so in writing to the Deputy Chief Executive and Director for Corporate Services specifying which allowance(s) the elected member elects to forego and the date(s) upon which the election is to become effective. Such an election may not be revoked until the following 1 April.

16. Elected members' responsibilities

16.1 It is the personal responsibility of elected members to ensure the accuracy of all information entered on their claim forms relating to duties performed. Processes arranged by the Deputy Chief Executive and Director for Corporate Services are designed to ensure that all claims relate to properly approved duties. The Deputy Chief Executive and Director for Corporate Services will ensure that the correct financial limits on the various allowances are complied with. In all other respects members are accountable for the accuracy and reasonableness of their claims.

Appendix 4a – The County Council’s Scheme for the Payment of Members’ Basic, Special Responsibility and other Allowances

1. Statutory requirements

1.1 One provision in the Local Government Act 1972 remains in force relating to County Councils:

Sections 3 and 5 of the Local Government Act 1972 respectively authorise the payment of allowances to the Chairman and Vice-Chairman of the County Council.

1.2 The primary legislation under which the main allowances are now paid is Section 18 of the Local Government and Housing Act 1989 and Sections 99 and 100 of the Local Government Act 2000. The Local Authorities (Members' Allowances) (England) Regulations 2003 issued under the Acts, prescribe the detailed controls and require authorities to make a scheme covering the payment of certain allowances to members.

1.3 This scheme may be cited as the Staffordshire County Council Members' Allowances scheme and shall have effect from 1 April 2007.

1.4 In this scheme:

- "year" means the 12 months ending with 31 March;
- "County Council election" means an election for the appointment of all elected members and does not include by-elections.

2. Basic allowance

2.1 Subject to paragraph 6, the total amount payable to each elected member for a year is set out in Table 1. The basic allowance is payable, in a year in which there is no County Council election, monthly in arrears on the 28th of each month.

2.2 In the year of a county council election the basic allowance for the month preceding the election will be adjusted to cover the period ending on the fourth day after the date of the election, this being the date of automatic retirement of elected members.

2.3 In the month of the election returning and newly elected members will then receive their basic allowance pro-rata from the fifth day after the election to the end of the month, in accordance with the Scheme already in force for that financial year.

2.4 Returning and newly elected members will then receive their basic allowance pro- rata from the fifth day after the election to the end of the month, in accordance with the Scheme already in force for that financial year.

3. Special responsibility allowance

3.1 For each year a special responsibility allowance shall be paid to those elected members who hold special responsibilities in relation to the authority as fall within the categories specified in Table 2 to this scheme.

3.2 The special responsibility allowances shall be payable:

- a. In a year in which there is no County Council election, by monthly instalments in arrears on the 28th of each month, and
- b. In the year of a county council election the special responsibility allowance will be paid to returning members who will remain in that position until the annual council meeting. Special responsibility allowances will be paid pro-rata from the date of the annual council meeting until the end of that month.
- c. Subject to paragraph 6, the amount of each such allowance paid in the year shall be the amount specified against that special responsibility in Table 2 to this scheme.

3.3 The Chairman of the County Council, in consultation with the relevant group leader, has delegated authority to increase the allowance paid to a Vice-Chairman of a Committee to the level of the corresponding Chairman's allowance if they are required to take on the responsibilities of the Chairman for a sustained period. The Special Responsibility Allowance paid to the Chairman of the Committee will be suspended during this period unless the Parental Leave Policy has been applied.

4. Carers' /Dependents' Allowance

4.1 An allowance of the actual hourly rate of care provision up to a maximum of £15.57 per hour is payable to any elected member subject as follows:

- a. such payments may only be claimed and made in respect of children aged 16 years of age or under and/or other dependents where there is medical or social work evidence that care is required (such

- evidence to be submitted to the Deputy Chief Executive and Director for Corporate Services;
- b. allowances claimed and paid must be based on actual expenditure (up to the maximum hourly rate) and be accompanied by appropriate receipts;
- c. allowances will not be paid to reimburse the claimant for payments made to a member of the claimants' household.

5. Subsistence Allowances

- 5.1 Subsistence allowances are payable to any elected member (including a co-opted member and/or an appointed member (see paragraph 7 below) and/or an independent persons consulted as part of the Council's Standards arrangements) at the rates set out in Table 4 subject to the member certifying that expenditure has actually been incurred by the member on subsistence. The actual expenditure may be more or less than the amount claimed.
- 5.2 The appropriate charge for all meals taken at premises owned or administered by the County Council should be paid. However, if a meal is made available free of charge from any source during the period to which the allowance relates, then the appropriate amount must be deducted from the claim.
- 5.3 Where main meals (i.e. breakfast, lunch or dinner) are taken on trains during a period for which there is an entitlement to a subsistence allowance, the reasonable cost of the meals (including VAT) may be reimbursed in full, provided the time on duty meets the conditions set out in Table 4. In such circumstances, reimbursement of the reasonable cost of a meal would replace the entitlement to the subsistence rate for the appropriate period.
- 5.4 Special allowances apply if an elected member is required to be away overnight or to undertake duties abroad. The overnight allowances are set out in Table 4.
- 5.5 The Deputy Chief Executive and Director for Corporate Services will, on request, supply details of the allowances payable for duties undertaken abroad.

6. Travelling Allowance

- 6.1 Travelling allowances are payable to any elected member (including a co-opted member and/or an appointed member (see paragraph 7 below) and/or independent persons consulted as part of the Council's

The mileage claimed for must, if necessary, be properly justified by the elected member recording the starting point of their route, particularly if additional mileage results from, for example, authorised visits to other sites on the route.
- 6.3 When it is financially advantageous to the County Council to do so, elected members should use any transport arranged by officers to travel to meetings or site visits, etc.
- 6.4 It is possible for senior citizens to apply for and obtain the appropriate rail card entitling them to concessionary fares at about half the full price. The County Council has agreed, where "senior citizen" elected members are willing to use this privilege when travelling on County Council business, to reimburse the elected member on the first occasion used, the cost of the appropriate annual "senior citizen" rail card. The actual cost of travel must be claimed when the facility is used.
- 6.5 If the elected member uses public transport facilities, then the following rates apply:

Mode of travel	Maximum rates
Public transport (within county)	Standard rail fare or bus fares
Public transport (outside county)	Standard bus fares Standard or first-class rail fare
	Note 1: Elected members are asked to use their discretion in travelling first-class. For example, an off-peak journey to London might be comfortably managed in second-class. Travel at peak times or needing confidential discussions on route may suggest first-class as more appropriate
	Note 2: In the majority of cases elected member travel should be booked through officers and in advance to ensure the most advantageous rates. However, if urgency dictates that an elected member purchases tickets themselves, the receipt must be kept as proof for reimbursement of actual costs incurred
Taxicab or cabs	
(i) In cases of urgency where no public transport is	Actual fare and reasonable gratuity

Mode of travel	Maximum rates
reasonably available	
(ii) In other cases	Not exceeding the amount of the fare for travel by appropriate public transport. In either case such amount shall be paid monthly in arrears on the 28th of each month.
- 7.2 The amount of co-optees allowance payable to any member who presides at a meeting of a Scrutiny Panel where the functions of that Committee under Section 21 of the Local Government Act 2000 relate wholly or partly to any education functions which are the responsibility of the Council's Executive, shall not be less than the minimum amount of any special responsibility allowance payable under this scheme to a person who presides at meetings of any other of the Council's Committees or Sub-Committees.

Appendix 5 - Parental Leave Policy for Members (2020)

1. Principal / Aim of the Policy

- 1.1 To provide a positive environment for elected members with family responsibilities so that our cross-section of elected members are representative of our community. Families are at the heart of Staffordshire County Council and as such wishes to champion an environment to support elected members.
- 1.2 This policy offers guiding principles for elected members to be able to continue to fulfil their role whilst benefiting from parental leave.

2. Leave Provisions of the Policy

- 2.1 Maternity Leave Provisions: An elected member can take up to 52 weeks 'leave' away from their duties after the birth of their child in the child's first year.
- 2.2 Antenatal Appointments: All elected members will be supported in attending antenatal appointments whether for themselves or for their partners.
- 2.3 Still Birth: If still birth occurs before 24 weeks of pregnancy, members are not entitled to maternity leave however discretion given for shorter period of leave of absence. If still birth occurs after 24 weeks of pregnancy full maternity benefits and leave apply of up to 52 weeks following birth.
- 2.4 Breast Feeding Facilities: The promotion of breast-feeding is a priority in the UK. Exclusive breast-feeding for the first six months of life offers major health advantages to mothers and babies, so it is important that mothers are enabled to continue breast-feeding when they return to their duties.
- 2.5 Whilst on Maternity Leave, should a female elected member wish to attend any Council Meetings and need to be able to breast-feed their infant, they will not be precluded from entering the chambers and participating in proceedings. Similarly, if an elected member needs to bottle-feed their infant, again they will not be precluded from doing this.

- 2.6 Adoption Leave Provisions: An elected member can take up to 52 weeks leave away from their duties after the placement of their child in the first 12 months of the child's first year.
- 2.7 Paternity Leave / Maternity Support Leave Provisions: An elected member who is the Father / Significant other responsible for child & mother well-being at the time of the birth can take up to 2 weeks 'leave' away from their duties after the birth of their child.
- 2.8 Shared parental leave provisions: An elected member can take up to 50 weeks 'leave' away from their duties, less any time the mother of the newborn child has taken as maternity leave (minimum of 2 weeks must be taken by mother).
- 2.9 Parental leave provisions: An elected member can take up to 13 weeks leave from their duties, up to their child's 18th birthday. A member can only take a maximum of 4 weeks in any one year.

3. Basic Allowance & Special Responsibility Allowance During Parental Leave

- 3.1 There will be no change to an elected member's allowance as a result of any time taken for any of the provisions of this policy.

4. Practical Guiding Principles for Parental Leave

An accompanying paper sets out the procedure for an elected member who would like to take parental leave.

4.1 Special Responsibility Allowance (SRA)

- 4.1.1 Basic and SRA will not be affected by an elected member taking parental leave. Replacement elected member / nomination undertaking the duties to be paid SRA if they are not currently in receipt of a SRA.
- 4.1.2 Where the Chair is on parental leave, the Vice Chair should cover duties.
- 4.1.3 Wherever possible duties should be spread across more than one other elected member.

4.2 Responding to Emails

4.2.1 Elected members are responsible for putting on an out of office message redirecting queries to a designated /alternative member. However, if they still wish to respond to emails/ correspondence whilst taking parental leave, they are at liberty to undertake this activity.

4.3 Local Divisional Duties and Nomination Process

4.3.1 Wherever possible, elected members who take parental leave will be able to nominate another member to deal with local issues in their division. It will be the responsibility of the elected member to hold discussions with their preferred nomination to arrange this. Where this hasn't been possible, the elected member taking parental leave will need to raise this with their relevant Political Group Leader.

4.3.2 Where an elected member has limited alternatives to nominate due to low political representation, the Leader / Deputy Leader will decide with the elected member the most appropriate way in which their divisional duties can be covered.

4.4 Attendance at Meetings

4.4.1 There is a legal duty under the Local Government Act 1972 to attend a meeting of the Council within a 6-month period. However, an exception is where the Council Meeting agrees to a request for an extended leave of absence prior to the expiration of that 6-month period. Elected members who are taking long term parental leave (such as Maternity) may still attend such meetings if they wish to do so (see notes on breast-feeding).

4.5 Parental Bereavement Leave

4.5.1 The new Parental Bereavement Leave and Pay Act will give all employed parents a day-one right to 2 weeks' leave if they lose a child under the age of 18 or suffer a stillbirth from 24 weeks of pregnancy from April 2020. Employed parents will also be able to claim allowance for this period, subject to meeting eligibility criteria. This right will be extended to elected members.

8. What if leave period falls across administration period i.e. County Council Election?

The contact details of the petition organiser will not be published.
- 7.11 If we can do what your petition asks for, the acknowledgement may confirm our response that we will do this and the petition will be closed.
- 7.12 If the subject raised by the petition needs more investigation, we will tell you the steps we plan to take to do this, how you may be involved and when you can expect a final response.
- 7.13 If the petition has enough signatures to trigger a council debate (5,000 signatures), or a senior officer giving evidence (2,500 signatures), then the acknowledgment will confirm this and tell you when and where the meeting will take place and how you may be involved.
- 7.14 If the petition applies to a planning application, is a statutory petition (for example requesting a referendum on having an elected mayor), or on a matter where there is already an existing right of appeal, other procedures apply. Further information on all these procedures and how you can express your views is available on the council's website.
- 7.15 In the period immediately before an election or referendum we may need to deal with your petition differently – if this is the case, we will explain the reasons and discuss the revised timescale which will apply.

7.16 If a petition does not follow the guidelines, the council may decide not to do anything further with it. In this case, we will write to you to explain the reasons.

7.17 So that people know what we are doing in response to the petitions we receive the details of all the petitions submitted to us will be published on our website, together with the acknowledgement and notification of the response, except in cases where this would be inappropriate. Whenever possible we will also publish all correspondence relating to the petition (all personal details will be removed).

How will the council respond to petitions?

7.18 Our response to a petition will depend on what a petition asks for and how many people have signed it, but the steps we take in response may include one or more of the following:

- considering the petition at a council meeting
- holding an inquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by one of the council's Overview and Scrutiny Committee*
- calling a referendum

leading to writing to the petition organiser:

- setting out our views about the request in the petition
- explaining that we will take the action requested in the petition
- explaining why we will not take the action requested in the petition
- explaining what action we will take, if any, in response to the subject raised by the petition
- giving advice about how the subject raised by the petition might be pursued.

**Overview and scrutiny committees are committees of elected members who are responsible for scrutinising the work of the council and some partners – in other words, the overview and scrutiny committee has the power to hold the council's decision makers and some partners to account. You can find out more about our decision making and scrutiny arrangements by following this link: [Scrutiny overview - Staffordshire County Council](#)*

- 7.19 The council will consider all the specific actions it could take on the subject raised by a petition. If your petition is about something over which the council has no direct control (for example the local railway or hospital) we will consider making representations on behalf of the community to the relevant body. The council works with a large number of local partners and where possible will work with these partners to respond to your petition. If we are not able to do this for any reason, then we will explain this to you. You can find more information on the services for which the council is responsible on our website.
- 7.20 If your petition is about something that a different council is responsible for, we will give consideration to what the best method is for responding to it. This might consist of simply forwarding the petition to the other council but could involve other steps. In any event, we will always notify you of the action we have taken.

Full council debates

- 7.21 If a petition contains more than 5,000 signatures it will be debated by the full council (unless it is a petition asking for a senior council officer to give evidence at a public meeting). This means that the subject raised in the petition will be discussed at a meeting which all elected members can attend. The council will usually consider the petition at its next meeting, although on some occasions this may not be possible and consideration will then take place at the following meeting. We will let you know about the specific arrangements for the debate and how you may be involved. The council may decide the response to the petition at this meeting or suggest what other steps should be taken. Where the council executive has to make the final decision on the response to the petition, the council may make recommendations to inform this decision.
- 7.22 The petition organiser will be notified of the council's resolutions. This notification will also be published on our website.

Officer evidence

- 7.23 Your petition may ask for a senior council officer to give evidence at a public meeting about something for which the officer is responsible as part of their job. For example, your petition may ask a senior council officer to explain progress on an issue, or to explain the advice given to elected members to enable them to make a particular decision.

- 7.24 If your petition contains at least 2,500 signatures, the relevant senior officer will give evidence at a public meeting of the relevant overview and scrutiny committee. A list of the senior staff that can be called to give evidence can be found at Appendix 1. You should be aware that the overview and scrutiny committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition – for instance if the named officer has changed jobs. The committee may also decide to call the relevant councillor to attend the meeting. Committee members will ask the questions at this meeting, but we will let you know the specific arrangements for the meeting and how you may be involved. The overview and scrutiny committee will make a report on its findings which may include recommendations for action.
- 7.25 The petition organiser will be sent a copy of the overview and scrutiny committee’s report. The report will also be published on our website.

E-petitions

- 7.26 The council welcomes e-petitions which are created and submitted through our website: [About petitions - Staffordshire County Council](#). E-petitions must follow the same guidelines as paper petitions.
- 7.27 The petition organiser will need to provide us with their name, postal address and email address. You will also need to decide how long you would like your petition to be open for signatures. Most petitions run for six months, but you can choose a shorter or longer timeframe, up to a maximum of 12 months.
- 7.28 When you create an e-petition, it may take five working days before it is published online. This is because we have to check that the content of your petition is suitable before it is made available for signature. If we feel we cannot publish your petition for some reason, we will contact you within this time to explain. You will be able to change and resubmit your petition if you wish. If you do not do this within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the [‘rejected petitions’ section of the website](#).
- 7.29 When an e-petition has closed for signature, it will automatically be submitted in the same way as a paper petition, you will receive an acknowledgement within 10 working days.
- 7.30 A petition acknowledgement and response will be emailed to everyone who has signed the e-petition and elected to receive this information.

The acknowledgment and response will also be published on this website. We will not send you anything which is not relevant to the e-petition you have signed, unless you choose to receive other emails from us.

How do I 'sign' an e-petition?

- 7.31 You can see all the e-petitions currently available for signature on the council's website.
- 7.32 When you sign an e-petition you will be asked to provide your name, your postcode and a valid email address. When you have submitted this information, you will be sent an email to the email address you have provided. This email will include a link which you must click on in order to confirm the email address is valid. Once this step is complete your 'signature' will be added to the petition.
- 7.33 People visiting the e-petition will be able to see your name in the list of those who have signed it but your contact details will not be visible.

What can I do if I feel my petition has not been dealt with properly?

- 7.34 If you feel that we have not dealt with your petition properly, the petition organiser has the right to request a review of the steps that the council has taken in response to your petition. This will be undertaken by the Council's Corporate Overview and Scrutiny Committee, unless it has previously been involved in considering the petition in which case it will nominate another of the council's Overview and Scrutiny Committees to undertake the review. It is helpful to everyone if the petition organiser gives a short explanation of the reasons why the steps the council has taken are not considered to be adequate.
- 7.35 The committee will usually consider your request at its next meeting, although on some occasions this may not be possible and consideration will take place at the following meeting. Should the committee determine that we have not dealt with your petition adequately, it may use any of its powers to deal with the matter.
- 7.36 These powers include making recommendations to the council executive and arranging for the matter to be considered at a meeting of the full council.

7.37 Once the appeal has been considered the petition organiser will be informed of the results within five working days. The results of the review will also be published on our website.

Once a budget or a policy referred to in the policy framework is in place, it will be the responsibility of the Cabinet to implement it.

2. Process for developing the framework

- 2.1 After appropriate consultation with stakeholders, the Cabinet will draw up initial proposals in relation to any plan, strategy or budget which forms part of the Council's budget and policy framework. Once drawn up the Proper Officer will serve copies of them on the Chairman of the relevant Overview and Scrutiny Committee(s) together with dates when the Cabinet will consider them further, which shall allow a reasonable period for the Overview and Scrutiny Committee(s) to consider the proposals.
- 2.2 The relevant Overview and Scrutiny Committee will consider whether to respond to the Cabinet's initial proposals and whether any further consultation is appropriate. If so, the Committee will conduct such consultation, and will reflect any representations made to it, in its response to the Cabinet prior to the decision being made by the Cabinet.
- 2.3 The Cabinet will finalise its proposals for the Council to consider having taken into account the comments from the relevant Overview and Scrutiny Committee. The report to Council will show the Cabinet's response to those comments.

- b. amounts stated in a precept issued to give effect to calculations or substitute calculations made in accordance with section 52J or 52U of that Act.

2.13 In approving the policy and budgetary framework the Council will also specify the extent of virement within the budget and degree of in-year changes to the policy framework which may be undertaken by the Cabinet in accordance with paragraphs 5 and 6 of these Rules (virement and in-year adjustments). Any other changes to the budget and policy framework are reserved to the Council.

3. Decisions outside the Budget or Policy framework

3.1 Subject to the provisions of paragraph 5 below (virement), the Cabinet, and any officers discharging Cabinet functions, may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is not in line with the policy framework or the budget approved by the full Council, then that decision may only be taken by the Council, subject to paragraph 4 below.

3.2 If the Cabinet, or any officer discharging Cabinet functions, want to make such a decision, they shall take advice from the Monitoring Officer and/or the Director of Finance as to whether the decision they want to make is not in line the policy framework or the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or policy framework, then the decision must be referred by that officer to the Cabinet and by the Cabinet to the Council for decision, unless the decision is a matter of urgency, in which case the provisions in paragraph 4 below (urgent decisions outside the budget and policy framework) shall apply.

4. Urgent decisions outside the Budget or Policy framework

- 4.1 The Cabinet, or the Chief Executive or a Chief Officer may take a decision which is not in line with the Council's policy framework or the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:
- a. if it is not practical to convene a quorate meeting of the full Council; and
 - b. if the Chairman of the relevant Overview and Scrutiny Committee agrees that the decision is a matter of urgency.
- 4.2 The reasons why it is not practical to convene a quorate meeting of full Council and the consent of the Chairman of the relevant Overview and Scrutiny Committee to the decision being taken as a matter of urgency must be noted on the record of the decision. In the absence of the Chairman of the relevant Overview and Scrutiny Committee the consent of the Chairman of the Council or in the absence of both, the Vice-Chairman will be sufficient.
- 4.3 Following the decision, the Cabinet will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

5. Virement

- 5.1 Steps taken by the Cabinet, or any Sub-Committee or Portfolio Holder or officer, discharging executive functions to implement Council policy shall not exceed the allocated budget for the service in question.
- 5.2 Section 13 (Financial Regulations) of this Constitution sets out the rules for the operation of virement across the budgets allocated for particular functions of the Council.
- 5.3 Virement in excess of the limits from time to time prescribed for the purposes of the Financial Regulations shall require the approval of the full Council.

6. In-year changes to the Budget and Policy Framework

- 6.1 The responsibility for agreeing the budget and policy framework lies with the Council, and decisions by the Cabinet, or any Sub-Committee or Portfolio Holder or any officer, discharging executive functions must be in line with it.

- 6.2 No changes to any policy and strategy which make up the policy framework may be made by any officer and no such changes may be made by the Cabinet except those changes:
- a. which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint.
 - b. which are necessary to ensure compliance with the law, ministerial direction, guidance issued by Government or a Government Agency, or guidance issued by the Audit Commission or the Council's external Auditor.
 - c. in relation to the policy framework, in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration.
 - d. which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change.
 - e. for which the budget or policy specifically provides for in-year change.

7. Call-in of decisions outside the Budget or Policy Framework

- 7.1 Where an Overview and Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, not in line with the policy framework or the Council's budget, then it shall seek advice in the form of a report from the Monitoring Officer and/or Director of Finance.
- 7.2 In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Director of Finance report shall be submitted to the Cabinet and copied to every member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Director of Finance conclude that the decision was not in line with the policy framework and/or budget, and to the relevant Overview and Scrutiny Committee if the Monitoring Officer or the Director of Finance conclude that the decision was in line with the policy framework and/or budget.
- 7.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Director of Finance is that the decision is or would be not in line with the policy framework or the budget, the Overview and Scrutiny Committee may refer the matter to the Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 20 working days of the request by the

Overview and Scrutiny Committee. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Director of Finance. The Council may either:

- a. endorse a decision or proposal of the Cabinet as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all elected members in the normal way; or
- b. amend the Council's Financial Regulations (Section 13) or policy concerned to encompass the decision or proposal of the body or individual responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all elected members in the normal way; or
- c. where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer or the Director of Finance.

4. Membership of Overview and Scrutiny Committees

4.1 All elected members, except members of the Cabinet, may be members of an Overview and Scrutiny Committee.

4.2 The County Council members of the Overview and Scrutiny Committees will be appointed, in accordance with the relevant political balance provisions, at the Annual meeting of the County Council as follows:

- Corporate Overview and Scrutiny Committee (13 members)
- Health and Care Overview and Scrutiny Committee (13 members + 8 District and Borough Members)

5.3.1 Each District / Borough Council shall be entitled to nominate a substitute member for their co-opted representative on the Health and Care Overview and Scrutiny Committee; such substitute member to have full voting rights.

5.4 In its capacity as the Council's designated crime and disorder Committee, the Safeguarding Overview and Scrutiny Committee may co-opt additional members who, unless the Committee decides otherwise, shall not be entitled to vote.

Such a co-opted member can only be a person who is an employee, officer or non-Executive member of a responsible authority or a co-operating body or a co-operating person.

5.5 The other Overview and Scrutiny Committees do not have any statutory arrangements for co-optees but may appoint non-voting co-optees at any time to assist them in the completion of their work programme.

6. Meetings of the Overview and Scrutiny Committees

6.1 Each Overview and Scrutiny Committee shall meet at such intervals as the Council may decide and at other times as may be appropriate.

6.2 A special meeting of an Overview and Scrutiny Committee may also be called by the Chairman of the Committee (See paragraph 29.3 of Section 11 (Procedural Standing Orders)).

- 6.3 Meetings of the Overview and Scrutiny Committees shall be conducted in accordance with Section 11 (Procedural Standing Orders), although where appropriate a more informal style may be adopted for a particular meeting, to suit the subject matter of the meeting. In such cases, the Chairman's word shall be final in matters of running the meeting.
- 6.4 The order of business for meetings of Overview and Scrutiny Committee will be determined by the Chairman, and will include the following business:
- Minutes of the last meeting;
 - Any declarations of interest by members (including the declaration of any party whip);
 - Community engagement, as appropriate
 - The work programme and items for future meetings of the Committee;
 - The business otherwise set out on the agenda for the meeting.
- 6.5 No member may be involved in scrutinising a decision they were involved in making (i.e. an executive decision taken when they were a member of the Cabinet or a decision by a non-scrutiny committee they were a member of). If such a decision is scrutinised by an Overview and Scrutiny Committee the member must inform the Chairman of their involvement and withdraw from the room while the item is considered.

7. Agenda items

- 7.1 Elected members, officers, partners and members of the public shall be entitled to propose issues for Overview and Scrutiny Committees to consider. In order to put forward an issue for consideration the person or body must submit their request to the Deputy Chief Executive and Director for Corporate Services in writing or by email using the prescribed form.
- 7.2 If the matter has been proposed by a County Councillor, then on receipt of such a request the Director for Corporate Services will ensure that the proposal is included on the next available agenda of the appropriate Committee. An elected member can submit a request to any Overview and Scrutiny Committee not just those on which they sit. Should the matter have been raised by an officer, partner or member of the public then the Committee will consider the issue when prioritising their work programme. The person or body making the

request for scrutiny maybe invited to attend the Committee meeting to explain the reasons for the request. The Overview and Scrutiny Committee Chair will decide how much time will be given to the person or body for addressing the Committee.

- 7.3 All proposals for scrutiny will be considered by the appropriate Committee taking into account agreed criteria. Where an Overview and Scrutiny Committee decides not to undertake a piece of work the reasons for the decision shall be minuted. Where the person or body who made the request is not in attendance at the meeting the Deputy Chief Executive and Director for Corporate Services will inform them of the Committee's decision.
- 7.4 In addition, all elected members of the Council have a statutory right to ask for a local government matter affecting their constituents to be considered by overview and scrutiny as an elected member Call for Action.
- 7.5 The Leader of the largest Minority Group may on up to 2 occasions per year require the Deputy Chief Executive and Director for Corporate Services to include an item on the agenda of an Overview and Scrutiny Committee. They will inform the Deputy Chief Executive and Director for Corporate Services of the request, who will make arrangements for the matter to be included on the agenda at the next available meeting of that Overview and Scrutiny Committee.
- 7.6 Where an Overview and Scrutiny Committee is proposing to scrutinise a matter which also falls (whether in whole or in part) within the remit of another Committee, then it shall seek clearance from the Chairman of the Corporate Overview and Scrutiny Committee to carrying out that work, and will, if requested by the Chairman of the Corporate Overview and Scrutiny Committee, invite members of the other committee to attend and speak but not vote at meetings when it is undertaking that work.

8. Work Programme and Budget

- 8.1 Each Overview and Scrutiny Committee will be responsible for preparing its own work programme and in doing so it shall take into account the wishes of the Committee as a whole. These work programmes will then be submitted to the Corporate Overview and Scrutiny committee for approval to ensure that the overall programme of Scrutiny activity is consistent, coherent and free of duplication and can be properly resourced and supported by the Council.

- 8.2 The Corporate Overview and Scrutiny Committee may also identify issues which it wishes an Overview and Scrutiny Committee to review. Overview and Scrutiny Committees must undertake any work which is identified by Corporate Overview and Scrutiny and will be expected to amend their work programmes to accommodate such items.
- 8.3 The lead Director and/ or senior officer(s) supporting a relevant Committee will be consulted on a regular basis about the contents and upcoming issues on the work programme. Directors and Wider Leadership Team officers will be notified of forthcoming issues to enable officers' time to prepare reports and presentations on the subject under consideration.
- 8.4 The Council will allocate and make available to each Overview and Scrutiny Committee a budget for reasonable expenses to be incurred by the Overview and Scrutiny Committee in the discharge of its work programme. Such budget shall not be exceeded.

9. Elected members or officers giving account

- 9.1 An Overview and Scrutiny Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions and will normally do so through the consideration of written reports. In addition, the Overview and Scrutiny Committee may ask for the detail of any Community Impact Assessment, public consultation or financial implications pertaining to the decision or action under scrutiny.
- 9.2 An Overview and Scrutiny Committee may not scrutinise a decision of a Director acting under delegated powers. The only exception is where the Committee can evidence that the decision has wider implications on County Council policy and service delivery or has a specific impact upon particular communities or relates to a function of the Council and falls outside the day to day administration of the service for which the Director is responsible.
- 9.3 As well as reviewing documentation, Committees may also require the Leader of the Council, Cabinet Members, the Chief Executive and/or any senior officer¹ to attend before it to explain in relation to matters within their remit:
- A particular decision or series of decisions;
 - The extent to which the actions taken implement Council policy; and/or
 - Their performance.

¹ The term 'senior officer' means any officer who is employed upon the Conditions of Service of the JNC for Chief Officers.

9.4 Senior officers will also be required to attend Committee meetings to give account of themselves following the receipt of a petition with the prescribed number of signatures under the Council's petition scheme.

9.5 Officers or other invited guests that are asked to give evidence will be given a minimum of 15 working days' notice. In practice additional notice will normally be given. Where, in exceptional circumstances, the member or officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall arrange an alternative date to attend and give evidence. This would normally be the next scheduled meeting of the Committee unless urgency requires a special meeting to be organised.

10. Attendance by others

10.1 An Overview and Scrutiny Committee may invite people other than those referred to above to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and members and officers in other parts of the public sector and other agencies and bodies and shall invite such people to attend.

10.2 Attendance by such invitees will normally be obtained by mutual agreement. Overview and Scrutiny does however have the right to require information from partner organisations in respect of delivery against local improvement targets. The organisations listed in legislation include:

Any district council which is not a responsible local authority;

- The fire and rescue authority;
- The National Park Authority;

- The English Sports Council;

- The Museums, Libraries and Archives Council and Natural England.

In addition to their requirement to provide evidence for the purposes of an Overview and Scrutiny investigations, the above named bodies are also required to give consideration to any recommendations arising from such investigation.

10.3 When a witness attends a meeting regard will be had to the following principles:

- That the investigation be conducted fairly, and all members of the Committee be given the opportunity to ask questions of attendees, and to contribute and speak.
- That those assisting the Committee by giving evidence be treated with respect and courtesy; and
- That the investigation be conducted so as to maximise the efficiency of the investigation or analysis.

11. Overview and Scrutiny Committee Working Groups

11.1 The Corporate Overview and Scrutiny Committee may establish Overview and Scrutiny Committee Working Groups as and when required to advise the Cabinet on the development of Policy for the Council.

11.2 The membership of these groups will not be fixed and will be determined by the relevant Committee from the non-Executive members of the Council, depending on the skills and experience required for the particular policy work in question.

11.3 Each Working Group will have clearly defined aims and terms of reference and agreed start and end dates. Working Groups will report their findings and recommendations to the Cabinet, Cabinet Member(s) or relevant partners. The person or body to whom the report is submitted shall consider it within two months. The work of the Working Groups will be monitored by Corporate Overview and Scrutiny and the implementation of recommendations will be monitored by the relevant Overview and Scrutiny Committees.

12. Policy review, development and investigations

12.1 The role of the Overview and Scrutiny Committees in relation to the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules.

12.2 In relation to the development of the Council's approach to other matters of policy not forming part of its budget and policy framework an Overview and Scrutiny Committee may make proposals to the Cabinet for the development of policy so far as they relate to matters within its scope.

12.3 An Overview and Scrutiny Committee may hold enquiries and investigate the available options for future direction in policy development and may invite advisers and assessors to assist in this process. The Committee may undertake site visits, conduct public surveys, hold public meetings, commission research and do all other things that it reasonably considers necessary to inform its deliberations. It may ask witnesses to attend to address it on any matter under consideration and may, subject to paragraph 8.4 above, pay advisers, assessors and witnesses a reasonable fee and expenses for doing so.

13. Reports from Overview and Scrutiny Committees

13.1 Once it has formed recommendations on proposals for policy development above, the Overview and Scrutiny Committee will prepare a formal report and submit it to the Deputy Chief Executive and Director for Corporate Services for consideration by the Cabinet or the Council as appropriate.

13.2 If an Overview and Scrutiny Committee cannot agree on one single final report to the Council or the Cabinet as appropriate, then up to one minority report may be prepared and submitted for consideration.

13.3 The Council or Cabinet shall consider the report of the Overview and Scrutiny Committee within two months of it being submitted to the Deputy Chief Executive and Director for Corporate Services.

14. Making sure that Scrutiny reports are considered by the Cabinet

14.1 Once an Overview and Scrutiny Committee or Working Group reports on any County Council matter it will forward a copy of its report to the Proper Officer (Deputy Chief Executive and Director for Corporate Services) who will allocate it to the Council, Cabinet or Cabinet Member as appropriate for consideration.

14.2 The process for the involvement of the Overview and Scrutiny Committees in the development of the Council's budget and policy framework is set out in detail in the Budget and Policy Framework Procedure Rules in Section 5, Appendix 1 of the Constitution. Where the Council considers a scrutiny report, it shall have regard to the response of the Executive to the recommendations.

14.3 For reports allocated to the Cabinet as a whole, the report shall be included on a Cabinet meeting agenda to enable a response to be produced within two months. The Cabinet will respond in writing to the appropriate Committee.

14.4 The response will be reported to the next meeting of the Committee.

14.5 For reports allocated to a portfolio holder, the portfolio holder will consider the report and respond in writing to the Committee within two months of receiving the report. The response will be reported to the next meeting of the Committee.

14.6 If for any reason the Cabinet or portfolio holder does not respond to the Scrutiny Committee report within two months, then the matter will be referred to the Council for review.

14.7 Overview and Scrutiny Committees will have access to the Cabinet's Forward Plan of Key Decisions and timetable for decisions and intentions for consultation. They will use the Forward Plan of Key Decisions to identify potential items for scrutiny when work programme planning. However, even where an item is not the subject of detailed scrutiny/proposals from an Overview and Scrutiny Committee the Committee will nonetheless be able to respond in the course of the Cabinet's consultation process in relation to any key decision.

- 14.8 Where scrutiny recommendations are agreed by the Cabinet or Cabinet Member then an action plan for their implementation will be included with the response. The appropriate Overview and Scrutiny Committee shall monitor their implementation accordingly. Any issues with the implementation of scrutiny recommendations shall be brought to the attention of Cabinet for resolution.
- 14.9 Once an Overview and Scrutiny Committee report on any matter relating to the functions of another body, it will forward a copy of the report to that body requesting a response. Where appropriate, notice will be given of any applicable requirement for the body to respond and/or have regard to the report.
- 14.10 The Council shall publish scrutiny reports and responses in accordance with the Access to Information Rules.

15. Rights of Overview and Scrutiny Committee members to documents

- 15.1 In addition to their rights as elected members, members of Scrutiny have the additional right to documents, and to notice of meetings as set out in Section 12 (Access to Information Procedure Rules) of this Constitution.
- 15.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and an Overview and Scrutiny Committee as appropriate depending on the particular matter under consideration.

16. Call-in of Executive Decisions

- 16.1 Executive decisions made by the Cabinet, by Cabinet Members under delegated powers or by other bodies with executive powers may be 'called in' for reconsideration by the Corporate Overview and Scrutiny Committee. If they deem it appropriate, the Chairman of Corporate Overview and Scrutiny may delegate consideration of a Call In to the relevant Overview and Scrutiny Committee. Should the matter be delegated to a different committee then only the elected members on that Committee would be able to vote on the matter. The Committee can either agree that the decision be implemented or refer the decision back, with recommendations, to Cabinet or the relevant decision maker.
- 16.2 Executive decisions will be published electronically by the Deputy Chief Executive and Director for Corporate Services and shall be available

for inspection at the County Buildings, Stafford as soon as practicable, normally within three working days of being made. The published record of the decision will state the date of publication and whether the decision is urgent and cannot be called in. If the decision is not urgent, it will be implemented on the fourth working day after the publication of the decision, unless it is called in.

- 16.3 During the period between the publication and implementation of a decision not less than four voting members of the relevant Scrutiny Committee, eight members of the Council who are not members of the Cabinet or a Group Leader with a group of eight or more members (excluding members of the Cabinet) and who is not a Cabinet Member may call the decision in either in writing or by e- mail. The call in will then be considered at the next meeting of the Corporate Overview and Scrutiny Committee (or the relevant Committee if delegated) and the decision shall not be implemented until the relevant Committee have dealt with it.
- 16.4 The call-in notice shall specify a 'lead member' who will speak at the Committee meeting to explain the reasons for calling the decision in and answer any questions from Committee members. If the call-in has been made by four or members from the relevant Scrutiny Committee, then the lead member will be from that group. If the call-in arrives from eight or more members of the Council who are not members of the Cabinet or a Group Leader the lead member will be chosen from that group. The Cabinet Member responsible for the decision will also be invited to explain the reasons behind the decision and answer questions. The remaining members who have called the decision in who are neither members of the Corporate Overview and Scrutiny Committee nor "local members" shall be entitled to attend and may answer questions from Committee members.
- 16.5 If the Committee decides to refer the decision back for reconsideration, then the decision shall not be implemented until the Cabinet have reconsidered the matter, having regard to the Committee's views. The Committee may nominate up to two representatives, who may be from the relevant Overview and Scrutiny Committee, for the purpose of attending and speaking (but not voting) on the matter at the Cabinet meeting. The decision of the Cabinet on such reconsideration shall be final.
- 16.6 If the Committee decides that a proposed decision relates to a matter which by law cannot be determined by the Council's Cabinet or must be determined by the Full Council (and the Monitoring Officer confirms

this) then unless the proposal is withdrawn the Committee shall refer the matter to the full Council for a decision.

- 16.7 If the Committee consider that the decision is one which raises issues of such exceptional significance and public interest as to justify consideration by the full Council before the decision is implemented the Committee may refer the decision to the full Council for consideration and the decision shall not be implemented until after the meeting of the Council to which it has been referred and the Cabinet have reconsidered the matter having regard to the Council's views on the decision.
- 16.8 If the Committee (or the Council) decides not to refer the decision back then it may be implemented on or after the first working day following the meeting of the Committee or Council.
- 16.9 Whichever course of action the Committee decides to take the reasons for taking that action and the concerns of the Committee about the decision shall be recorded in the minutes and reported to Cabinet.
- 16.10 If the Committee do not consider the call-in at their next meeting after expiry of the appropriate period the decision may be taken or implemented on or after the first working day after the meeting of the Committee at which the matter should have been considered.

17. Call-in and urgency

- 17.1 The call-in procedure set out above shall not apply where the decision being taken by or on behalf of the Cabinet is urgent and any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public's interests or the interests of any person(s) to whom the decision relates.
- 17.2 The record of the decision, and notice by which it is made public shall state, with reasons, whether in the opinion of the Cabinet the decision is an urgent one and therefore should not be subject to call-in
- 17.3 The Chairman of the Corporate Overview and Scrutiny Committee must agree that the decision is urgent and cannot reasonably be deferred. If they are unwilling or unable to act, the Chairman of the County Council or in their absence the Vice-Chairman of the County Council may agree that the decision is urgent but the reasons for the Chairman of Corporate Overview and Scrutiny failing to agree must be recorded.

17.4 The operation of the provisions relating to call-in and urgency shall be monitored, and a report submitted to Council on the use of the procedure on a quarterly basis.

Appendix 1 - Scheme of Delegation to Officers

1. Introduction

- 1.1 In order to support the day to day running of the County Council and its services, Senior Leadership Team members have been given delegated powers to exercise some of the County Council's functions and services. Powers are delegated by the Council under the provisions of the Local Government Act 1972 (Section 101) and by the Executive under the Local Government Act 2000 (section 15)
- 1.2 Subject to certain conditions² Cabinet members have delegated powers to take decisions on any matter which falls within their portfolio and which is not delegated to officers under this scheme of delegation.
- 1.3 Because this scheme of delegation does not itemise every type of decision which officers can take there will be occasions when responsibility for decision making could rest with either the cabinet member or the officer.
- 1.4 The following criteria are suggested to help distinguish between cabinet member and officer level decisions.

NOTE these criteria are intended to provide a guide and are not exhaustive:

Officer Decision	Uncontroversial
	Related to 'internal' matter
	Covered by Scheme of Delegation to Officers
	In accordance with agreed policy and budget provision
	Related to current / existing service provision
Member Decision (this could mean Cabinet Member or individual local member)	Controversial
	Direct impact on 'residents, communities and service users'
	Politically sensitive
	Not covered by policy or budget provision
	Related to new service provision / innovation

- 1.5 Table 1 of this Appendix sets out the general powers delegated to all Senior Leadership Team members.

² For a detailed explanation of Cabinet Member delegated powers see Section 6 of this Constitution

- 1.6 Tables 2 to 7 set out the specific delegations to individual Senior Leadership Team members relating to their areas of responsibility.
- 1.7 The following matters may not be delegated to a Senior Leadership Team member:
- Any matter reserved to the full Council;
 - Any matter which by law may not be delegated to an officer;
 - Any matter reserved to the Cabinet or a Committee or Panel;
 - Any matter which constitutes a key decision;
 - Any power to make a formal response on behalf of the County Council to any White Paper, Green Paper, Government Consultation Paper or draft European Union Directive without reference first to the relevant Cabinet Member, Leader of the Council or the Chairman of the Committee concerned, except where timescales do not allow it, when the Chief Executive is authorised to respond after discussion with them.
- 1.8 All Senior Leadership Team members (or any successors appointed under any re-organisation) are authorised to exercise the powers of the Council (both Executive and Non-Executive) relating to their areas of responsibility including professional and managerial functions relating to their service subject to the limitations and reservations of the scheme.
- 1.9 In the event of the relevant Senior Leadership Team member not being available for any reason their Deputy or the next most appropriate senior officer included in the Wider Leadership Team shall be authorised to exercise the delegated powers.
- 1.10 Every Senior Leadership Team member may authorise officers in their department/service area to exercise on their behalf functions delegated to them, provided the delegate holds any qualifications necessary for the exercise of the power. The Senior Leadership Team member shall remain accountable and responsible for any decisions taken in their name. All Sub-Delegation schemes shall be in writing, with copies deposited with the Monitoring Officer.
- 1.11 At the total discretion of the relevant Senior Leadership Team member any officer may have the delegated authority suspended, reviewed or limited in specific circumstances (i.e. a specific exclusion) (NB this is not to be considered as a disciplinary matter).
- 1.12 When exercising delegated powers, Senior Leadership Team members must ensure that any actions are in accordance with the policies and

decisions of the County Council, this Constitution, Financial Regulations and Procurement Regulations and not outside the powers and duties of the Council under law.

- 1.13 When exercising delegated powers, Senior Leadership Team members are delegated to consult such other officers and/or the Chief Executive, the Deputy Chief Executive and Director for Corporate Services and the Director of Finance as may be appropriate in the circumstances and shall have regard to any advice given.
- 1.14 Senior Leadership Team members may consult the appropriate Cabinet Member, Cabinet or a Committee before exercising delegated powers and, following this consultation, elect not to exercise their delegated powers.
- 1.15 Senior Leadership Team members must consult the local member(s) for an area affected by a proposed decision prior to making that decision.
- 1.16 Senior Leadership Team members must keep Local members informed of events being organised in their area in connection with the exercise of their delegated powers (e.g. Public meetings, meetings with campaign groups) before taking any decisions officers are under a duty to satisfy themselves that they have delegated power to do so and that they have undertaken appropriate consultation.
- 1.17 The Cabinet and Committees and Panels of the Council reserve the right to take decisions on any matter delegated to an officer, provided that the subject matter is within their area of responsibility.
- 1.18 The advice of the Deputy Chief Executive and Director for Corporate Services and the Director of Finance must be sought when a Senior Leadership Team member proposes to exercise delegated powers on behalf of the Cabinet if there is doubt as to whether the proposed exercise is contrary to the policy framework or contrary to or not wholly in accordance with the budget.
- 1.19 Where a Senior Leadership Team member is of the opinion that any matter delegated to them may involve the payment of compensation for which no specific budgetary provision has been made no decision shall be made without reference to, and approval by, the Cabinet or a Committee (as appropriate) subject to a *de minimis* limit of £3000.

- 1.20 The Senior Leadership Team member must ensure that decisions made under this Scheme are supported by relevant documentation and evidence.
- 1.21 Where the delegated power specifies whether the function is an Executive responsibility, Non-Executive (i.e. Council) or a Local Choice function; any misattribution of a function shall not prevent the exercise of the delegated power.
- 1.22 In addition to the delegations set out in this scheme, the Council or Cabinet can arrange for specific delegations on a particular matter.

Appendix 2 – Officers’ Code of Conduct

1. Introduction

- 1.1 Under section 82(7) of the Local Government Act 2000 the terms of appointment or conditions of employment of every officer to whom the section applies are to be deemed to incorporate the Officers’ Code of Conduct for the time being in force.
- 1.2 The County Council has put in place a Local Code of Conduct describing what the Council expects of its employees and guidance to support them. This Code of Conduct is supported by the Whistle-Blowing Policy, which sets standards for employees and those with whom the Council deals to bring to attention concerns they may have about the Council's conduct in the performance of its business and the Anti-Fraud, Bribery and Theft Policy which sets the public standards with which the Council and its employees will comply.

2. Local Code of Conduct for Employees

Introduction

- 2.1 All employees must, as a matter of law, declare their interests in contracts with which the County Council (or a Governing Body) is concerned. This includes where the County Council is acting in partnership or as the Authorising Body for another organisation or body such as DAAT. Details of this obligation appear in the “Standards of Conduct – Guidance for Employees” found at paragraph 3. Nothing in this document detracts from the need to comply with that legal obligation.
- 2.2 As a Condition of Service, all employees are expected to maintain conduct of the highest standard such that public confidence in their integrity is maintained (see, for example, the NJC for Local Government Services Conditions of Service). This employment obligation is also reinforced, in relation to certain posts, by a duty to comply with other external standards – as applies, for example, to Social Workers under the BASW Code of Ethics, or the requirements of professional bodies such as the Law Society. The NJC standard is also to be supported by Local Codes of Practice to cover the official conduct and the obligations of employees and employer.
- 2.3 The County Council has put in place three policies to give public confidence in the Council’s ethical arrangements and to support its employees in meeting those standards:

- 2.4 Anti-Fraud, Bribery and Theft Policy (to set the public standards with which the Council and its employees will comply).
- 2.5 Whistle-Blowing Policy (to set standards for public and employees and those with whom the Council deals (such as agency staff, contractors and partners) to bring to attention concerns they may have about the probity of the Council's conduct in the performance of its business).
- 2.6 This Local Code of Conduct (what the Council expects of its employees) and Guidance to support them.
- 2.7 This Local Code sets out the Council's expectation of the way in which its employees will notify interests of theirs which could – however, inadvertently – be seen by the public as affecting the integrity of the Council's employees and the arrangements for the Council's business to be carried out.
- 2.8 Employees whose salary grade is PO Special 1 of above, and those employees identified by Chief Officers as exercising delegated powers to take decisions for and on behalf of the County Council, are required to submit a completed declaration of interest (including a 'nil' return where appropriate) within one month of appointment to post (or being identified by the Chief Officer as exercising such delegated powers). Thereafter such employees shall submit a fresh declaration annually and shall update their declaration as soon as practicable after a change of circumstances occurs which requires the declaration to be updated.
- 2.9 Employees taking decisions for or on behalf of the County Council would include those:
- Procuring contracts, and/or placing orders for works, goods or services with outside suppliers or playing a significant part in the procurement, such as tender evaluation.
 - Securing the provision of places for education, for care or for social or other personal support.
 - Involved in the provision disposal or design of land, buildings and infrastructure schemes (such as roads).
- 2.10 Where the Code of Conduct is mandatory in relation to a particular post, reference to this will be included in the job description when recruitment to the post is being undertaken.

- 2.11 For other employees the Code is voluntary, though the Council encourages all employees to register as a matter of good public sector practice.
- 2.12 The Code requires employees to register their own personal interest. Where a closely associated person of the employee e.g. spouse, partner or family and friends or those living with the employee has an interest in a company or organization which may be affected by a decision of the County Council (award of a contract etc.) the employee may wish to discuss with them and register that there is an interest of a closely associated person. e.g. if the answer would be 'yes' to the question 'Could an independent person who did not know me, but knew about the interest think that my decision or the decision of the County Council may have been influenced by the fact a closely associated person had this interest?'
- 2.13 The Code is supported by the Council's Guidance "Standards of Conduct – Guidance for Employees" referred to above.
- 2.14 It is not intended that the register will be subject to public scrutiny, as it will contain personal data protected under the Data Protection Act.
- 2.15 Declarations (including 'nil' returns) must be registered with the Monitoring Officer.
- 2.16 Access to the database of registered interests is restricted to senior officers authorised by Chief Officers for that purpose, on a need to know basis, and information will only be made available for County Council purposes, subject to any overriding legal obligation with which the Council are required to comply. Data entry will be undertaken by officers of the Corporate Services Directorate on a confidential basis.

3. Standards of Conduct – Guidance for Employees

Introduction

- 3.1 The public is entitled to expect of local government employees conduct of the highest standard. Public confidence in the integrity of the County Council would be undermined if there were the least suspicion, however ill- founded, that those who work for it could be influenced in any way by improper motives. Employees should also be protected against unjustified allegations of wrongdoing. It is important therefore that employees should know the standards of conduct expected of them.

- 3.2 It is impossible to cover every eventuality in a document such as this and there will always be some room for interpretation. It is not a definitive statement of the law nor does it take away the requirement for individuals to comply with the law. It is intended as a guide which will assist employees to reach a decision in any particular case. Rules or Codes of Conduct do not of themselves create the standards but they are an indispensable factor in achieving the standards required.

Application to Schools

- 3.3 The School Staffing (England) Regulations 2009 require governing bodies to establish procedures for the regulation of the conduct and discipline of staff. This has the effect of transferring an obligation which exists in general employment law in respect of staff employed by Community, Voluntary Controlled, Community Special and Maintained Nursery Schools ("the relevant schools"), from Staffordshire County Council, as the employer, to the governing body of the school. However, Staffordshire County Council remains the employer of such staff of the school. The standards which are set out in this document are commended for adoption by governing bodies. If this is done (and unless otherwise stated) the reference to 'Staffordshire County Council' or "County Council" in this guidance should read 'the governing body' of the school and reference to 'the Chief Officer' should read 'the Headteacher' and reference to "a department" should read "school".
- 3.4 In cases where information is to be provided to the Deputy Chief Executive and Director for Corporate Services direct, a copy of the information should be provided to the Assistant Director for Education Strategy and Improvement. Further advice on the scheme can be obtained from the Deputy Chief Executive and Director for Corporate Services.

4 Pecuniary Interests

- 4.1 The law (Local Government Act 1972 section 117) specifically requires employees to disclose any "pecuniary" interest they may have (whether direct or indirect) in any contract with which the authority is concerned. Not to do so may be a criminal offence. With financial delegation to schools and colleges this will extend to any contract with which a governing body is concerned.
- 4.2 A declaration under section 117 of the Local Government Act 1972 should be made where employees (or their spouse) receive any form of remuneration from a firm or person(s) which they know has had,

has or is likely to have dealings with the County Council even through the remuneration may be quite properly payable. This includes for example payment for work done, commission, honoraria, dividends, interest, agency or other fees.

4.3 An interest could include, for example, any of the following:

- Holding shares in the company (even a very small number);
- Employment by the company or acting as agent for the company;
- Being Chairman or Secretary of a body or organisation doing business or seeking grants from the County Council; and
- Where the employee is in a position to influence or initiate contracts or where such relationship could be seen by others to place the employee of the County Council in a position to exercise influence for improper motives. The intention of this provision is to ensure that employees do not knowingly or otherwise place themselves in a position where doubts can be raised about their relationship with any other body concerned.

4.4 Certain kinds of relationships or memberships can sometimes influence a person's judgement or give the impression that the individual is acting for personal motives. A good test of whether an interest should be declared is to consider whether others would think the interest is of a kind which could make this view possible. It is difficult to define every possible case but an example is employees who, during the course of their duties, have dealings with an organisation in which they or any of their relatives hold an office or position of influence.

4.5 If any employee has any interest which falls within the broad outlines, then full details must be provided in writing to the Chief Officer. This information will also be passed to the Deputy Chief Executive and Director for Corporate Services to be recorded in a Register which they maintain. If the interest changes, the employee should also notify this in the same way.

4.6 If an employee has an interest in any particular matter, it will normally be undesirable for that employee to deal on behalf of the County Council with anything appertaining to it. In such cases the instructions of the Chief Officer must be sought.

4.7 If employees have any questions or doubts about what constitutes "an interest" they are advised to discuss the position with their Chief Officer.

5 Gifts and Hospitality

5.1 The Prime Minister's Committee on Conduct in Local Government (1974) identified offers of gifts and hospitality as a particular source of conflict between private and public interests where these are offered in connection with official duties. They said:

5.1.1 *"a nice exercise of judgement may sometimes be necessary to decide how the public interest, and an authority's good name, may best be served. A reasonable amount of entertainment is a normal part of the courtesies of public life, and extreme strictness can give unnecessary offence to people and organisations with whom the authority's relationships should be cordial. But an appearance of improper influence is easily created and with it encouragement of cynicism about the motive of those who serve in local government".*

5.1.2 The best general advice which can be given about offers of gifts or hospitality is to seek the advice of the Chief Officer and "when in doubt, opt out". This is a good principle to follow since in law, the receipt of a gift in certain circumstances can impose a presumption of guilt which the 'accused' has to rebut.

5.2 Gifts

5.2.1 The general convention should be that gifts offered by persons who are providing or seek to provide goods or services to the County Council or who are seeking decisions from the County Council should be politely refused and returned. So should gifts (other than those of a minor nature) offered by those receiving services from the County Council (e.g. presents offered to home helps and teachers). This applies particularly to personal gifts offered to employees or members of their families. However, there is a need to recognise and provide for items of a very minor nature which come into the workplace as a consequence of normal commercial practice or as a token of appreciation. These are the items of a promotional character which are given to a wide range of people and not personally only to the employee. These gifts are usually given at Christmas time and include calendars, diaries, desk sets, flow charts, tape measures and other minor articles of use in the office or job.

5.2.2 Gifts may also be offered, for example, at the conclusion of a courtesy visit to a factory or firm. If these are of the type normally given by that firm to visitors and of a minor nature (e.g. small free sample) they

can be accepted. Similar arrangements apply where the refusal of a small gift would give needless offence. However, this should not be done if the giver is currently seeking a decision of the County Council. The small gift should only be accepted if the giver merely wishes to express thanks for advice, help or co-operation received.

- 5.2.3 In all cases of this nature, it is wise to err on the side of caution: an obviously expensive gift should be tactfully declined. If a gift is simply delivered it should be returned to the donor and the Chief Officer advised of the action taken. A note of the action taken should be placed on file by the Chief Officer. If there is a problem in returning it, the Chief Officer's advice should be sought.

5.3 **Hospitality**

- 5.3.1 Hospitality of differing levels might be offered to the County Council and accepted at official level because that course of action is reasonable in all the circumstances. However, an offer of hospitality to individual employees calls for special caution particularly if the "host" is doing or trying to do business with the County Council or hoping to obtain a decision from it. It is very important to avoid any suggestion of improper influence. It is difficult to give fixed guidelines to be followed on all occasions. It is clearly a matter of individual judgement but the following paragraphs may indicate what is acceptable and what is not.

- 5.3.2 A working lunch of modest standards to allow the parties to continue to discuss business already started would normally be acceptable: this is a case where the modest hospitality is secondary to a specific working arrangement. The employee should be careful not to claim subsistence allowance unless the money claimed has actually been spent on, for example, the purchase of non-alcoholic drinks to accompany the meal. On the other hand, it would not be acceptable conduct for an employee to accept a holiday (at home or abroad), or tickets for concerts, theatre or sporting events, the use of a company flat or hotel suite, or expensive hotel meals not connected with official business.

- 5.3.3 There are occasions when an offer of hospitality of any kind should be declined, e.g. when the person offering the hospitality has a matter currently at issue with the County Council such as a tender under consideration or a contract dispute.

5.4 **Promotional Offers**

- 5.4.1 There has been a lot of publicity about unethical sales promotion techniques adopted by some companies. Purchasing inducements are offered in various forms; gifts, vouchers to be used against future orders, the 'buy one get one free' type of offer and the misleading offers which results in more goods being ordered than are required.
- 5.4.2 It is important to remember that when purchasing for the County Council, the best possible deal for the County Council must be obtained. Any commission vouchers, cash discounts etc. offered by a contractor in connection with the order belong to the County Council (they may, depending on the circumstances, be credited to the department's budget) and should be paid to the Director of Finance.
- 5.4.3 If employees receive an approach from a supplier (or prospective supplier) which seems to be unauthorised in any way, or if they receive a gift or voucher from such a supplier, they should immediately inform the Chief Officer who should ensure that the Director of Finance's Audit Section is made aware of the approach.

5.5 **Registration of gifts and hospitality**

- 5.5.1 If you receive, or refuse the offer of, any gifts or hospitality worth over £25 in connection with your role as an officer of the County Council then you will need to complete the relevant form.

6 **Other Employment**

- 6.1 It has been established as a basic principle, and included in some of the conditions of service, that whilst employees' off-duty hours are their personal concern, they should not subordinate their duty to their private interests nor should they place themselves in a position where their duty and their private interests' conflict. Where an employee takes up any additional employment, such employment should not in any way conflict with or react detrimentally to the authority's or department's interests or in any way weaken public confidence in the conduct of the authority or department.
- 6.2 With the above in mind, the County Council does not preclude all employees from taking additional employment but has decided that in certain circumstances employees should not engage in any business or paid employment other than that for which they are employed by the County Council, unless the County Council has agreed in writing to such business or employment. The general rule is that employees should seek permission to take on additional employment:

- When their salary is above a specified figure (at present spinal column point 28), or
- They wish to take on a second employment which is for an organisation which provides services to or similar to those provided by the County Council, or
- There is likely to be a conflict of interest with or other effect on their employment with the County Council.

6.3 Before committing themselves to any such second employment employees should seek permission in writing from the Chief Officer giving full details of the proposed employment and identifying the name of the proposed employer. This policy applies irrespective of whether or not the proposed business or employment is similar to the employment with the County Council. It is clearly undesirable for employees to undertake certain types of outside work for payment, at whatever level they are employed in the authority.

6.4 Employees at all levels should avoid getting into a position of conflict by undertaking outside work even if unpaid. For this purpose, it is considered that a conflict arises when an employee is to be employed by a member of the public or an outside organisation or body for work which is in any way connected with the scope of the employee's duties with the County Council. Such work should not be accepted.

6.5 Another area which can lead to difficulties is where an employee has business interests (direct or indirect) outside the employment with the County Council. This would arise, for example, where an employee is a major shareholder or 'sleeping partner' in a business where the work experience of the employee is of prime importance to the business. In such a situation, there will arise a clear conflict of loyalties between the needs of the County Council employment and the needs of the 'other business'. There may also be circumstances where such an interest could provide an element of competition where the 'private business' seeks to provide a service which is one normally also provided by the local authority.

6.6 This advice does not preclude any employee from undertaking voluntary unpaid work outside normal hours for a charitable or similar organisation.

6.7 In fact, the County Council encourages employees to become involved with bodies of this nature but subject to the advice contained elsewhere in this document.

7 Lectures, Press Articles, Radio/TV Appearances etc.

- 7.1 Many employees are invited to give lectures/talks, prepare articles or to appear on radio or TV. Employees are encouraged to do this, particularly on uncontroversial matters relating to their employment which it is thought may be of interest either professionally or to the public. The County Council out of courtesy would expect the employee to notify the Chief Officer before becoming involved, and also to clear, if necessary, the material to be used. For the purposes of this paragraph "the material to be used" covers confidential documents or reports etc., to which the employee has access solely because of being an employee of the Council (e.g. a report in the confidential part of an Agenda). Employees would not expect to use such confidential information unless they had cleared it with their Chief Officer. There is nothing in this paragraph which would prevent them from using, for example, a Cabinet or Committee report which appeared in the public part of an agenda.
- 7.2 Employees must request the advice of their Chief Officer before becoming involved in controversial discussions or statements on matters of County Council policy (or matters of policy in the process of formulation) or matters under current consideration by the County Council. The position of employees expressing views on behalf of a professional body or trade union is covered by the provisions of Paragraph 7.4 below.
- 7.3 Employees who write articles or appear in broadcasts in a personal capacity should make this clear and that the views expressed do not necessarily reflect those of the County Council.
- 7.4 Employees are of course free to express their views as representatives of trades unions or professional bodies but they are not entitled to use in this capacity confidential information received solely as an employee.
- 7.5 In many cases, employees undertaking any of the above, will be offered a fee. Where all the work (including preparation) is undertaken in the employee's own time, the employee may retain the whole fee. However, where the event or preparation for it takes place in County Council time and/or involves the use of County Council resources, it will be necessary to seek approval to use such resources and agree the proportion of any fee to be paid to the County Council for such use. Where a payment is not negotiated then the normal arrangement

would be for the employee to pay over to the County Council 50% of the fee received.

- 7.6 There are occasions when fees are paid to employees for acting as an examiner for a university or college or other examining body. These fees may be retained by the employee. When an employee gives an occasional lecture on a subject appertaining to the local government service for which a fee is offered, the employee may retain the fee unless there has been substantial use of County Council resources in the preparation work in which case the arrangements under Paragraph 7.5 above will apply.

8 Use of County Council Facilities, Resources, etc.

- 8.1 Any facilities, equipment, tools etc. provided by the County Council for use in an employee's duties should be used only for those duties and for no other purpose except where the County Council has agreed to private use. This applies to all facilities and property, including the use of telephones, photocopiers, vehicles or other similar equipment. There are approved arrangements for some of these services to be used for private purposes on payment of charges determined by the County Council – for example, private telephone calls from the work place; photocopies.
- 8.2 It is also important to ensure that there is no suggestion that an employee uses their position to gain the use of County Council services without payment. The approved arrangements for the use of equipment, services etc. for private purposes should always be followed and the appropriate charges paid.

9 Relationships with firms who have dealings with the County Council

- 9.1 Employees should exercise caution about using the services of firms which have dealings with the County Council.
- 9.2 No employee should purchase for private purposes goods or services from a firm which has dealings with the County Council where the firm is offering preferential terms to the employee (directly or indirectly) because of a contractual, business or other relationship with the County Council. This would equally apply to the ordering of extra supplies against a contract where the intention is to use the goods privately and pay for them at the authority's contract price, particularly if the employee is aware that the price is not available to the ordinary customer. It would also apply to the use of the services of a contractor

with whom employees have official contact as part of their employment with the County Council. It would also preclude employees from using, for private purposes, any special trading cards which the County Council may hold. This would not be the case, of course, if the County Council negotiates a particular scheme for employees and has an agreement covering it (e.g. preferential loans).

10 Use of Confidential, Private or Personal Information

- 10.1 Many employees obtain information in their official position which has not been made public and/or is confidential. Such information acquired in the course of official duties must not be used for the personal advantage of the employee or a relative or an acquaintance or friend or any other organisation.
- 10.2 The same rules apply to personal information about other employees. This type of information may only be disclosed to a third party where there is a legal responsibility to provide it (for example, on a request from the Inspector of Taxes; or the DSS) or where the employee provides a written authority for the information to be provided (for example, to a building society or a bank). The rules would not apply to information disclosed to a trade union under the provisions of the Employment Acts relating to the disclosure of information for collective bargaining purposes but, in such cases, individual employees would not be identified.
- 10.3 The restrictions in Paragraph 10.2 apply equally to information which an employee may obtain from their employment about a contractor, debtor or creditor of the Council. Such information should be disclosed to a third party only in the circumstances set out.
- 10.4 Some information about employees is safeguarded by statute (for example, by the Data Protection Act or the Local Government and Housing Act 1989) and any employee who discloses such information could be liable to criminal prosecution and dismissal for gross misconduct. There is a separate Code of Practice dealing with this particular aspect – employees should be aware of its contents. A copy of this code is available from the Deputy Chief Executive and Director for Corporate Services.
- 10.5 No employee may communicate to the public or press, information about the discussions in, or decisions of, the County Council, the Cabinet or any Committee, Panel or Sub-Committee, taken following the exclusion of public and press unless authorised to do so.

- 10.6 As a general rule employees should not enter into any public correspondence or debate on a matter with which they are dealing officially or in which they have a direct involvement or in respect of which they hold official information, unless this is done with the consent of the Chief Officer concerned. Similar considerations exist covering the position of employees invited to participate in radio broadcasts, television programmes, etc., where the subject of the programme relates directly or indirectly to the work of the County Council. Employees invited to take part in such programmes should discuss the position with their Chief Officer before accepting the invitation. (See also paragraph 5 above).
- 10.7 Nothing in Paragraph 10.6 above prevents employees from exercising their rights as a Trade Union Officer or as citizens e.g. objections to a planning application; signing a petition against a school closure.

11 Politically Restricted Posts (This section was approved by County Council on 21 July 2016)

Introduction

- 11.1 Whilst the County Council is controlled by democratically elected politicians, it is important that the officers employed by the authority demonstrate political neutrality in their work, decision making and dealings with the community. To reinforce this, the Local Government and Housing Act 1989 (The Act)^{3 4} requires certain (usually more senior) posts to be designated as 'politically restricted'

Definition and practical implications of political restriction

- 11.2 Posts deemed by this policy to be 'Politically Restricted' are defined in the Schedule to the Local Government (Politically Restricted Posts) Regulations 1990 available at the following link: [The Local Government Officers \(Political Restrictions\) Regulations 1990 \(legislation.gov.uk\)](http://www.legislation.gov.uk/uksi/1990/1201/schedule/1)
- 11.3 In summary, where a post is designated as Politically Restricted, the postholder is effectively barred from any political activity including: standing as a candidate for the role of MP, MEP or member of a local authority (other than Parish Council), acting as an election agent, being an officer of a political party, speaking in public or publishing any written work with the apparent intention of affecting public support

³ Updated by Section 30 of the Local Democracy, Economic Development and Construction Act 2009 (with effect from 12.1.2010)

⁴ See also Local Government (Politically Restricted Posts) Regulations 1990

for a political party. Effectively a restricted postholder's political activity is confined to 'ordinary' membership of a party.

Categories of posts which are 'politically restricted'

- 11.4 The Act sets out four main categories of post for political restriction:
- a. The Head of Paid Service (Chief Executive), The Monitoring Officer, Chief Officers, Deputy Chief Officers (defined as persons who report directly to or are directly accountable to a chief officer in respect of all or most of their duties, with the exception of persons with secretarial or clerical duties), the Member and Democratic Services Manager and Assistants to Political Groups ('Specified Posts')
 - b. Posts specified in the Scheme of Delegation to Officers ('Specified Posts')
 - c. Posts which involve regularly advising elected members (at Committee/Sub-Committee or Executive (Cabinet/Portfolio Holder) level) ('Sensitive Posts')
 - d. Posts where the holder regularly speaks to broadcasters and journalists on behalf of the authority ('Sensitive Posts')

Politically Restricted Posts within Staffordshire County Council

- 11.5 The Local Authority has responsibility for compiling and maintaining a list of Politically Restricted Posts ('The List'). That list shall be held by the Monitoring Officer as the Proper Officer. The current list is appended to this policy. Its contents are agreed following consultation with Trades Union representatives serving on the Green Book Consultative Forum).

Terms and conditions of employment

- 11.6 Where a post is designated as 'politically restricted' this will be included in the terms and conditions of employment for that post.
- 11.7 As and when new posts are created consideration will be given to whether they need to be politically restricted. From the outset candidates for any newly created politically restricted post will be made aware of that designation.
- 11.8 Where a change in the activities or responsibilities of an existing post change to such an extent that the consideration needs to be given to changing the designation of that post to make it politically restricted,

the postholder will be consulted on the proposed change and will have the right to appeal the re-designation (see Appeals process below).

- 11.9 The terms and conditions of employment for those posts designated as politically restricted will be accompanied by a Code of Conduct detailing the implications of the designation.

Provisions for 'Sensitive Posts' (i.e. Posts designated as Politically Restricted under categories (c) and (d) above) Exemptions

- 11.10 Holders of 'Sensitive Posts' have a right to request exemption for the list. The Chief Executive will consider requests for exemption of a post from the list. Requests must be submitted in writing detailing the reasons for the request. The Chief Executive will be entitled to seek views from any third party considered appropriate.

Additions to the List

- 11.11 The Chief Executive has the power to direct the Local Authority to include in the List any post they deem to be a 'Sensitive Post'.

Appeals

- 11.12 Holders of 'Sensitive Posts' have a right of appeal against the designation of their post as politically restricted or the refusal to exempt a post from the list. Appeals will be considered by a special Appeals Panel of the Audit and Standards Committee. Appeals must be submitted in writing to the Monitoring Officer within 28 days of receipt of notification of the designation or refusal to exempt. The submission must give clear reasons for the appeal and include a copy of the Job Description for the post concerned. Upon receipt of an appeal, the Monitoring Officer will arrange for an Appeal Panel to be held within 21 working days. The Chief Executive will attend the Panel to explain their decision on the designation of the post. The Appellant will be entitled to attend the Hearing and to be accompanied by one other person to assist in the presentation of their case. The decision of the Appeal Panel will be final.

Monitoring and Review

- 11.13 The operation and contents of this policy will be monitored on an ongoing basis and formally reviewed every two years. In the event of substantial changes being required consultation will take place with the Green Book Consultative Forum prior to their adoption.

12 General

- 12.1 The various provisions included in legislation, in the various National Conditions of Service and in the County Council's Constitution are intended to ensure that the standards of conduct in public service are maintained at a high level. It is not possible to provide rules which cover every possible situation but the guidance included in this note is intended to give employees a clear indication of the standards of conduct the County Council expects of an employee in a situation where there may be a conflict between the employee's private and public interests. The decision in each case is one for employees to make individually but in so doing they must ensure that the rights and expectations of the public are secured on the one hand and, at the same time, safeguard their own position. In any case of doubt, employees should seek advice from their Chief Officer.
- 12.2 Whilst this code is for the guidance of employees, wilful disregard of any part of it could lead to action under the approved disciplinary procedures; but disregarding the code is not of itself a disciplinary offence.
- 12.3 In addition to this guidance to employees, there are other codes and procedures which whilst designed for specific purposes also have implications as to the standards of conduct required of employees. These will include rules, regulations, codes of practice and guidance relating to health and safety, and those covering discipline which will relate to matters such as timekeeping, conduct at work and any similar issues which could be in conflict with the standards required by the County Council.
- 12.4 This code is inevitably fairly lengthy. However, County Council employees who act in accordance with 'normal practice' should not find anything in it which should cause them concern.

Whistleblowing policy

Staffordshire County Council is committed to operating with honesty and integrity. We expect all colleagues to operate on this basis and to adhere to the council's policies, procedures and code of conduct. Fraud, misconduct or wrongdoing will not be tolerated.

The aim of this policy is to encourage colleagues to report suspected wrongdoing internally rather than externally as a first resort. Any concerns raised under this policy will be treated seriously and dealt with confidentially.

Any colleague raising a concern under this policy will not be treated less favourably for raising concerns as outlined in this procedure. This means that any colleague who raises a concern under this policy will not be subjected to a detriment nor will they be dismissed for doing so.

Any reference to 'the Council' refers to Staffordshire County Council. This policy applies to employees of Staffordshire County Council, referred to in this policy as colleagues including agency workers, trainees or anyone working on a casual basis.

The policy and procedure applies to all colleagues, regardless of length of service, but does not form part of the contract of employment and can be varied from time to time.

What is whistleblowing?

Whistleblowing is when a worker reports suspected wrongdoing at work.

For example

- A criminal offence; and/or
- A miscarriage of justice; and/or
- Damage to the environment; and/or
- Breach of a legal obligation; and/or
- A danger to health and safety; and/or
- A deliberate concealment of any of the above

A colleague can report things that are not right, are illegal or if anyone at work is neglecting their duties, including:

- someone's health and safety is in danger
- damage to the environment
- a criminal offence
- the company isn't obeying the law (like not having the right insurance)
- covering up wrongdoing

A colleague who has a reasonable belief that a wrongdoing has or may be committed and raises a genuine concern relating to any of the above, is a whistleblower and is protected under this policy.

The Council will, at its discretion, consider disclosures that are made anonymously, although such disclosures are inevitably much less powerful. The Council will also treat every disclosure in confidence, and only reveal the identity of the person making it if absolutely necessary (e.g. if required in connection with legal action).

Rights of the Whistleblower

All colleagues are encouraged to use this policy to raise genuine concerns and will not be treated less favourably for doing so, even if they are mistaken in their belief.

Any colleague who raises a concern under this policy will not be subjected to a detriment nor will they be dismissed for doing so. Any colleague who believes that they have been subjected to a detriment for raising a complaint should raise the matter with the named Monitoring Officer.

Victimisation of a whistleblower by any other colleague for raising a concern under this policy will in itself constitute a disciplinary offence.

Where the Council believes that a colleague has knowingly made a false allegation or acted maliciously, the colleague will be subject to disciplinary action, which may include dismissal for gross misconduct.

This policy does not deal with any complaints relating to a colleague's own treatment at work or own contract of employment. Those matters should be raised under the Grievance procedure or the Bullying and Harassment procedure, as appropriate.

An exception to this will be when the matter of concern arises from the colleague's own treatment at work that is arising from the whistleblowing matter they have raised previously.

Making a Whistleblowing Complaint

To make a whistleblowing complaint the whistleblower has to meet certain conditions.

If the disclosure is made to the Council, it must be in the public interest and the person making the complaint ("the whistleblower") has a reasonable suspicion that the alleged malpractice has occurred, is occurring or is likely to occur.

If the disclosure is made to a regulatory body then as well as satisfying the conditions required for disclosure to the council, the whistleblower must also honestly and reasonably believe that the information they provide and any allegations contained in it are substantially true.

For example, a colleague will be eligible for protection if:

- they honestly think what they're reporting is true
- they think they're telling the right person
- they believe that their disclosure is in the public interest

If the disclosure is made to other external bodies then as well as satisfying the conditions required for to the council, in all circumstances of the case it must be reasonable for them to make the complaint. Further the whistleblower must:

- reasonably believe that they would be victimised if they raised the matter internally or to a regulatory body or,
- reasonably believe that evidence is likely to be concealed or destroyed or,
- have already raised the concern with the council and/or relevant regulatory body and,
- reasonably believe that the information they provide and any allegations contained therein are substantially true.

If the disclosure is made to other external bodies and is of an "exceptionally serious" nature – which in a local government setting could include, say, the alleged abuse of children or vulnerable adults in an authority's care or corruption then the whistleblower will not be required to:

- have raised the matter concerned internally first
- believe that they will be subject to a detriment for raising the disclosure internally
- believe that the evidence is likely to be concealed or destroyed.

A colleague who wants to raise a wrongdoing should in the first instance inform any one of the Contact Officers, details of whom can be found on the whistleblowing page on the intranet/SLN.

The initial contact can be by telephone or in writing and, if the latter, should be in a sealed envelope addressed to the officer concerned and marked: 'PIDA – Strictly Private and Confidential'. E-mail cannot be guaranteed as a secure medium and it is not recommended as a channel for reporting issues related to this policy.

The Contact Officer who has received a disclosure will:

- acknowledge its receipt, in writing, within 5 working days;
- seek further information if required, which may include a personal interview, at which the colleague (whistleblower) can be accompanied by a representative of their trade union or professional association, or by a fellow employee;
- when the precise nature of the alleged wrongdoing is established, refer the disclosure to the Monitoring Officer (Director of Strategy, Governance and Change);
- in liaison with the Monitoring Officer keep the individual informed regarding the progress and in all cases (subject to legal constraints) provide details of the outcome of any investigation.

On receipt of a disclosure from a Contact Officer, the Monitoring Officer will determine what further action, if any, is needed, which may comprise:

- internal investigation
- report to the Police
- report to external audit
- independent enquiry
- any combination of the above

The Monitoring Officer will also ensure that the Contact Officer is advised of progress and outcome.

If the colleague does not reasonably believe that appropriate action has been taken in relation to their concern, then they may raise it externally to the prescribed regulator or our external auditors. The charity, Public Concern at Work, can advise the colleague about raising the concern externally. This will include advising who the appropriate prescribed regulator is. - 1.1 The Council require any candidate for appointment as an officer under the Council to state in writing whether they are the parent, grandparent, partner, child, stepchild, adopted child, grandchild, brother, sister, uncle, aunt, nephew or niece of an existing elected member or senior officer of the Council, or the partner of such persons.
- 1.2 Any candidate who fails to make any disclosure required under Paragraph 1.1 above shall be disqualified for such appointment and, if appointed, shall be liable to dismissal without notice.
- 1.3 Every elected member and senior officer of the Council shall disclose to the Council any relationship known to them to exist between themselves and a candidate for an appointment of which they are aware.
- 1.4 It shall be the duty of every Chief Officer and senior officer to whom such relationship is disclosed to record the disclosure and to notify the Deputy Chief Executive and Director for Corporate Services accordingly.
- 1.5 No candidate so related to an elected member of the County Council or a senior officer will be appointed without the authority of the relevant Chief Officer or an officer nominated by them.
- 1.6 Where such relationship to an elected member of the County Council exists the elected member of the Council shall not take part in the consideration, or discussion of, or vote on, any question with respect to the appointment.
- 1.7 For the purpose of this section 'senior officer' means the holder of any politically restricted post.
- 1.8 The Council will disqualify any applicant who directly or indirectly seeks the support of any elected member of the County Council or Chief Officer for any appointment with the Council.
- 1.9 No elected member will seek support for any person for any appointment with the Council.
- 1.10 Nothing in paragraphs 1.8 or 1.9 shall preclude an elected member of the County Council or senior officer from giving a written testimonial

on a candidate's ability, experience or character for submission with or in connection with that candidate's application.

- 1.11 The requirements of paragraphs 1.1 to 1.10 will be made clear in the advertisement inviting applications for appointment and/or in any form of application supplied for use by candidates.

2. Recruitment of Head of Paid Service, Chief Officers and Wider Leadership Team

- 2.1 Where the Council proposes to appoint the Head of Paid Service or a Chief Officer or a member of the Wider Leadership Team and it is not proposed that the appointment will be made exclusively from among their existing officers, the Council will:

a. draw up a statement specifying:

- i. the duties of the officer concerned; and
- ii. any qualifications or qualities to be sought in the person to be appointed;

b. make arrangements for the post to be advertised in such a way as is likely to bring it to the attention of persons who are qualified to apply for it; and

c. make arrangements for a copy of the statement mentioned in paragraph 2.1 (a) to be sent to any person on request.

- 2.2 For the purpose of this Appendix the term 'Chief Officer' and 'Wider Leadership Team' mean the holders of posts of Chief Officer and Deputy Chief Officer within the meaning of those terms in the Local Government and Housing Act 1989.

3. Appointment and Dismissal of Head of the Paid Service – Special Provisions

- 3.1 Where a Special Committee of the Council referred to in paragraphs 4 or 6 below is discharging, on behalf of the Council, the function of the appointment or dismissal of an officer designated as the Head of the Paid Service, the Council must approve that appointment before an offer of appointment is made to them or, as the case may be, must approve that dismissal before notice of dismissal is given to them.

4. Appointment of the Head of the Paid Service, Chief Officers and Wider Leadership Team

4.1 Subject to paragraph 3.1 above and 4.5 below the Special Committee of the Council will be responsible for appointing the Head of Paid Service, Chief Officers and Wider Leadership Team members.

4.2 Where a recruitment is proposed the Special Committee of the Council shall be established comprising:

- the Chairman of the County Council (or an elected member of the County Council nominated by them to represent them), together with;
- not less than one nor more than four Cabinet members nominated by the Leader of the Council; and
- an equal number of non-Cabinet members of the County Council nominated by the Chief Executive in consultation with the Group Leaders.

4.4 When recruiting Chief Officers and Wider Leadership Team members the Chief Executive, in consultation with the Chairman and the Leader of the Council, shall select a long list of such qualified applicants for short listing and interview by the Special Committee.

Offer of Appointment

4.5 An offer of an appointment as Head of Paid Service, Chief Officer or Wider Leadership Team member shall not be made by or on behalf of the Special Committee until:

4.5.1 The Committee has notified the Proper Officer (i.e. the Deputy Chief Executive and Director for Corporate Services) of the name of the person to whom the Committee wishes to make the offer and any other particulars which the Committee considers are relevant to the appointment.

4.5.2 The Proper Officer has notified every Cabinet Member of the name of the person to whom the Committee wishes to make the offer, any other particulars relevant to the appointment which the Committee has notified; and the period within which any objection to the making of

the offer is to be made by the Leader of the Council on behalf of the Cabinet to the Proper Officer.

- 4.5.3 The Leader of the Council has, within the period specified under subparagraph 4.5.2 notified the Proper Officer that neither they nor any other Cabinet Member has any objection to the making of the offer; or the Proper Officer has notified the Committee that no objection was received by them within that period from the Leader of the Council; or the Committee is satisfied that any objection received from the Leader of the Council on behalf of the Cabinet within that period is not material or is not well-founded.

Where no appointment is made

- 4.6 Where no qualified person has applied for the appointment; or no qualified applicant is selected for interview, or the Special Committee do not make an appointment then the Chief Executive shall (unless no appointment to the post is to be made) re-advertise the appointment under paragraph 2.1 above.

5. Remuneration for the Head of Paid Service and Chief Officers

- 5.1 The Special Committee will have responsibility for matters relating to the remuneration, as defined in the Localism Act 2011, of the Head of Paid Service and Chief Officers (“the Senior Leadership Team”).

- 5.3 The Special Committee will have the authority to:
- make decisions in respect of all and any issues relating to remuneration and allowances of the Senior Leadership Team during employment (including the use of settlement agreements as appropriate); and

- make changes to the Senior Leadership Team remuneration strategy which may impact on the remuneration for individual officers.

6. Disciplinary action (including Dismissal) in respect of the Head of Paid Service, Chief Officers and Wider Leadership Team

6.1 For the purposes of this Section of this Appendix the term 'disciplinary action' is limited to dismissal for any reason other than redundancy, permanent ill-health or infirmity of mind or body, and such other disciplinary action not amounting to dismissal as requires the involvement of a Special Committee in order to meet the County Council's obligations under the terms and conditions of service of that officer; but not further or otherwise.

6.2 The Special Committee of the Council will have responsibility for disciplinary action in respect of the Head of Paid Service, Chief Officers and Wider Leadership Team members.

6.3 When required the Special Committee will be established comprising the following members:

- The Chairman of the County Council (or an elected member of the County Council nominated by them to represent them), together with;

- 6.5.3 The Leader of the Council has, within the period specified under paragraph 6.5.2 notified the Proper Officer that neither they nor any other Cabinet Member has any objection to the dismissal; or the Proper Officer has notified the Committee that no objection was received by them within that period from the Leader of the Council; or the Committee is satisfied that any objection received from the Leader of the Council on behalf of the Cabinet within that period is not material or is not well-founded.

Dismissal of a Statutory Officer - Special Provisions

- 6.6 A Statutory Officer (which for this purpose is defined as the Head of the Paid Service, the Monitoring Officer and the Chief Financial Officer) may not be dismissed by the authority unless the procedure set out below is complied with.
- 6.7 The Special Committee established under paragraph 6.3 must, in addition, include at least two relevant independent persons (which for this purpose means any independent person who has been appointed by the Council or, where there are fewer than two such persons, such independent persons as have been appointed by another authority or authorities as the Council considers appropriate).
- 6.8 The relevant independent persons who have accepted an invitation to be on the Special Committee for this purpose must be appointed in accordance with the following priority order—
- a relevant independent person who has been appointed by the authority and who is a local government elector;
 - any other relevant independent person who has been appointed by the authority;
 - a relevant independent person who has been appointed by another authority or authorities.
- 6.9 The Council is not required to appoint more than two relevant independent persons but may do so.

- 6.11 The Full Council must approve the dismissal of a Statutory Officer before notice of dismissal is given to that person.
- 6.12 Before the taking of a vote at the relevant meeting of the Full Council on whether or not to approve such a dismissal, the authority must take into account, in particular:
- a. any advice, views or recommendations of the Special Committee;
 - b. the conclusions of any investigation into the proposed dismissal; and
 - c. any representations from the relevant officer.
- 6.13 Any remuneration, allowances or fees paid by the authority to an independent person appointed to the Special Committee must not exceed the level of remuneration, allowances or fees payable to that independent person in respect of that person's role as independent person under the Localism Act 2011.

7. Appointment and dismissal of the Officer designated as the Director of Public Health

Appointment

- 7.1 The appointment of the Director of Public Health is to be made by the Special Committee in accordance with paragraph 4 above but such appointment is subject to the approval of the Secretary of State and must also follow the procedure set out in this section.
- 7.2 The Council must design a job description that includes specialist public health leadership and an appropriate span of responsibility for improving and protecting health, advising on health services and ensuring that the impact on health is considered in the development and implementation of all policies.
- 7.3 The Council must make considerable effort to agree the job description with the Faculty of Public Health and the Public Health England Regional Director, to ensure that the job description covers all the necessary areas.
- 7.4 The Council must establish an Advisory Appointments Committee to make recommendations to the Special Committee on the appointment.

7.5 The Advisory Appointments Committee should include:

- an external professional assessor, appointed after consultation with the Faculty of Public Health;
- the Chief Executive of the Council or their nominated deputy;
- senior local NHS representation;
- the Public Health England regional director, or another senior professionally qualified member of Public Health England acting on their behalf; and
- in the case of appointments to posts which have teaching or research commitments, a professional member nominated after consultation with the relevant university.

7.6 In addition to the appointments in paragraph 7.5 above, the Council may appoint additional members as it considers appropriate to the Advisory Appointments Committee, but the majority of the Committee should consist of employees of the Council and professional members.

7.7 The Advisory Appointments Committee may be chaired by a lay member, such as an elected member of the Council (e.g. the Chair of the Health and Wellbeing Board or the Cabinet Member with responsibility for Public Health matters).

7.8 Public Health England will also assist the Council in offering advice in relation to the recruitment and selection process and will also confirm to the Council the Secretary of State's agreement to the appointment.

7.9 The Council must assure themselves of the Director of Public Health's competency before appointing by ensuring that they:

- a. Undertake a Faculty of Public Health continuing professional development programme;
- b. Maintain a portfolio of training that demonstrates competence with all aspects of public health accepted by the UK Public Health Register.

Dismissal

7.10 The dismissal of the Director of Public Health will follow the procedure set out in paragraph 6 above subject to the additional provisions below.

7.11 The Council must consult the Secretary of State before dismissing the Director of Public Health.

- 7.12 The Council should contact Public Health England for advice on how to proceed with the consultation. Public Health England will then provide the Secretary of State's formal response within 21 days.
- 7.13 During the consultation period with the Secretary of State, the Council may suspend the Director of Public Health from their duties following the Council's standard rules and procedures.
- 7.14 Although the Council has a duty to consult with the Secretary of State regarding the dismissal of the Director of Public Health, the Secretary of State cannot refuse the Council permission to dismiss a Director of Public Health.
- 7.15 During the Director of Public Health's employment with the Council, if the Secretary of State believes that Director of Public Health is not properly carrying out any Secretary of State function that has been delegated to the Council, they can direct the Council to review the Director of Public Health's performance, and to consider taking particular steps and reporting back to the Secretary of State.
- 7.16 Before designating another officer as an Interim Director of Public Health, the Chief Executive must take all reasonable steps to ensure that the Interim Director meets the requirements of paragraph 7.9.

8. Appointment and Dismissal of other officers

- 8.1 Appointments of officers who are not Head of Paid Service, Chief Officers or Wider Leadership Team members are the responsibility of the Head of the Paid Service or their nominee and may not be made by elected members of the County Council.
- 8.2 Elected members will not be involved in the dismissal of, or other disciplinary action against, any officer except where such involvement is necessary to assist any investigation or inquiry into alleged misconduct, or where the Council's disciplinary, capability and related procedures, as adopted from time to time, allow a right of appeal to elected members.

9. Powers of Chief Officers in relation to employment matters

- 9.1 Chief Officers, and those members of staff designated as having sub-delegated powers relating to staffing and personnel matters, are nominated by the Chief Executive for the purpose of taking decisions relating to staffing and personnel matters (including disciplinary action) unless:

- The decision relates to the early retirement or redundancy of one or more employees, in which case the appropriate and relevant Council arrangements shall apply.
- The decision relates to a variation in the grade or rate of pay of a post in which case the decision should be dealt with in accordance with the Council's approved procedures for job evaluation.
- The decision relates to a variation in the number and/or nature of Wider Leadership Team posts in which case the decision is reserved to the Chief Executive in consultation with the Leader and Deputy Leader of the Council. For the avoidance of doubt, a variation in nature occurs where a post is changed so significantly that it effectively amounts to the replacement of the existing post with a new post.

9.2 Decisions taken by Chief Officers using the powers delegated to them must be consistent with County Council's policies and relevant legislation.

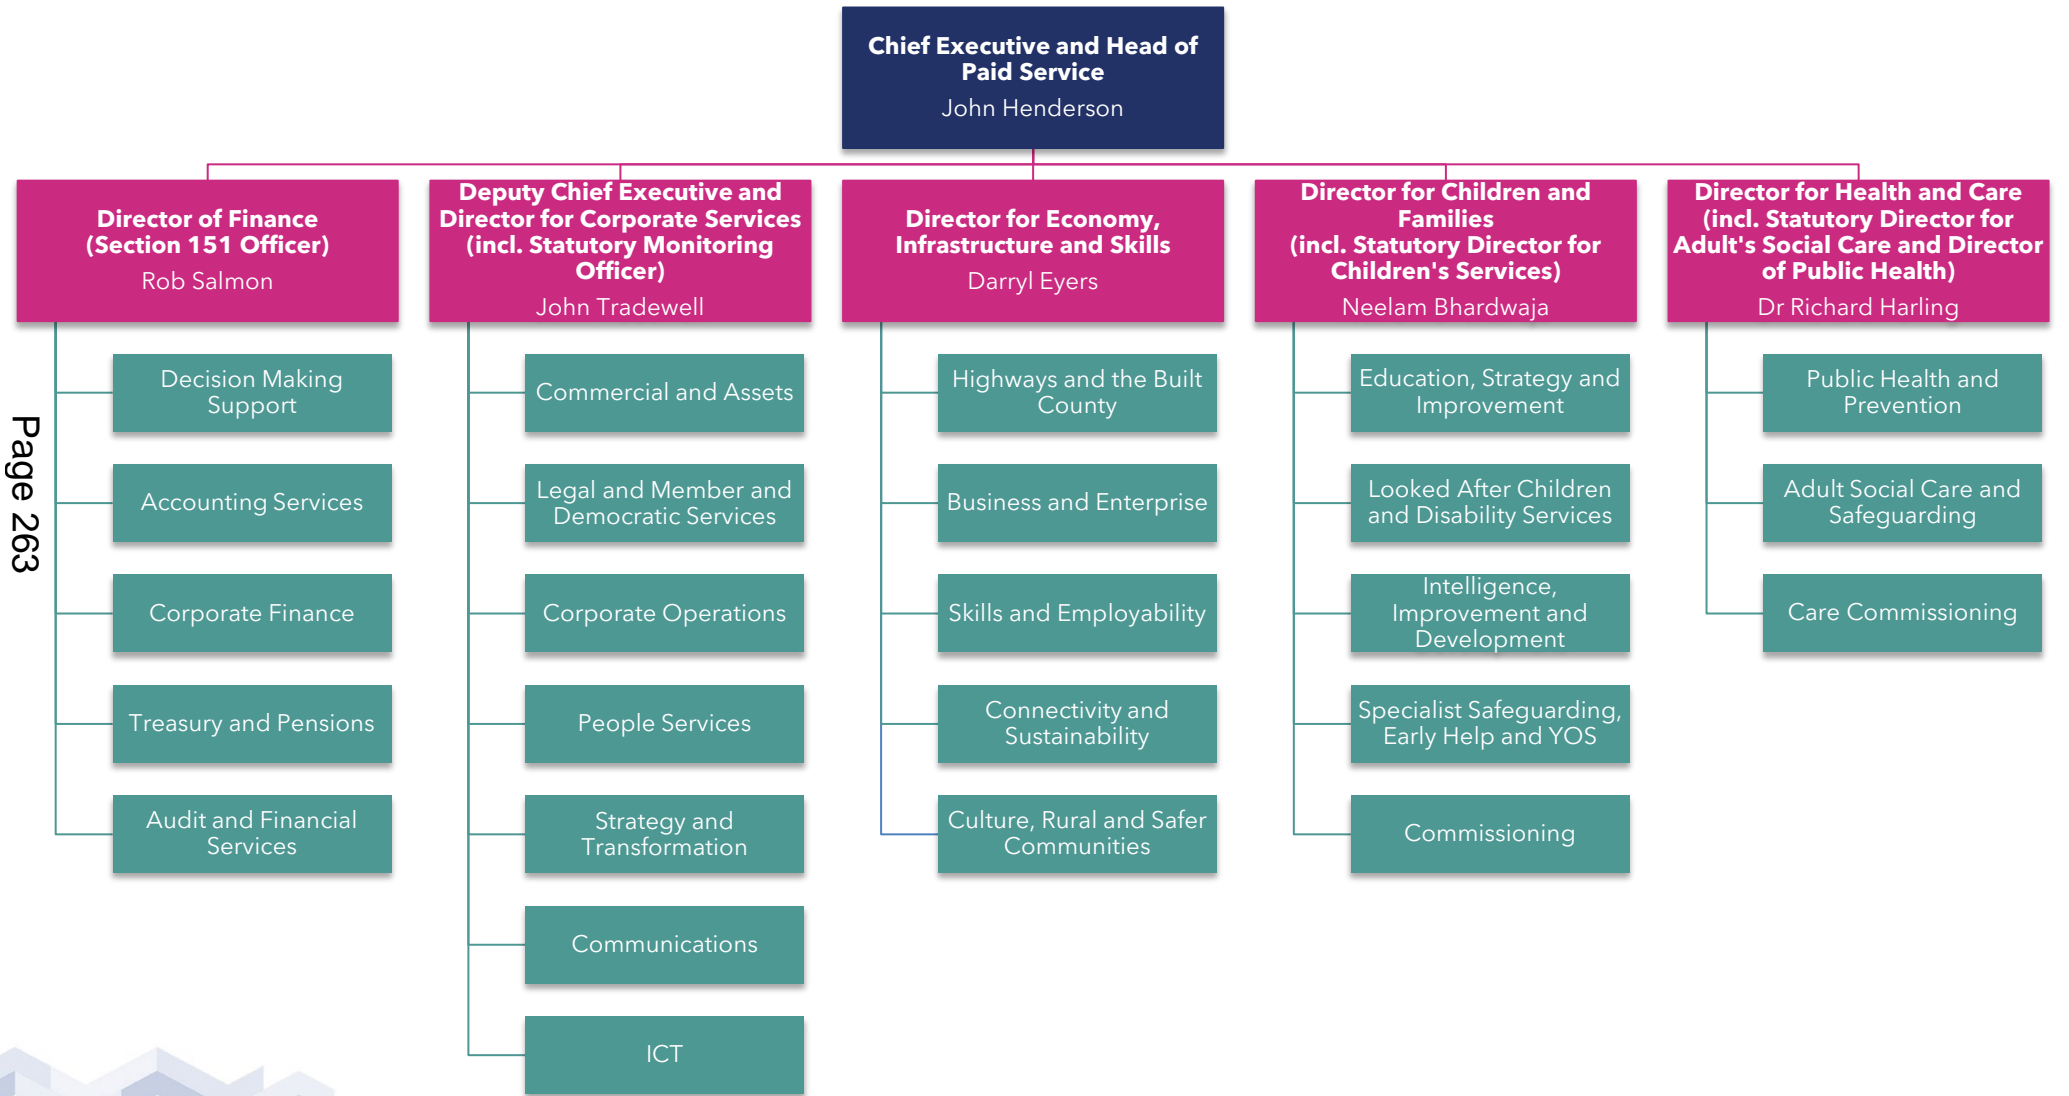

9.3 Honoraria payments for Chief Officers and members of the Wider Leadership Team will be approved by the Chief Executive in consultation with the Cabinet Member responsible for People Services at that time. All honorariums will be reviewed regularly.

9.4 Overseas visits by officers must be approved in advance and before departure by the relevant Chief Officer personally.

9.5 Before authorising discretionary payments to staff under the Local Authority (Discretionary Payments) Regulations 1996, the Local Government Pension Scheme Regulations, the Injury Benefits Scheme or the scheme for the reimbursement of legal costs (violence against staff), Chief Officers must consult the Deputy Chief Executive and Director for Corporate Services and the Director of Finance.

Appendix 5 - Organisation Structure

Appendix 6 - Anti-Fraud, Bribery and Theft Policy

1. Integrity Statement

- 1.1 Staffordshire County Council (the 'Council') recognises its responsibility for the proper administration of its assets and expects. It maintains a zero-tolerance stance against fraud, bribery and theft and is committed to ensuring all Council resources are appropriately protected from loss.
- 1.2 The size and nature of services provided, as with any other large organisation, mean that there is an ever-present risk of loss due to fraud bribery and theft, from sources both internal and external. The Council takes a responsible, long-term view of the need to continuously develop counter fraud, bribery and theft initiatives and maintain its culture of awareness.

2. Objectives

- 2.1 This Policy outlines the Council's approach to minimising the risk of fraud, bribery and theft through the principles of prevention, detection, investigation and seeking all appropriate sanctions.
- 2.2 It applies to all of the Council's activities; its personnel, including all levels and grades, those permanently employed, temporary staff, agency staff, contractors, agents, members, volunteers and consultants. The Council will seek to promote the adoption of policies consistent with the principles set out in this policy as part of its contractual arrangements with partners, joint ventures and suppliers.
- 2.3 The anti-fraud, bribery and theft effort will be supported by members through ongoing commitment to supporting appropriate measures and by oversight of regular reports on fraud, bribery and theft matters to the Audit & Standards Committee.

To find out how to report a concern relating to Fraud, Theft, Bribery or Corruption, please refer to Appendix A.

3. What is Fraud Bribery, and Theft?

Fraud:

- 3.1 Whilst the Fraud Act (2006) (the 'Act') does not provide a single definition of fraud, it may be described as 'theft with deception'. The key characteristics of fraud include an individual acting dishonestly and

with the expectation of either making a gain for themselves or another person, or causing a loss to a third party.

- 3.2 The Act identifies fraud as a single offence which can be committed in three separate ways:

Fraud by false representation

- 3.3 A person dishonestly makes a false representation, intending to make a gain for himself or another, or to cause loss to another or to expose another to a risk of loss.
- 3.4 The legal definition of 'representation' is broad and includes written, verbal and non-verbal communication.

Fraud by failing to disclose information

- 3.5 A person dishonestly fails to disclose to another person information which they are under a legal duty to disclose, and intends, by failing to disclose the information to make a gain for himself or another, to cause loss to another or to expose another to a risk of loss.

Fraud by abuse of position

- 3.6 A person occupies a position in which they are expected to safeguard, or not to act against, the financial interests of another person dishonestly abuses that position, and intends, by means of abuse of that position to make a gain for himself or another, or to cause loss to another or to expose another to a risk of loss.

4 Bribery

- 4.1 Under the Bribery Act 2010, bribery can be committed by individuals under two main offence categories:
- Offering, or paying a bribe to induce or reward improper duty or knowing that acceptance of the bribe would in itself be improper performance.
 - Requesting, agreeing to receive, or receiving a bribe intending that as a consequence improper duty would be performed, or knowing that acceptance of the bribe is in itself improper.
- 4.2 In both instances, the bribe is intended to influence performance of a function, which may be carried out before, at the same time, or after the bribe is paid.

- 4.3 Bribes can take many forms including cash, holidays, event tickets, meals etc. Decisions could relate to, among others, recruitment, the award of contracts, planning consents and other awards. The bribe may be paid directly, or via third parties.
- 4.4 A Local Authority is deemed a 'commercial organisation' which can commit an offence of failing to prevent bribery. It is only possible to defend such an allegation if the Council has put in place adequate procedures designed to prevent persons associated with it from undertaking such conduct.
- 4.5 The Council, or third parties representing the Council will neither accept nor offer bribes to contractors, suppliers or customers and should act with integrity at all times.

5 Theft

- 5.1 Theft is defined in the 1968 Theft Act '*a person shall be guilty of theft if they dishonestly appropriate property belonging to another with the intention of permanently depriving the other of it*'.

Also relevant to this Policy:

6 Money Laundering

- 6.1 The process by which criminals attempt to 'recycle' the proceeds of their criminal activities in order to conceal its origins and ownership and which leaves them with money that cannot be traced back to a crime. The Council's anti money laundering strategy is included in Appendix 2 of Section 13 of the Constitution (Financial Regulations) contained within the Constitution.

Concerns relating to Money Laundering should be reported immediately to the Money Laundering Reporting Officer (MLRO), detailed in Appendix 6a to this policy.

7 Corruption

- 7.1 Corruption does not in itself define a specific crime in the UK, however it is a term used to describe a wide range of unethical behaviour, including fraud and bribery.

8 The Council's approach to managing fraud bribery and theft risks

8.1 In order to minimise the risk of fraud, bribery and theft, the Council adopts an approach that is designed to improve both prevention and deterrence.

9 Risk Assessment

9.1 Internal Audit maintain a fraud, bribery and theft risk assessment and risk register to identify where the Council's most significant risks lie. The register will be regularly updated to take into account emerging risks identified by fraud investigations, intelligence identified internally and by external organisations, and changes to Council processes. Proactive anti-fraud, bribery and theft work will be targeted at the most significant risks facing the Council.

10 Developing and maintaining an anti-fraud, bribery and theft culture

10.1 The Council seeks to maintain an culture which acknowledges its fraud, bribery and theft risks, the processes to be adopted in the event of fraud and publicising the results of fraud investigations. Resources have been identified within the Internal Audit Function to undertake and support this work.

10.2 Internal Audit is responsible for develop and implementing a fraud, bribery and theft awareness plan, giving consideration to the varying needs of elected members, staff (including new joiners), contractors and the public served by the Council to be aware the risks faced.

10.3 Officers responsible for procuring services from suppliers must consider what measures should be put in place to ensure an appropriate level of awareness of this Policy within Suppliers' employees. Advice should be sought from Internal Audit if in doubt.

11 Prevention

11.1 The Council is committed to preventing fraud, bribery and theft through sound governance, internal control and robust employee vetting. The responsibility for implementing adequate internal controls rests with management.

11.2 The Council has developed and is committed to systems and procedures which incorporate efficient and effective internal controls

and which include adequate separation of duties. Service Managers are required to ensure that such controls, including those in a computerised environment, are properly maintained and documented. When existing policies and procedures are being updated, or new processes introduced, advice from Internal Audit should be sought to ensure that the risk of fraud, bribery and theft is minimised.

- 11.3 Managers are expected to consider their risks on a regular basis and adapt the control systems as appropriate. Internal Audit can assist management in this process and advise on preventative controls during both routine work and following investigations where control weaknesses have been identified. Managers are expected to strengthen existing controls where weaknesses have been identified.
- 11.4 Effective steps must be taken at the recruitment stage to establish as far as possible, the propriety and integrity of potential employees. In this regard, temporary employees and contracted staff will be treated in the same manner as permanent employees. Employee recruitment is required therefore to be in accordance with the Council's recruitment policies. Written references are required and relevant pre-recruitment checks performed as stated within the policy document (including amongst others, validation of stated qualifications, Disclosure Barring Service (DBS) checks etc.).
- 11.5 Those organisations undertaking work on behalf of the Council, both Contractors and Partners, are expected to maintain strong anti-fraud, bribery and theft principles. The specific requirements as a minimum include: adequate internal controls in place to minimise fraud, bribery and theft of Council resources, adequate recruitment procedures and controls when they are handling financial information or assets on behalf of the Council and adequate whistleblowing procedures. It is intended that these expectations will be appropriately considered in all contract terms and conditions.
- 11.6 The Council's Internal Audit service will identify areas of fraud, bribery and theft risk and conduct reviews of controls in place focused on the prevention these crimes.

12 Detection

- 12.1 The Council will participate in the exchange of information between itself and outside bodies to assist with the identification of fraud, bribery and theft. Any such exchange of information will be undertaken in accordance with the principles contained in the Data Protection Act 1998. These may include:

- Police
- External Audit
- Local, Regional and National Auditor networks
- CIPFA – Fraud Centre
- CIFAS
- Department of Work and Pensions
- Other Local Authorities
- National Fraud Initiative (now administered by the Cabinet Office)
- Staffordshire Fraud Hub

12.2 The Council's Internal Audit service will undertake a series of proactive fraud detection exercises designed to detect and deter fraud, bribery and theft in high risk areas through identification and verification of high-risk transactions. These include stand- alone exercises targeting areas assessed to be at higher risk of fraud, and regular analytic monitoring of high-risk areas for 'red flag' transactions which are then subject to detailed review.

13 Investigation & Redress

13.1 Fraud, bribery and theft concerns can be reported to the Council by employees, suppliers, and the public using the contact details identified in Appendix 6a.

13.2 SLT members are required by Financial Regulation D4 to report all instances of potential or actual financial irregularity via the Chief Internal Auditor to the Director of Finance for investigation. This will include all allegations of fraud, bribery and theft. An investigating officer will be appointed to assess all allegations and where appropriate lead an investigation.

13.3 Where evidence of fraud or bribery is identified, consideration will be given to all available sanctions. These may include:

- Criminal prosecution, with Police support
- Civil recovery of losses
- Invoking the Council's Disciplinary Procedure, supported by People Services
- Referral of individuals to professional bodies

13.4 The Council's Disciplinary Procedure will be used to facilitate an appropriate investigation of any allegation of improper behaviour by employees of the Council.

- 13.5 It is the responsibility of the Monitoring Officer (Deputy Chief Executive and Director for Corporate Services) to decide, based on the advice from the Director of Finance and the appropriate Senior Leadership Team member, whether there are sufficient grounds for the matter to be reported to the Police. For all allegations of fraud, bribery and theft consideration will be given to internal disciplinary sanctions, reporting to professional bodies, recovery of losses through civil action and criminal sanctions (with the support of the Police).
- 13.6 Where a fraud has occurred, management must consider changes to systems and procedures to minimise the risk of similar frauds occurring in the future. Any investigation may highlight where there has been a failure of supervision or a breakdown or absence of control. Internal Audit will raise recommendations detailing areas for control improvement all relevant sections.
- 13.7 All significant investigations will be reported to the Audit & Standards Committee and may be taken into account when assessing the overall governance arrangements as part of the completion of the Annual Governance Statement.

- 24.2.1 All members of the Council will be entitled to inspect any document (except those available only in draft form) in the possession or under the control of the Cabinet which relates to any key decision unless Paragraph 24.1 (a) or (b) or (c) above applies.

24.3 Additional rights of access to documents for members

- 24.3.1 Subject to the provisions of Paragraphs 19.2 and 19.3 of Section 11 (Procedural Standing Orders) of this Constitution, members of the Council are not entitled to inspect any document which appears to the Proper Officer (Deputy Chief Executive and Director for Corporate Services) to disclose exempt information as referred to in Paragraph 10.4 above, but a member is entitled to inspect a document if the information falls within category 3 therein (except to the extent that the information relates to any terms proposed or to be proposed by or to the authority in the course of negotiations for a contract); or if it falls within category 6 therein.

24.4 Nature of rights

- 24.4.1 The rights of a member are additional to any other right they may have.

Section 13 - Financial Regulations

Staffordshire County Council

Introduction by the Director of Finance

Any major organisation needs a set of clearly understood rules and regulations to manage its financial affairs. So, in line with Section 151 of the Local Government Act 1972, the Director of Finance is responsible for dealing with these affairs.

Section 25 of the Local Government Act 2003 places a duty on the Director of Finance to report to Council about:

- a. whether the proposed reserves will be enough for our purposes; and
- b. how robust the budget is.

Under Section 114 of the Local Government Finance Act 1988, the Director of Finance has a duty to report to Council if any of our officers or members, have:

- a. made, or are about to make, a decision which involves illegal spending;
- b. taken, or are about to take, an unlawful action which has or would result in a loss to the authority; or
- c. made, or are about to make, an unlawful entry in our accounts.

The Director of Finance must also report under Section 114 if it appears that our spending (or proposed spending) in a financial year is likely to be more than our resources (including amounts borrowed).

These financial regulations are part of the county council's constitution and set the framework for dealing with our financial affairs. The parts of the framework are as follows:

Financial regulations - Approved by Council

Schemes of delegation

Delegations to Senior Leadership Team (SLT) members (as set out in the constitution)	Approved by Council
Delegations by SLT members	In line with the framework set by the corporate governance working group
Financial regulations for schools	Approved by the Director of Finance (following a consultation with the Schools Forum)

All documents within the financial regulations try to achieve four main aims. These are to:

- a. make sure there are sound and proper financial procedures and arrangements for dealing with our financial affairs;
- b. make sure that proper controls are in place;
- c. provide a framework for managing our finances and delivering services which will allow, wherever possible, us to link together managerial and financial responsibilities; and
- d. protect our members and employees.

The last point is most important as without clearly defined financial procedures and arrangements, members and employees could find themselves in difficult and vulnerable situations. It is very important that we keep to these policies. If a member or employee breaks them, it may mean a complaint is made against us or disciplinary proceedings are taken against a member or employee.

If you are in any doubt about keeping to these procedures, please consult either your Finance Business Partner, the Corporate Finance Section or the Internal Audit Section for guidance.

Financial Regulation A – General

- A1. These financial regulations form part of the overall financial regulatory framework approved by Council. They apply to the whole organisation, apart from schools. The financial regulations for schools will apply in this case.
- A2. The Director of Finance is responsible for reviewing all matters relating to our financial rules and regulations and so will produce, from time to time, updates to these financial regulations.
- A3. Where appropriate, SLT members must set out in guidance notes the detailed arrangements for putting the financial regulations into practice. The Director of Finance must approve guidance notes before they are applied.
- A4. These regulations will be reviewed by Council at least once every two years after consideration by the Audit and Standards Committee. In the meantime, minor changes can be made by the Deputy Chief Executive and Director for Corporate Services and the Director of Finance in consultation with the Chairman of the Audit and Standards Committee.
- A5. If a member or employee fails to keep to the conditions in all documents shown in paragraphs A1 to A3 above (including our Credit Management Strategy and Anti-Money-Laundering Strategy), we may take disciplinary action against them. This will be dealt with in line with our disciplinary policy and procedure.

Financial Regulation B – Financial Planning, Budgeting and Reporting

Definition

B1. The procedures shown in this section apply to all spending and income. They apply to all our activities (including trading and support services) except for spending and income delegated to schools and any partnerships where we have agreed separate guidance notes.

Principles

B2. Both the budget strategy and how we manage the revenue and capital budgets are based on the principle that the budgets are simply a statement of the strategic plan in financial terms. Any spending we agree to make should be identified through the strategic plan, plans for delivering outcomes and service plans. Using the revenue budget and capital programme, we will decide how and when we meet those needs.

B3. SLT members are responsible for organising how services are delivered to achieve the aims set out in these plans within the resources they have available. Further approval will only be needed if there is a change in how we share the resources between services or if spending proposals involve a new policy or a change to the policy.

Financial Planning

B4. Cabinet will put forward a recommendation to Council, after taking the advice of the Director of Finance, for a medium-term financial strategy (MTFS). This will be developed at the same time as we prepare the strategic plan, plans for delivering outcomes and service plans.

B5. We will prepare these plans after taking account of:

- a. legal requirements;
- b. medium-term planning prospects;
- c. the resources available;
- d. spending pressures, investment needs and savings options;
- e. government guidelines;
- f. community impact assessments;
- g. exit strategies;
- h. cross-cutting issues (where relevant); and
- i. possible risks.

Budget Process

- B6. Cabinet will decide how to use the resources and budget process in a way that takes account of our strategic plan. As well as the revenue budget, these recommendations will also consider the arrangements for deciding our strategy for spending capital funds, including preparing the capital programme and the processes for assessing and prioritising individual projects.
- B7. In preparing the budget, SLT members must keep to the rules, procedures and timetables set by Cabinet.
- B8. Following advice from the Director of Finance, and after consulting the appropriate Overview and Scrutiny Committee, Cabinet will put forward recommendations to Council on:
- a. the net revenue budget, including setting money aside for unexpected events (contingencies);
 - b. how much is to be spent on each service;
 - c. the programme for spending capital and the capital strategy, including financing arrangements;
 - d. an assessment of whether the reserves and balances will be enough and how we will use the reserves and balances to support the budget; and
 - e. council tax levels and the precept charge to be made to individual billing authorities (district and borough councils).
 - f. Financial Health indicators;
 - g. Capital and MRP strategy
 - h. Treasury Management strategy
 - i. Investment strategy
- B9. The report will include comments from the Director of Finance on how robust the budget is and whether the level of reserves are in line with section 25 of the Local Government Act 2003.
- B10. The Director of Finance is responsible for making sure that, as part of the capital strategy, we prepare a capital budget, capital programme and financing plan each year for Cabinet to consider.
- B11. The capital strategy will make recommendations on:
- a. the overall level of the proposed capital budget;
 - b. how we use capital to reflect the needs of individual services;
 - c. how we use capital to tackle our corporate priorities;
 - d. individual projects;

- e. prudential indicator measures including the overall affordability of proposed plans; and
- f. the financing arrangements including borrowing levels, using reserves and using capital receipts.

B12. Within the capital programme framework, Cabinet can consider funding projects from specific centrally held corporate budgets.

Plans for delivering outcomes, service plans and budgets

B13. Producing an appropriate plan is an essential part of good management. Plans need to set clear aims and actions for the future and should include details of the resources needed to deliver the aims set out in the plan. Plans for delivering outcomes will set out how the strategic plan aims will be delivered. These plans will be approved by Cabinet. At service level, SLT members will need to produce plans which set out the main actions, as well as a resourcing plan and budget for that service for the relevant period, which must be agreed by the Director of Finance.

B14. Portfolio holders and SLT members will consult the Director of Finance and produce plans for delivering outcomes. These individual plans will then be presented to members of the relevant Overview and Scrutiny Committee.

B15. SLT members will produce service plans in a format suitable for that service. The plans will include details of the proposed budget and capital investment plans for the services within the relevant areas of responsibility.

B16. The plans should identify investment (or capital) needs as well as the revenue implications associated with delivering the stated aims. Capital spending will normally include spending on buying items, construction, preparation, reclamation, replacing or improving land, roads, buildings and other structures, and (if not paid for from the revenue budget) buying, installing and replacing plant, machinery, apparatus and vehicles. We normally also include furniture and equipment, information technology, landscaping and professional fees if related to a project within a capital budget.

B17. Trading and support services must set out the basis of charges to other services and the planned trading 'surplus' or 'deficit'. For charges to our own services, any increase should be no more than inflation (not including inflation on pay) assumed in the medium term financial strategy (MTFS). If services want to increase charges above this level, Cabinet will need to approve them. The service plan for the trading or

support service must also include proposals for tackling a budget shortfall or for any extra money (surplus). We will need to take account of the effects of any planned shortfall or surplus for a trading or support service as part of the overall plans for the portfolio area.

Project appraisal and prioritisation processes

- B18. We need to carry out a project appraisal for all capital spending no matter where that money is coming from. We cannot include a scheme in the capital programme unless it has been through the agreed appraisal and prioritisation processes.
- B19. SLT members are responsible for making sure there is an appropriate appraisal and prioritisation process for all new investment schemes. This process must be agreed with the Director of Finance.
- B20. The project appraisal should show how the project meets the following conditions. It must:
- a. be supported by a well-thought-out brief which defines the aims of the project and specifies any issues which must be carried out within a certain time;
 - b. be part of an appropriate business case for the proposal including an analysis of options;
 - c. meet the principles set out in the HM Treasury Treasury's Guide to Appraisal and Evaluation in Central Government (The Green Book) as appropriate for the project by the SLT member – see [The Green Book \(publishing.service.gov.uk\)](https://www.publishing.service.gov.uk)
 - d. meet one or more of our strategic priorities set out in the strategic plan in terms of the economic, social or environmental wellbeing of the people of Staffordshire;
 - e. meet one or more of the priorities identified in the relevant plan for delivering outcomes, or be needed to help meet our legal responsibilities or new legal requirements;
 - f. improve one or more of the services' performance measures identified in the strategic plan, plans for delivering outcomes or the service plans;
 - g. clearly show whether it is affordable and improves value for money, including any tax implications it may have (for example, VAT, stamp duty and land taxes);
 - h. show how the project has been assessed against the agreed prioritisation process;
 - i. take account of relevant cross-cutting policies (for example, sustainability, social inclusion, Local Agenda 21); and

j. prove that it can be supported by a clear and achievable funding strategy.

B21. A project may relate to a proposal to tackle a specific theme or issue such as disabled access or traffic calming. It may include a general project on minor improvements or a group of low-value schemes. However, we must be able to produce one project appraisal for each 'grouped proposal', which should include a shared aim. In these cases, an SLT member must have in place a clear process for using resources on individual schemes.

Taking responsibility

B22. We have to have a system in place which sets out the operational responsibilities of our staff. SLT members are responsible for making sure that staff responsibilities are clearly shown in schemes of delegation.

B23. SLT members and the Director of Finance will jointly issue 'accountability statements', which budget holders must sign and return.

The power to spend

B24. Under these financial regulations, SLT members have the power to spend money from the approved revenue budget and capital programme.

B25. SLT members cannot spend money without approval by Council if the spending is not in line with the strategic plan or approved budget. By this we mean spending:

- a. on creating a new policy;
- b. which goes over approved budget levels (see B30 and B31 below);
- c. which is basically transferring resources between budget heads (unless this is covered in the scheme of virement as shown in B37 to B39);
- d. if it involves a major change in the nature of a project as set out in the original project appraisal; or
- e. if it will count against our borrowing limit or will affect the revenue budget if no specific provision has been made in the budget for that service.

B26. SLT members are responsible for making sure that any increase in an estimate for a capital project that happens during the course of the project can be kept within the overall capital budget for that service.

B27. SLT members cannot agree any spending that involves the specific approval of a government department or agency, the European Union or

any other funding organisation until we have received that approval or written assurance that we will get that approval shortly.

- B28. We cannot enter into a lease, hire, rental or similar arrangement that may count against our borrowing limit without the approval of the Director of Finance.
- B29. The Deputy Chief Executive and Director for Corporate Services can decide on urgent matters not relating to a 'key decision' which cannot wait until the next council or cabinet meeting. This also applies to spending in relation to an emergency or disaster to which section 138 of the Local Government Act 1972 applies.

Monitoring and reporting

- B30. SLT members are responsible for making sure they regularly monitor revenue and capital budgets. They must also investigate any variations and take appropriate action to deal with them.
- B31. SLT members must report to Cabinet if they cannot balance spending and resources within the approved budget. Cabinet will consider these reports and, where appropriate, make recommendations to deal with the shortfall.
- B32. SLT members will send monitoring and outturn reports to Cabinet in line with timetables and procedures set by Cabinet.
- B33. The Director of Finance is responsible for producing the annual statement of accounts and for sending it to the Audit and Standards Committee for approval.
- B34. Reports will be made to Overview and Scrutiny Committees on specific issues SLT members feel are appropriate, after consulting the Director of Finance.
- B35. As well as reporting the final position to Cabinet, SLT members must, within six months of a significant project or programme finishing, carry out a review. The review must include an assessment of how far we achieved the project or programme aims, as shown in the project appraisal. The review should assess the process we used to manage the project or programme and report on the final cost. We will also need to consider longer-term assessments, including value for money evaluations and any relevant feedback from any satisfaction surveys, as part of the review.

Scheme of virement and in-year changes to the budget

B36. SLT members can carry out virements between their budget heads as long as:

- a. it does not involve a new policy or policy change;
- b. it does not result in an increasing commitment in future years which cannot be met within the existing approved budget; and
- c. it does not transfer resources between services.

B37. Cabinet can agree to carry out virements which transfer resources between services as long as:

- a. it does not involve a new policy or policy change; or
- b. it does not result in an increasing commitment in future years which cannot be met from existing approved budgets.

B38. Cabinet is responsible for approving virements from contingencies.

Partnerships

B39. SLT members are responsible for making sure that partnership arrangements are approved, carried out, monitored and evaluated in line with our partnership policy.

B40. Cabinet approval must be obtained for Staffordshire County Council to undertake the formal role of Accountable Body for a partnership or other organisation. Where SCC acts as the Accountable Body, the partnership will follow the financial policies and practices in place for SCC, unless otherwise agreed by the Deputy Chief Executive and Director for Corporate Services and Director of Finance.

Financial Regulation C – Financial Standards and Systems

Financial Management Standards

- C1. The Director of Finance is responsible for setting our financial management standards and for ensuring compliance with them.
- C2. The Director of Finance is also responsible for making sure we keep to proper professional practices and accounting policies. They will act as head of profession in relation to standards, performance and development of finance staff throughout the authority.

Systems and procedures

- C3. The Director of Finance is responsible for keeping our main accounting records. These records will be kept on our financial management system – My Finance. SLT members will not use any other system for keeping accounting or other records relating to our finances unless they have written permission from the Director of Finance.
- C4. The Director of Finance, along with SLT members, will make sure that all systems and processes related to My Finance are fully documented and that staff are trained in using them. These systems and processes will include the controls needed to make sure that the information used to update My Finance is complete, accurate, timely and not previously processed.
- C5. SLT members must consult the Director of Finance before introducing or changing any book, form, record, administrative procedure or system used for keeping accounting or other records relating to our finances. They should then act on any advice given.
- C6. The Director of Finance and SLT members will jointly make sure that all accounting records are kept properly and held securely. The records and all related vouchers and documents must be managed in line with our document retention policy for financial records – click on hyperlink below.

[Retention Schedules](#)

Financial Regulation D – Audit, Control and Irregularities

- D1. The Director of Finance is responsible for carrying out a continuous internal audit in line with the Accounts and Audit (England) Regulations 2015.
- D2. SLT members must co-operate with, and provide all necessary information for, the Internal Audit Section and our external auditor in a timely manner.
- D3. SLT members are responsible for setting up effective and efficient arrangements for internal control. They will ask the Director of Finance for advice on any significant matter if the principles of internal control prove difficult to put into practice or maintain.
- D4. SLT members must let the Director of Finance know immediately about all instances of potential and actual irregularity which affect our finances.
- D5. The Director of Finance, or their authorised representative, must be given reasonable access to our property and to see any documents, records and computer files they may need for the audit. They can also ask staff and members for information and explanations if they think this is necessary for that audit and that they are promptly provided.
- D6. Depending on any related legal requirements, the Head of Audit and Financial Services and Chief Internal Auditor will have the right to report directly to the Chief Executive, to any member of Cabinet and the Audit and Standards Committee. Where appropriate responses to audit recommendations have not been made within a reasonable period the Director of Finance may refer the matter to the Audit and Standards Committee for further action.

Response to audit reports

- D7. SLT members must consider and respond promptly to recommendations in audit reports and make sure that any agreed actions arising from audit recommendations are carried out as soon as possible.

Internal control and checks

- D8. The duty of providing information, working out, checking and recording the amounts due to or from us must be separated, as far as possible, from the duty of collecting or paying these amounts.
- D9. Wherever possible, we need to make arrangements to make sure that:

- a. work, goods and services are ordered properly;
- b. we acknowledge when they have been received; and
- c. invoices and accounts are not examined by the same person.

Financial Regulation E - Spending

General

- E1. Depending on financial regulation G3, all payments made on our behalf will be made by the Director of Finance.
- E2. Payments will be made in line with our standard payment policy as set out in the reports of the Director of Finance relating to the medium-term financial strategy.
- E3. In making these payments, the Director of Finance will, where necessary, rely on the certification (electronic or manual) of authorised employees.
- E4. Every employee involved in the procurement process must keep to our Procurement Regulations, Instructions, and the officers' code of conduct as set out in the constitution. Employees in schools must keep to schools' financial regulations and schools' procurement regulations (whichever is appropriate).

Raising an order

- E5. Depending on the requirements of E6 below, you need to raise official orders when asking for supplies, works or services. You must not raise an order after the supplies have been received or the work carried out, unless it is an emergency. If this is the case, an official order marked 'confirmation' must be issued as soon as possible (normally within seven working days of the order being given in person or over the phone).
- E6. You need to raise an official purchase order for all items you buy using the My Finance purchasing module.

There is an approved list of suppliers and expenditure types where it has been agreed that purchase orders are not required and payment can be processed via a non-order invoice raised in the My Finance purchase Ledger. This is called the Non-Order Exceptions list and can be found here: [Non-Order Invoices - Exceptions List \(sharepoint.com\)](#)

The only other reasons for not raising a purchase order are shown below:

- a. payments needed where there is no invoice, for example, grant payments (unless an order is part of the grant conditions), refunds, compensation payments and property rentals if there is no invoice provided by the landlord. Please fill in an EX1 payment if you do not

- have an invoice; [One off payments and non-order invoices \(sharepoint.com\)](#)
- b. payments using a purchase card; and
 - c. other payments approved by the Director of Finance.
- E7. Unless otherwise included under a non-order exception, all purchases require a formal purchase order and provision of a purchase order number.
- E8. Orders raised in My Finance must be either against the catalogue listings or the relevant contract entry first. These will have a contract code prefixed by 'IA'. Where a contract does not exist in My Finance the order is to be placed as free text against the ProClass/Category code relevant (or closest to) to the area of purchase.
- E9. It is not acceptable to use random ProClass/Category codes when placing free-text orders.
- E10. Orders may be rejected internally where they are seen to ignore the contract or relevant ProClass code requirements.
- E11. Where an order is to receive more than one invoice, 'blanket / limit' orders should be considered and implemented.
- E12. All blanket / limit orders raised shall carry on the order suitable wording to ensure suppliers are aware that the order raised is that of the blanket / limit variety and is not a formal commitment of to spend the total amount.
- E13. Users must ensure that the order carries sufficient wording to provide clarity to the supplier as to which set of legal terms and conditions the purchase is referring. All orders raised against a MyFinance contract will automatically carry the IA contract reference number.
- E14. In the absence of any other instructions, all orders issued default suppliers to the standard terms and conditions shown on the Council internet.
- E15. When liaising with suppliers, purchase order numbers should be conversed rather than requisition numbers.
- E16. Requisitions raised may be immediately released as orders where the order value is below any agreed user self-authorisation limit. Alternatively, all requisitions will require approval within MyFinance.

Order Approval Levels

- E17. For Orders at, and over £500,000 officers must obtain the approval of an officer Band B.
- E18. For Orders at, and over, £100,000 and below £500,000 officers must obtain the approval of an officer Band C.
- E19. For Orders at, and over, £3,000 and below £100,000 officers must obtain the approval of an officer Band D.
- E20. For Orders below £3,000 officers must obtain the approval of an officer Band E.
- E21. In line with approved schemes of delegation, SLT members must approve each official order and make sure that:
- a. the spending is for proper purposes;
 - b. the spending can be met from approved budgets;
 - c. we have kept to procurement regulations (for example, the requirement to use centrally negotiated contracts);
 - d. the main fields of the purchase order are filled in correctly (for example, the description of supplies, work or services, and delivery address);
 - e. the spending is charged to the correct cost code (this is included in the order coding and cannot be changed at invoice stage);
 - f. any staff who have delegated responsibility for a budget keep to these instructions; and
 - g. anyone who approves orders arranges for somebody else to do it when they are on annual leave.
- E22. You must never use official orders to arrange work, supplies and services for your own private use.
- E23. If there is a clear business need, an SLT member can self-authorise orders that they have agreed. In other words, you can approve an order you have raised. Self-authorisation is to be used for low value orders up to £500 for staff and up to £3,000 for managers. Officers who are approved to carry out self-authorisation must be included in the relevant service sub-scheme of delegation.

Matching invoices

- E24. SLT members must make sure that effective arrangements are in place to make sure that the supplies, services or work needed have been

received before entering a goods received note into My Finance. Provision should be in place to ensure that goods received notes are entered in a timely fashion.

Receiving Invoices

E25. All invoices should be received centrally and electronically from suppliers on apinvoices@staffordshire.gov.uk

Paying invoices

E26. Unless otherwise stated in current contractual provisions with suppliers, all new contracts and orders to state payment terms of 30 days for all payments to suppliers. The Director of Finance may seek permission from Cabinet to vary these default terms should it be merited by the prevailing circumstances.

General

E27. Payments must not be made against a statement or any document other than a formal invoice unless the Director of Finance agrees. Replacement invoices must be signed as 'not previously passed for payment'. To reduce the risk of duplicate payments, it is important to accurately enter the suppliers invoice reference when posting an invoice.

E28. Invoices should be presented whenever possible in an electronic format (preferably .pdf) and should be submitted to apinvoices@staffordshire.gov.uk

E29. Payment by direct debit, standing order or charge card should not be agreed unless authorised by the Director of Finance.

E30. In all cases, invoices and other supporting documents should be attached to invoices and credit notes registered in the My Finance system.

Certifying invoices

E31. If an order has been raised using the My Finance Requisition and Supplies System module, the invoice will upon receipt be entered onto My Finance by the central Accounts Payable team. Providing a goods received note has been raised against the order, no further certification process is needed unless the value of the invoice is more than the receipted value of the order. If this is the case, the invoice will need further authorisation which will be managed by the My Finance system workflow.

- E32. Entering a goods received note against a purchase order in the My Finance Requisition and Supply will mean the following:
- You have followed procurement regulations and financial regulations and the order has been received to value of the amount receipted;
 - The supplies have been received, examined and approved in line with the specification, and are satisfactory, and the prices and discounts (if any) are correct and meet the conditions of the order;
 - The subsequent invoice can be paid from within approved budgets; and
 - Entries have been made in inventories or stock records, if relevant and appropriate.
- E33. If a non-order invoice payment is being made using the Purchase Ledger module, (see section E6), Except for exceptions agreed by the Director of Finance, invoices will be registered on the system within the central Accounts Payable team. Invoices will then be required to be approved for payment within the relevant business unit in a process managed by the My Finance workflow.
- E34. Certifying an invoice within the My Finance Purchase Ledger module will mean the following:
- You have followed procurement regulations and financial regulations and the account is correct in all respects;
 - The supplies have been received, examined and approved in line with the specification, and are satisfactory, and the prices and discounts (if any) are correct and meet the conditions of the contract quotation or order;
 - The invoice can be paid from within approved budgets;
 - Entries have been made in inventories or stock records, if relevant and appropriate;
 - The invoice has not been previously passed for payment and is due; and
 - The invoice keeps to the VAT requirements of HM Revenue & Customs (see [VAT on Purchases](#) on the intranet).
- E35. Anyone who approves invoices must arrange for somebody else to do it when they are on annual leave.
- E36. Invoices must be entered into My Finance as soon as possible and authorised promptly to meet payment terms and avoid late-payment penalties. Invoices are paid based on the date on the invoice, not on the date they are entered on the system.

Payments in advance

E37. Generally, advance payments are not allowed. However, if a contractor needs paying in advance or a grant payment is needed in advance, then this can be done but only on the agreement of the Director of Finance. The Deputy Chief Executive and Director for Corporate Services must also be told if supplies, work or services are then not provided after making a payment.

Recurring payments

E38. SLT members are responsible for keeping records of regular payments (such as rates and rentals) both for property and equipment. If necessary, they will raise EX1 invoices (see E6) for these payments and make sure that any payments are correct and not duplicated.

Other checks

E39. The Director of Finance has the right to carry out any extra checks they consider necessary either before or after payment. They have the right to check that the procedures laid down for authorising and ordering supplies, work or services and examining accounts have been properly carried out.

Purchase cards (P-cards)

E40. SLT members must make sure of the following for each item bought using the purchase card:

- a. The spending is for proper purposes;
- b. The spending can be met from approved budgets;
- c. The procurement regulations have been kept to;
- d. The spending is charged to the correct cost code;
- e. All transactions are reviewed and approved each month on a timely basis and in accordance with published timescales. [Purchase Cards \(sharepoint.com\)](#). Failure to adhere to the approval process will lead to suspension of the card
- f. The goods have been received, examined and approved in line with the specification, and are satisfactory. The prices and discounts (if any) are correct or the work done or services provided have been satisfactorily carried out, and the materials used (if any) were of the right standard, and the prices and discounts (if any) are correct;
- g. The VAT is accounted for correctly and VAT receipts have been kept; and

- h. Invoices, receipts and other appropriate supporting documents must be retained for all expenditure incurred using a purchase card, preferably as attachments within the purchase card system but if that is not possible as paper records.
 - i. In instances where a card is used to withdraw cash, complete and accurate records of the goods and services purchased with that money must be maintained. Ideally, this record should be attached to the cash withdrawal in the purchase card system together with the invoices, receipts and other supporting documentation.
 - j. An appropriate separation of duties between card holder and approver must be maintained within the purchase card system.
 - k. Purchase cards have not been used to buy work, supplies and services for private use. This includes purchasing alcohol in any circumstance and purchasing food and drink for staff social events.
- E41. SLT members are responsible for any staff who have budgetary responsibility keeping to these instructions. Each card will have single transaction and monthly limits, which the SLT member will set.
- E42. Internal Audit may review a sample of transactions to make sure that purchases are valid, that all transactions have been appropriately authorised and coded, and that VAT has been accounted for correctly.
- E43. SLT members must make sure that there is a procedure in place to avoid mistakenly paying a supplier again when the invoice is received for a purchase-card transaction.
- E44. You can get more information on using purchase cards on the intranet by following the link below.

Payments to employees and pensioners

- E45. The Director of Finance is authorised to pay all salaries, pension benefits and other employment-based payments.
- E46. The SLT member must authorise all appointments, resignations, dismissals, suspensions, secondments and transfers in a form approved by the Director of Finance.
- E47. Each SLT member must let the Director of Finance know as soon as possible and in the form they have approved (including, for example, My HR being updated at source), about all matters which may affect paying items referred to in E28 and E29. This includes:

- a. absences from work for sickness and other absences which affect pay;
- b. changes in pay, other than normal increments and pay awards and agreements which apply to everyone; and
- c. information needed to keep records of service for superannuation, income tax, National Insurance and so on.

E48. All time records or other pay documents must be in a form approved by the Director of Finance and must be confirmed by the SLT member.

E49. All employees must be paid in the most economical way – currently BACS – unless the SLT member approves otherwise in line with guidelines issued by the Director of Finance.

E50. SLT members must make sure that they have processes in place to make sure that payments made to employees are properly due.

Members and staff travelling and subsistence allowances

Travelling and subsistence allowances

E51. SLT members must make sure that all claims for employees' car allowances, subsistence allowances, travelling and other expenses are input into My HR and approved as soon as possible. Expenses entered that relate to a period of time more than three months prior to the claim, will not be paid. Copies of VAT receipts must be kept in business units or establishments in line with our document retention policy.

E52. SLT members are responsible for making sure that employees who use their cars for official business are properly insured against all third-party risks and that the insurance includes indemnity against any loss and are insured for business use.

E53. Before approving claims, SLT members are responsible for checking:

- travelling and subsistence allowances;
- the accuracy of the mileage claimed;
- the purpose of the journeys made;
- the taxable status of the claim; and
- that they have kept to our car allowance regulations, car leasing scheme and any other decisions we have made (if appropriate).

If you have any questions about the taxable status, you must contact the Director of Finance for advice.

E54. The Director of Finance will rely on SLT members to certify and authorise payments for claims.

Allowances to members

E55. Members (including co-opted members), who are entitled to claim travel and other allowances for an approved duty, must send in a claim by using the online electronic claims system. By sending in a claim, the member is confirming that this is a true record of expenses they have paid out. The Director of Finance will make a payment. Members should send copies of VAT receipts to the Member and Democratic Services unit in line with our document retention policy.

E56. The Director of Finance will pay special allowances and basic allowances in line with our instructions.

E57. The Director of Finance will accept a certificate if a co-opted member claiming financial loss declares that:

- a. they have lost earnings of not less than the amount included in their claim; or
- b. they have had to pay extra expenses in employing domestic help or other help because they have been on council duty.

Financial Regulation F – Income (Credit Management Strategy)

F1. Each year SLT members must:

- a. review and make recommendations to Cabinet (or the relevant non-executive committee) about charges for services we provide in line with our powers to charge as set out in relevant laws including the Local Government Act 2003; and
- b. review and put into practice all fees and charges where we have powers to decide on the amount of the fee or charge.

F2. If the SLT member sets or changes any fee or charge that involves a policy change, Cabinet must approve this.

F3. SLT members must manage all money (cash or credit) due to us in line with our credit management strategy (Appendix 1) and the anti-money-laundering strategy (Appendix 2). You must follow detailed procedures relating to collecting income, receipting and banking (as detailed below) at all times.

F4. Terms and conditions of any grants, awards or income streams which place on the council additional financial or reporting obligations or represent a deviation from existing financial management policy need to be approved by the Director of Finance before acceptance.

Collection

F5. After consulting the Director of Finance, SLT members must make arrangements to make sure they record all amounts due to us and for collecting, controlling, banking of and accounting for all money recovered as soon as possible.

F6. SLT members must make sure that, wherever possible, at least two officers are present when post is opened to make sure that postal payments are dealt with properly and recorded as 'received' immediately.

F7. SLT members must tell the Director of Finance as early as possible about all money due to us under contracts, leases, tenancy agreements, agreements for selling property, BACS remittances for grant payments and any other agreements where we receive money.

Receipting

F8. Each officer who receives money on behalf of the council must acknowledge the amounts received in line with procedures prescribed by

the Director of Finance. Receipts should not be given in any form other than the official receipt form. Official receipts for cash payments (not cheques) need only be issued for amounts over £20 or if the customer specifically asks for a receipt. SLT members may use their discretion about whether to issue a receipt for amounts of less than £20.

- F9. All official receipt forms or receipt books, licenses, tickets (of value) and all documents or vouchers representing receipts for money or similar must be in the form approved by the Director of Finance who will control, issue and order them. All stationery of this type must be properly recorded and acknowledged.
- F10. Every transfer of official money from one member of staff to another must be recorded and signed by the receiving officer.
- F11. Each officer who receives money on behalf of the council must also keep records that the Director of Finance decides are appropriate. This includes an accurate account of all receipts and when money was paid into our bank accounts or agents' accounts.
- F12. Personal cheques must not be cashed out of the money held on the council's behalf.
- F13. If cheque payments are presented personally, the officer must make sure that the customer both signs the cheque and writes their address on the back in front of them. If the cheque has already been signed, the customer must then sign and put their address on the back of the cheque.

Banking

- F14. SLT members must pay directly and promptly all money received on the council's behalf, to our bankers or other agents we have approved.
- F15. For the purpose of paying money to the council's bankers, or their agents the Director of Finance will give an officer a paying-in book. No other stationery must be used.
- F16. An officer must add the following information to the paying-in slip – whether electronically via My Finance or on paper paying-in slips:
 - a. The amount of each cheque or postal order;
 - b. Some reference which will connect the cheque or order with the debt or debts (for example, the receipt number or customer's name);
 - c. The reference number of either the customer's account or invoice numbers which related to the payment;

- d. If no customer invoice has been raised, use the codes provided by the Director of Finance, the budget heading to which the income will be paid into and the value to be paid in; and
- e. An idea of the purpose and source of the payment if it does not relate to money which is owed.

Payment by electronic means

- F17. SLT members must contact the Director of Finance before introducing card payment facilities. The Director of Finance will make sure that named staff are given secure access to appropriate facilities and receive relevant training. Any establishment which accepts payment by this method must keep to the banking agreement (especially the conditions on keeping and storing customers' card details).

To comply with the Payment Card Industry (PCI) data security standards, card holder account numbers and sensitive information cannot be retained, for example, the information on the front of a debit or credit card and the CSV (three-digit security code on the back of the card). If the customer has given card details in writing to support a booking or a contractual arrangement, they must be destroyed once payment is processed.

- F18. All commission costs relating to these facilities must be paid from the budget of the portfolio area which is offering them.
- F19. Payment by direct debit is the preferred means in instances where frequent payments are required. In these instances, services should promote and facilitate settlement by this method.
- F20. Direct debit payments will only be collected from customers who have supplied a valid and authorised direct debit mandate.
- F21. Direct debits will be processed in accordance with the requirements of the Direct Debit Guarantee Scheme and those of the Automated Direct Debit Instruction Service (AUDDIS) and the Automated Direct Debit Amendment and Cancellation Services (ADDACS)

Sending customer invoices

- F22. SLT members are responsible for raising customer invoices and credit notes as soon as possible. Managers can only raise customer invoices and credit notes using My Finance. Accounts raised in My Finance will have an invoice number given to them automatically by the system.

- F23. If an establishment does not have access to My Finance, assistant from the business support team or Finance Business Partner should be requested to raise an invoice. Do not issue a manually raised invoice to a customer.
- F24. The date the service is provided should be input into My Finance when raising customer invoices.
- F25. When raising an invoice, a Contact Code should be selected in My Finance in all instances. This is to ensure the invoice recipient has a point of contact within SCC should they have a query or dispute with any aspect of the invoice.
- F26. Supporting documentation must be attached to the invoice in My Finance when appropriate evidencing the calculation of charges, the goods and / or services supplied and any authorisation or instructions to charge.
- F27. Invoices for amounts below £25 should not be issued for non-statutory services. If there is a business need to recover amounts below this threshold, contact the Central Income Team for advice on an appropriate mechanism.

Issuing credit notes

- F28. We can only reduce the amount of an account using an official credit note if the amount was raised by mistake or the invoice contains incorrect information. If the credit note is raised in My Finance, the system will pass the credit note to a designated member of staff for approval.
- F29. If a credit results in changing the VAT originally charged, the credit note must show the full details HM Customs & Excise will need.

VAT

- F30. SLT members must take all practical steps to make sure the correct VAT is charged on income and they should consult the Director of Finance if necessary.

Debt recovery

- F31. SLT members must follow the debt-recovery policy shown in the credit management strategy. They must follow the My Finance Sales Module process as the standard approach to recovering debt. If the My Finance process is not successful in recovering debts, you will need to quickly

refer the matter for further recovery processes as given in paragraph 19 of Appendix 1 – Credit Management Strategy.

- F32. All processes and My Finance transactions to recover debts are on the SCC e-learning platform.
- F33. The Director of Finance will review debt recovery performance and quarterly to Cabinet.

Financial Regulation G - Treasury Management

Banking

- G1. The Director of Finance is responsible for arranging our banking arrangements, including opening and closing of all bank accounts.
- G2. Only the Director of Finance and staff duly authorised under the Council's bank mandate arrangements will transfer funds electronically by CHAPS, BACS or Faster Payments, through the banking providers platform. International Payments will also be made in exceptional circumstances.
- G3. All other payments we make (see E1), will be made by BACS or through the Council's finance system or in certain circumstances a cheque, signed by the Director of Finance.

Treasury management

- G4. We keep to CIPFA's Code of Practice for Treasury Management in the Public Services.
- G5. Council is responsible for approving the following matters, after consideration by Cabinet:
- a. borrowing limits and prudential indicator measures in line with the Local Government Act 2003 and the CIPFA Prudential Code;
 - b. the Annual Investment Strategy (AIS) for treasury management and any necessary updates; and
 - c. any revised CIPFA Code of Practice and Treasury Management Policy Statement.
- G6. Cabinet is responsible for approving the annual treasury management strategy (to include borrowing and investment strategies) and will receive reports on policies and activities on treasury management, including, at the least, a mid-year review and a yearly report in the form set by our treasury management practices (TMP).
- G7. The Corporate Overview and Scrutiny Committee is responsible for making sure we consider and check all activities linked to treasury management.
- G8. The Director of Finance is responsible for carrying out all activities linked to treasury management. More specifically, they will carry out these responsibilities in line with CIPFA's Code of Practice for Treasury Management in the Public Services and CIPFA's Prudential Code and

government regulations and guidance. The Director of Finance has delegated certain activities to other members of staff under a specific scheme of delegation.

G9. In carrying out the above responsibilities, the Director of Finance will do the following:

- a. act in line with these Financial Regulations and CIPFA's Standard of Professional Practice of Professional Practice on Ethics;
- b. review and update the Treasury Management Policy Statement;
- c. prepare suitable practices setting out the way in which we will achieve the aims of our policies on treasury management and presenting how those activities are managed and controlled;
- d. in terms of b and c above, they will follow the recommendations in sections 6 and 7 of CIPFA's Code of Practice for Treasury Management in the Public Services. However, they may make changes where necessary to reflect our particular circumstances. These changes must not result in us moving away from the code's main principles;
- e. prepare the yearly treasury management strategy at or before the start of each financial year for Cabinet to approve and the annual investment strategy linked to this for Council to approve;
- f. report the outcome of all activities related to treasury management. This will be, at the least, a yearly outturn report and a half-year monitoring report for approval by Cabinet; and
- g. act as Chair of the Treasury Management Panel.

G10. The Treasury Management Panel will be made up of treasury staff and senior officers. They will:

- a. help the Director of Finance with their responsibilities as above;
- b. regularly monitor performance against borrowing limits and prudential indicator measures and ask for approval for changes to those limits if this is needed;
- c. agree the practical ways the yearly treasury management strategy will be put into practice;
- d. receive audit reports on activities linked to treasury management;
- e. consider and propose changes to policies and limits as a result of changes in the economic or financial climate if Council and Cabinet approve;
- f. approve changes to the scheme of delegation which relate to treasury management; and
- g. each year, assess the quality of the external service provider appointed to provide us with treasury advice.

- G11. The Director of Finance can take urgent decisions, including changes to limits or strategy after consulting a nominated portfolio holder. An urgent decision which affects a previous Cabinet decision will be reported to Cabinet, and if necessary to Council, with an explanation for the action taken.

Financial Regulation H - Assets

Land and buildings

- H1. The Director of Finance will keep a register of all properties we own or use.
- H2. The Deputy Chief Executive and Director for Corporate Services is responsible for making arrangements for looking after all title deeds and formal contract documents.
- H3. SLT members are responsible for looking after the assets they manage and must make sure that properties are safe, watertight and comfortable.
- H4. The Deputy Chief Executive and Director for Corporate Services must send to Cabinet and the Property Sub Committee a corporate property strategy and the asset management plan. This will make sure we review assets regularly to identify properties that are underused and no longer needed.

Vehicles

- H5. The Deputy Chief Executive and Director for Corporate Services will keep a record of all vehicles we own and lease.

Stocks and stores

General

- H6. SLT members are responsible for keeping proper records and for looking after stocks and stores.
- H7. SLT members are responsible for deciding upon and maintaining efficient levels of stock. They will need to make sure that these levels continue to be appropriate.

Records

- H8. We will need a delivery note signed by the person receiving the supplies for every delivery at the time of the delivery. All supplies must be checked and inspected for quality and suitability as soon as is practical after they are delivered. The quantity of supplies delivered must be checked at the time of delivery.

- H9. SLT members must give the Director of Finance any returns in connection with stores records, or cost records needed to complete our accounting and financial records. The Director of Finance, after consulting the SLT member concerned, will decide the method to use to value stores.
- H10. Anything issued from the stores must be supported by a requisition note signed by an authorised officer. This must give the quantity of goods needed. The stores officer will provide a receipt for stores issued on a stores issued note.

Checking stock

- H11. On 31 March each year (or a date agreed by the Director of Finance) a responsible officer independent from the storekeeper must carry out stocktaking. That officer will be responsible for making sure that the actual stock agrees with the stock records. This yearly stock take is not needed if the Director of Finance is satisfied that the stores area runs a satisfactory system of continuous stocktaking.
- H12. Stock sheets or stock records must be signed by or on behalf of the SLT member and certified that the details and prices shown are correct. Each SLT member must send the Director of Finance certificates relating to stocks and stores.
- H13. Whenever a storekeeper or person in charge of stores hands over, leaves or no longer has custody of stores, the SLT member must, wherever practical, check the stores concerned and sign the stock sheets.

Levels of stock

- H14. SLT members may write off stock up to an individual limit of £2,500. Stocks written off will then be subject to procurement regulations for disposal. Amounts over this figure will need approval from the Director of Finance. For audit purposes, SLT members must keep full documents of all stock written off in this way.
- H15. SLT members may sell spare stock. Please see H25 to H32.

Inventories

- H16. SLT members must keep inventories of fixed plant, machinery, furniture and equipment. The Head of ICT will keep inventories of hardware and software.

- H17. At least once a year, SLT members are responsible for checking that all items on the inventory are accounted for.
- H18. The Director of Finance will decide how much of our property information is recorded and the form in which the inventories (administrative or computerised) must be kept and write-offs recorded.
- H19. Our property must not be removed unless it is in the ordinary course of our business. Council property can only be used for council purposes unless an SLT member issues specific instructions otherwise.
- H20. Whenever an employee hands over, leaves or is no longer responsible for any of our property which is entered on an inventory, the SLT member must, wherever possible, check that property and make sure a handing-over certificate is signed by the outgoing and incoming employees.
- H21. The Director of Finance or their representative will have access to all our property and to the inventories and any relevant documents.

Security

- H22. SLT members are responsible for arranging proper security for all assets and records under their control.
- H23. All employees must keep to our Information Technology Acceptable Use Policy.
- H24. The person responsible must keep on them any keys to safes, cash boxes, and other places in which money or valuables are stored. If any keys are lost, this must be reported to the Director of Finance immediately.

Selling spare supplies and stock

- H25. SLT members are responsible for dealing with any spare supplies they do not need (except ICT and electrical equipment).
- H26. The same competitive process for buying supplies, services and work must also be applied to selling spare supplies. (See the procurement regulations for more instructions.)
- H27. SLT members must get professional advice if they are in any doubt when making valuations.

- H28. SLT members can consider selling spare supplies by auction instead of sealed bids, but they need to make sure they have evaluated the full cost of the process and the commission that will be due.
- H29. The SLT member should normally accept the highest value offer without conditions unless they feel an offer with conditions gives better value to us.
- H30. The route by which supplies, except for ICT electrical or mechanical items, may be disposed of, including potential sale should be discussed with a procurement advisor and included within the sourcing strategy and approved in line with procurement regulations authorisation limits.
- H31. SLT members may set a reserve price before offering the supplies for sale. If the reserve value is not met, do not sell the supplies and advertise them again. A person setting the reserve price cannot privately bid for the item.
- H32. SLT members must not release any items sold before we receive payment. If payment is made by cheque, this must be cleared before we release the items.

Intellectual Property

- H33. Intellectual property is a generic term that includes inventions and writings. If these are created by an employee during the course of employment, then as a general rule they belong to the employer, not the employee. Various Acts of Parliament cover different types of intellectual property.
- H34. It is possible that some activities undertaken within the County Council may give rise to items which may be patentable. These are collectively known as intellectual property.
- H35. SLT members should ensure that advice from Legal Services is sought if a piece of intellectual property is identified.
- H36. Managers should ensure that there are no conflicts concerning staff conducting private work in County Council time.

Financial Regulation I – Insurance and Managing Risk

- I1. The Director of Finance is responsible for arranging appropriate insurance cover for risks which are not self-insured. If appropriate, the Director of Finance will consult SLT members before arranging cover.
- I2. Unless we say differently in agency agreements, the Director of Finance will negotiate claims with insurers.
- I3. The Director of Finance is responsible for co-ordinating activities linked to managing risk across the county council.
- I4. SLT members must tell the Director of Finance as soon as possible about all new risks, properties or vehicles that need to be insured and about any changes which affect existing insurance.
- I5. SLT members should make sure that officers involved in insurance claims do not admit liability as this will affect our insurance cover.
- I6. SLT members must immediately write to the Director of Finance about any loss, liability or damage or any event likely to lead to a claim.
- I7. SLT members must consult the Deputy Chief Executive and Director for Corporate Services and the Director of Finance about the terms of any indemnity we are asked to give.

Financial Regulation J – Other Funds

General

- J1. Voluntary and trust funds, and any related bank accounts, should be operated in line with any detailed instructions issued by the Director of Finance.

Voluntary funds

- J2. Each SLT member must keep a record showing the purpose and nature of all voluntary funds held by their staff in the course of their duties. They must make sure that the reporting arrangements agreed by the voluntary fund are followed and, where appropriate, checked by an independent person. The Director of Finance is entitled to check the voluntary fund reporting arrangements and reports and accounts produced as they feel are appropriate.

Trust funds

- J3. All members and employees acting as trustees because of their official position must make sure that accounts are audited and sent to the appropriate organisation each year. The Director of Finance is entitled to check that this has been done.

Appendix 1 - Credit Management Strategy

Aims and overview

1. The aim of this strategy is to make sure we receive all of our income by improving cash flow and reducing the level of bad debts.
2. The strategy is based on the following principles:
 - wherever possible, we will provide services on a pay-as-you-go basis;
 - we will offer customers, clients and service users a range of appropriate payment methods;
 - unless there are special circumstances, all portfolio areas must keep to the standard debt collection policy;
 - all portfolio areas will use active processes to collect income. The Central Income Team must follow the My Finance accounts Sales 2 Cash process as the standard approach to recovering debt. If the My Finance process has been unsuccessful in recovering debts, they must be passed for further recovery processes as described in paragraph 19 below;
 - processes for resolving customer queries and disputes must keep to our customer complaints, compliments and comments policy and any other complaints procedures which apply by law; and
 - we will regularly monitor our performance in collecting income and collecting debts against agreed performance standards and targets.

The main responsibilities

3. SLT members are responsible for setting detailed arrangements for collecting income and recovering debts which meet the strategy, including performance standards.
4. The Central Income Team is responsible for:
 - reviewing the credit management strategy;
 - drafting appropriate performance standards;
 - monitoring performance against those standards;
 - organising appropriate and cost-effective payment methods;
 - managing IT systems for collecting income and recovering debts;
 - monitoring what is provided for bad and doubtful debts;
 - providing an enquiry officer and designated debt-recovery;
 - providing a debt recovery service;
 - receipt, collection and banking of all postal income and payments into SCC's main bank accounts; and

- management of cash carrier and collection service provided to SCC establishments contract.

5. The Director of Finance is responsible for:

- approving the strategy and associated instructions;
- approving performance standards and monitoring performance against these standards; and
- approving changes to the strategy to reflect specific circumstances.

Charging for services

6. Traditionally we have raised invoices for collecting income for the services we provide and only collected cash without an invoice at the point of service delivery or in advance if the amounts due are relatively small.

7. By developing facilities so our customers can order services over the internet or by phone and face-to-face front office services gives us the opportunity to review that approach and, where appropriate, offer services on a pay-as-you-go basis.

8. We have developed an e-payment facility which allows our customers to make payments over the internet, automated telephony and through the SCC Contact Centre using credit and debit cards. The ability to accept credit and debit card payments also allows us to introduce, where appropriate, facilities for taking payment at the point of delivery.

9. SLT members must take all practical steps to satisfy themselves that the correct VAT rate has been used and they should contact the Director of Finance if they need to about this.

Payment methods

10. We will aim to offer the following payment methods to our customers depending on the service provided:

- payment by cash, cheque, debit or credit card (chip and pin) when goods or services are ordered or at the point of delivery;
- payment over the internet by debit or credit card when goods and services are ordered;
- payment over the phone by debit or credit card when the service or goods are ordered;
- payment by cash, cheque, debit or credit card (chip and pin) at one-stop shops when the service or goods are ordered;

- payment by Giro credit at banks;
- paying invoices over the internet, by automated telephone payment, over the phone or in person at SCC establishments and by post by cheque;
- where appropriate, payment by Direct Debit or standing order; and
- Payment direct into our County Fund bank account by BACS and CHAPS transfers.

Debt-recovery policy

11. SLT members are responsible for promptly raising customer invoices and credit notes. Service areas can only raise customer accounts and credit notes using My Finance. Accounts raised in My Finance will have an invoice number given to them automatically by the system. There must be a clear description of the service (goods) provided, and payment terms and methods.

(By promptly, we mean within 30 days of supplying the goods or services, unless business units have taken their own recovery action before we issue a formal invoice, for example for libraries and nursery services.)

12. If your establishment does not have access to My Finance, you must ask your business support team or Finance Business Partner to raise your customer invoice. Do not issue a manually raised invoice to a customer.

Procedures for budget holders

13. When raising a customer invoice, you must enter into My Finance the date the service is provided.
14. Do not raise a customer invoice for amounts below £25 for non-statutory services. If there is a business need to recover amounts below this threshold, contact the Central Income Team for advice on an appropriate mechanism.
15. When you have raised an invoice, you should actively aim to collect the amount due.
16. Ensure that when raising an invoice a Contact Code is selected in My Finance, this is to ensure the invoice recipient has a point of contact within SCC should they have a query or dispute with any aspect of the invoice.

17. Invoices will say that the payment is due within the 28 days of the date on the invoice.

18. The Central Income Team will set an appropriate timescale for collecting each category of debt. The minimum standard is shown below.

- 5 days overdue - First reminder letter
- 19 days overdue - Final demand
- 33 days overdue - Start the debt-recovery process

My Finance will automatically follow the appropriate standard cycle.

19. Once the debt is 33 days overdue, the debt recovery officers based in the Central Income Team will review the debt and, where appropriate, contact the debtor by phone. If it is unlikely that we will receive immediate payment, consideration will be given to do one or a combination of, the following. This will be based on knowledge of both the customer and the nature of the debt:

- telephone and letter chasing up to the issue of the formal Letter Before Action (court approved document);
- if the customer is an individual and lives in Staffordshire, could the matter be referred for a visit;
- if the customer is either an individual living outside of Staffordshire or any commercial organisation (wherever they may be based), could the matter be referred to the debt-recovery agency;
- the matter may be referred for legal action at any point; and
- the matter may be referred to other local visiting officers, for example, a vulnerable client's social worker or other visiting staff used within portfolio areas.

20. If a debt has still not been paid after 90 days from the invoice date, we will consider making provision for the bad debt and if appropriate action the writing off of the amount to the revenue account.

21. The above procedures are a framework which should apply to all types of debt. However, we know that different categories of debt and different types of customer may need us to use other recovery cycles. Any change from the standard cycle must be agreed by the Director of Finance.

Taking an active approach to collecting income

22. This approach involves discussing the debt with the customer before the due date for payment. The main aim is to make sure that the customer is satisfied with the goods or services provided or to identify any possible

disputes the customer may have and to sort them out before the due date for payment.

23. You should target this action, as it is not cost-effective to apply it to every customer. To help with the process, the system will create management reports which analyse the invoices raised the previous week by category and value.
24. The Central Income Team will provide a single point of contact for the recovery of debts with other public organisations such as Staffordshire districts and other large public organisations.

Sorting out customer queries and disputes

25. Controlling and sorting out customer queries and disputes is an essential part of good customer service.
26. As a result, each portfolio area should have in place a system or procedure for identifying, recording and dealing with customer queries and disputes. This must keep to our customer complaints, compliments and comments policy and any other legal complaints procedures.

Action by the enquiry officer or debt-recovery agency

27. The enquiry officer will try to get payment in full, or if instalments have previously been arranged, will try to persuade the customer to start making payments again. They will also assess the customer's circumstances. They will give debt recovery officers progress updates during the ongoing investigation and produce a short report of recommended action at the end of each case.
28. The matter may be referred to the enquiry officer, where appropriate, before considering legal action. The enquiry officer's report will show whether or not legal action would be successful. The enquiry officer will also support the legal recovery process to recover money due after successful legal action.
29. If other attempts to get payment from either individual or commercial customers have failed, the debt may be referred to a debt-recovery agency. This will be done through the Central Income Team.
30. Cases may be referred to the recovery agency, where appropriate, before considering legal action. The debt-recovery agency will supply progress updates on referred cases and a final written report for each case.

Legal action

31. Prior to legal action being taken, the service may be contacted to ensure that all the supporting evidence has been collected and is available. We have included the minimum information we need for specific types of debt in the Legal Services procedural notes.
32. The minimum value of a debt for referral for court action is £250. However, debts below this minimum value can be referred and the Central Income Team will consider whether court action is appropriate. A formal letter will be issued before we take any action. Debt recovery officers can issue the court-approved letters before action.
33. If a customer has outstanding debts with more than one portfolio area, the customer will be sent a single claim covering all debts.
34. If a judgment from the court has not been made but instalments have been agreed after a referral, the relevant debt-recovery officer will monitor these. If a judgement has been made and instalments agreed in court, these cases will be monitored by the Central Income Team.
35. My Finance will be updated with the relevant query markers depending on the outcome of the referrals.

Writing off debts and bad debt provision

36. SLT members must introduce written policies, agreed by the Director of Finance, setting levels for authorising write-offs.
37. SLT members can write off a debt if a valid debt or outstanding balance cannot be collected as opposed to credit notes that are used if a debt is not valid or to correct invoices as a result of a mistake. Debt recovery officers in the Central Income Team can write off amounts under £25 so long as they can demonstrate due process in recovery has been followed.
38. SLT members can write off debts up to £10,000 for each customer if this is authorised in writing. Debt-recovery officers must not input write-offs into My Finance until they have written authorisation. SLT members cannot write off bad debts over this figure without the approval of the Director of Finance.
39. SLT members can identify debts as write-offs using the following mechanisms:
 - Recommendation by Legal Services;

- Recommendation by the enquiry officer or recovery agency;
- Recommendation by portfolio area budget holders;
- Recommendation by Central Income Team;
- Recommendation by local visiting officers; and
- Central Income staff if a bankruptcy case has been formally closed and no further amounts are due from the customer.

40. Each year, the Central Income Team will prepare a list of possible bad debts and send it on to Accountancy by the dates shown in the closedown timetable. The Income Manager and Senior Corporate Accountant can, based on their service knowledge, increase or reduce this figure if appropriate.

Issuing credit notes

41. We can only reduce an account by issuing an official credit note if the invoice was raised by mistake or it contains incorrect information. If the credit note is raised in My Finance, the request will need to be approved by the appropriate officer via workflow.

42. If the credit note relates to non-My Finance or migrated legacy SAP issued customer invoices, it will only be issued by the Director of Finance upon written instruction from the debt recovery officer or budget holder. The written instruction must be attached to the My Finance transaction.

43. If a credit results in changing the amount of VAT originally charged, the credit memo must show the full details HM Revenues & Customs will need.

Monitoring performance

44. The quality of service we provide is most important. It is essential that we reflect this commitment to quality in the billing and recovery process.

45. Cabinet will set standards to measure performance and will monitor against these standards on a quarterly basis.

Appendix 2 - Anti-Money-Laundering Strategy

1. We will do all we can to:

- prevent us and our employees from being exposed to money laundering;
- identify the possible areas where it may happen; and
- comply with all legal and regulatory requirements, especially in terms of reporting actual or suspected cases.

The main points:

- We are committed to preventing, detecting and reporting money laundering;
- All employees must be on the lookout for the signs of money laundering;
- Any employee who suspects money laundering is taking place must report this promptly to the Money Laundering Reporting Officer (MLRO);
- We will not accept a payment in cash if it is more than £2000; and
- The Money Laundering Regulations are detailed and complicated – if you are in any doubt about how to follow the strategy, please contact the MLRO, Deborah Harris, Chief Internal Auditor: Email: deborah.harris@staffordshire.gov.uk / Tel: 01785 276406

Scope

2. This strategy applies to all our employees and members and aims to maintain standards of behaviour which currently exist within the council by preventing money laundering. The strategy sets out the procedures which must be followed (for example, reporting suspicions of money laundering).

3. This strategy should be considered alongside the Whistleblowing and Anti-Fraud, Bribery and Theft Policies.

Background

4. The law which comprises the UK Anti Money Laundering (AML) Legislation Framework is contained in the following legislation and relevant amending statutory instruments:

- The Proceeds of Crime Act 2002 (POCA) as amended by the Serious Organised Crime and Police Act 2005 (SOCPA).
- The Terrorism Act 2000 (TA 2000) (as amended by the Anti-Terrorism Crime and Security Act 2001 (ATCSA) and the Terrorism Act 2006 (TA 2006)).

- The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 (the 2017 Regulations).
- Terrorist Asset-Freezing Act 2010.
- Anti-terrorism, Crime and Security Act 2001.
- Counter-terrorism Act 2008, Schedule 7.
- The Criminal Finances Act 2017.

POCA and TA 2000 contain the offences that can be committed by individuals or organisations. The 2017 Regulations set out the systems and controls that businesses are obliged to possess, as well as the related offences that can be committed by businesses and key individuals within them.

What is money laundering?

5. Money laundering is the term used for a number of offences involving the proceeds of crime or terrorism funds. The purpose of money laundering could be to:

- possess the proceeds of one's own crime.
- the transfer of criminal property between individuals or groups.
- concealing criminal property or entering arrangement to assist in the concealment of criminal property.

The following acts amount to money laundering:

- concealing, disguising, converting, or transferring criminal property or removing it from the UK (section 327 of POCA).
- entering into or becoming aware of an arrangement which you know or suspect involves gaining, having, keeping, using, or controlling criminal property by or on behalf of another person (section 328 of POCA); and
- gaining, using, or possessing criminal property (section 329 of POCA).

These are the primary money-laundering offences, which can be punishable by a sentence of up to 14 years imprisonment and/or an unlimited fine.

6. There are also two secondary offences:

- failure to disclose any of the three primary offences: and
- tipping off. Tipping off is where someone lets a person or people who are, or who are suspected of being, involved in money laundering know that they are under suspicion and this will reduce the likelihood of them being investigated or it will unfairly affect the investigation.

These secondary offences are not considered to have been committed if (i) the persons involved did not know or suspect they were dealing with the proceeds of crime, (ii) if a report of suspicious activity is promptly made to the MLRO or the National Crime Agency, (iii) if there is a reasonable excuse for not reporting the activity (e.g. concern for personal safety) and, (iv) in certain situations only, when the activity took that gave rise to the criminal property took place in a Country where the activity would be considered legal and would have resulted in a maximum sentence of less than 12 years had it taken place in the UK.

7. Whilst the AML Legislation Framework only places obligations on regulated businesses to report concerns, the Council's position is to comply with the legislation as good practice in preventing financial crime. This strategy sets out how any concerns of money laundering should be raised.

8. Money laundering typically requires the following stages of activity:

- placement – "Dirty" money is placed into a financial system (e.g. paid to the Council).
- layering – The proceeds of crime is are moved through a series of financial transactions, making it harder to establish their origin. The Council be used as one or more of these transactions; and
- integration – the money launderer creates a legitimate explanation for the source of funds, allowing them to be retained, invested into the legitimate economy or to acquire assets.

9. This strategy sets out how any concerns should be raised.

Strategy statement

10. Our strategy is to do all we can to prevent, wherever possible, us and our employees being exposed to money laundering. We must also identify the potential areas where it may happen, and keep to all legal and regulatory requirements, especially in terms of reporting actual or suspected cases. However, we cannot stress too strongly that it is every employee's responsibility to be vigilant.

11. The following list identifies possible warning signs that may highlight areas you should be concerned about.

- Large cash payments. You must not accept a cash payment if it is more than £2000 (cash is defined as notes, coins, or traveller's cheques in any currency).
- No reasonable explanation for a transaction taking place, for example an unnecessary overpayment and subsequent request for refund.
- Individuals who are happy to enter into an apparent bad deal for them which appears to make little financial sense.
- A sudden change in the pattern of activity.
- Financial arrangements taking place across a number of different countries' legal authorities (jurisdictions).
- Funds being unnecessarily passed through third-party accounts.
- Using offshore accounts, companies, or structures if this is not really needed in economic terms.
- Concerns about honesty, integrity, identity, or location of the client.
- Secretive behaviour e.g. unexplained refusal to provide information.
- Instructions for settlement payments to an unexpected source.
- Significant overpayments and subsequent request for refund.
- Refunds following the cancellation or reversal of an earlier transaction.
- No obvious legitimate source of funds.
- Poor business records or internal accounting controls.

12. The following areas represent our operations which are at the greatest risk of money laundering:

- Treasury Management;
- Legal Services;
- Property Sales;
- Accountancy;
- Public Reception Areas;
- Traded Services.

This is not a full list and all staff must be aware of possible cases.

The Money Laundering Reporting Officer (MLRO)

13. The MLRO is responsible for ensuring appropriate compliance with the AML Legislation Framework. To do this, the MLRO should ensure they keep up to date with the latest requirements of the AML Legislative Framework and how these should influence Council policies and processes.

14. The MLRO and Deputy MLRO are responsible for being aware of when Suspicious Activity Reports should be made to the National Crime Agency.

15. Under the 2017 Regulations, organisations should apply a risk-based approach to dealing with Money Laundering. To comply with this, the Council will conduct a formal money laundering risk assessment exercise, which will be reviewed on an annual basis. The risk assessment will be updated as emerging or decreasing risks are identified.
16. Where risks are identified, consideration will be given to policies and procedures in place to identify potential money laundering, including employee knowledge of requirements.
17. Risks considered must include both individual service users of the Council, suppliers, and customers of the Council's services.
18. All relevant staff should have appropriate knowledge of how to identify potential money laundering, and what to do if they identify a concern. This will be co-ordinated by the MLRO and may include written briefings or face to face training to ensure the Council's staff have relevant knowledge to meet the Council's obligations under the AML legislative framework.
19. The Risk Assessment will be periodically distributed for discussion at the Corporate Governance Working Group and approved by the Deputy Chief Executive and Director for Corporate Services.

Procedures and Guidance for All Staff

20. While the risk to us of breaking the law is low, it is important that all employees know their responsibilities. The main requirement is to promptly report any suspected money laundering activity to the money laundering reporting officer (MLRO). If you are in any doubt about putting our policy on money laundering into practice, please contact the MLRO or the Deputy MLRO.

21. If the named MLRO or Deputy are not available, please refer the matter to the Fraud and Corruption Reporting Line / 0800 7311890 or email fraud@staffordshire.gov.uk

22. Employees are protected from liability under any other legislation (e.g. the data protection act) when they report suspected money laundering, as long as the information came to their attention in the course of their trade or profession, gives reasonable grounds for suspicion that another person is engaged in money laundering, and the disclosure is made to a constable, customs officer or nominated MLRO.

Cash payments

23. You must not accept a cash payment if it is more than £2,000 (cash is defined as notes, coins, or travellers' cheques in any currency).

Reporting

24. If you suspect money laundering, you must report it promptly to the MLRO or to their deputy. The MLRO will send you the appropriate forms to fill in as part of the reporting process. If you would prefer, you can discuss your suspicions informally with the MLRO or their deputy first.
25. You must follow any directions the MLRO or their deputy gives you and must not make any further enquiries into the matter. You must not take any further steps in any related transaction without authorisation from the MLRO.
26. You must not reveal your suspicions to the person suspected of money laundering. You must not discuss the matter with anyone else or add a note on the file that a report has been made to the MLRO in case this results in the suspect becoming aware of the situation.
27. The MLRO or deputy must promptly evaluate any report you make, to decide whether it should be reported to the National Crime Agency (NCA).
28. The MLRO or deputy must, if they decide, promptly report the matter to NCA on their standard report form and in the correct way. You can download up-to-date forms from the NCA website at <https://nationalcrimeagency.gov.uk/what-we-do/crime-threats/money-laundering-and-terrorist-financing/suspicious-activity-reports>
29. If you identify a suspicion of money laundering while employed as a legal advisor working in privileged circumstances, a report should be made to the Head of Legal Services in the first instance.

Customer due diligence (CDD)

30. The 2017 Money Laundering Regulations place extra obligations on 'relevant persons' carrying out certain 'regulated activities'. This means that extra care needs to be taken to check the identity of the customer or client. This is known as carrying out customer due diligence. Public authorities are not considered to be 'relevant persons' and are not governed by the 2017 Regulations with regards to Customer Due Diligence (CDD).
31. Although it is not a legal requirement for public authorities to put in place formal procedures for checking the identity of those they do business with, in practice we make sure that staff are on the look-out for potentially suspicious circumstances. Examples include situations where funds flow through the authority from a source with which it is not familiar.
32. Criminals often mask their identity by using complex or opaque ownership structures, so the purpose of CDD is to understand the customer or business partner's business activities to that money laundering risks can be appropriately considered. It is important to know who owns and controls and benefits from businesses we are working with.
33. In particular, if we are forming a new business relationship or considering carrying out a significant one-off transaction, it would be essential to set up and maintain identification procedures for those people involved. This will be especially true if the people involved are not present for identification purposes and in situations where they may be acting for people who are not present.
34. Below are some examples of the different types of identification checks which we may carry out. We may:
- check the customer's website to confirm their business address.
 - carry out an online search at Companies House or Charity Commission to confirm the nature and business of the customer and confirm the identities of any directors; and
 - ask to see evidence from the main contact to check their personal identity, for example their passport, and position within the organisation.

If in doubt, please seek advice from the MLRO.

35. You will find specific guidance on money laundering for treasury management activities in CIPFA's Treasury Management in the Public Services – Code of Practice and Cross Sectoral Guidance Notes (the TM Code).

36. If at any time you suspect that a client or customer is carrying out money laundering, is financing terrorism, or has lied about their identity, you must report this to the MLRO immediately.

- to drive continuous improvement in our processes;
- to contribute to a healthy, happy and prosperous Staffordshire.

A1.2 There are legal and commercial consequences suffered by the Council as a result of failing to follow these Regulations.

A2 Applicability

A2.1 These Regulations apply

- to all Contracts for the procurement of all Works, Supplies or Services by the Council, including, ad-hoc, one-off requirements
- to Officers of the Council undertaking any procurement activity on behalf of the Council
- to any Contract that results in the Council making a payment and/or where a service is being provided for the Council resulting in income being generated for the Council
- where the Council is acting as the lead organisation in a partnership or other joint procurement arrangement
- to the selling / disposing of our assets

A3 Governance

A3.1 These Regulations are made under Section 135 of the Local Government Act 1972.

A3.2 The Council will review these Regulations periodically and as required by changes to legislation.

- A3.3 These Regulations enable a separate set of Procurement Instructions which represent the practice to be followed when conducting a procurement process.
- A3.4 The Assistant Director for Commercial and Assets may from time-to-time issue new and/or revise the Procurement Instructions setting out the practice to be followed when using these Regulations.
- A3.5 A failure to follow these Regulations by any Officer may result in disciplinary action being taken against the Officer.
- A3.6 Officers are directed to their Code of Conduct, the Whistleblowing Policy and the Integrity Policy should they become aware of a non-compliance or breach of these Regulations by other Officers.
- A3.7 If in any doubt about how these Regulations apply, Officers must always check with a Procurement Advisor.

A4 Authority to procure arrangements with leases, hire, rental etc

- A4.1 An Officer will not, without approval from the Assistant Director for Commercial and Assets, enter into a Contract for a provider to supply Supplies or Services under any operating lease, hire, rental or any other credit arrangements.

B PRE-PROCUREMENT ACTIVITIES

B1 Appointment of Third Parties to act on behalf of the Council

- B1.1 The appointment of any third party to be responsible to the Council for preparing or supervising of a Contract on behalf of the Council (including contributing/leading the procurement process) must be prepared by a Procurement Advisor under a formal set of third party appointment terms.
- B1.2 All decisions made by any third party regarding a Council procurement must follow these Regulations.

B2 Sourcing Strategy

- B2.1 **Consult a Procurement Advisor before embarking on any procurement at and over £100,000.**
- B2.2 A written Sourcing Strategy (refer to the template on the Commercial intranet) is required for Contract values at / over the Council Advertising Threshold. Refer to the Commercial Intranet for the template. For Contract values at and over £100,000 written approval of the Sourcing Strategy is to be sought from a Procurement Advisor.
- B2.3 Whenever Officers buy Works, Supplies or Services for the Council, they must always act to promote competition and to achieve best value / value for money.

B2.4 Prior to any procurement at or over the Council Advertising Threshold Officers must explain the procurement route in a written Sourcing Strategy by considering the following specifically in the order presented: -

B2.4.1 Not buying the Goods, having the Works done or receiving the Services at all;

B2.4.2 By securing the provision of the Works, Supplies or Services in-house;

B2.4.3 By getting someone else to provide the ongoing Works, Supplies or Services (e.g. using the voluntary sector or via another Local Authority);

B2.4.4 By providing the Works, Supplies or Services via an existing Council Framework Agreement, Dynamic Purchasing System, Contract or similar arrangement;

B2.4.5 By providing the Works, Supplies or Services from an already pre-procured Framework Agreement or Dynamic Purchasing System or Contract provided by an external public sector body or from a Central Purchasing Body;

B2.4.6 By outsourcing/buying the provision of the Works, Supplies or Services through collaborative procurement with another local authority/partner, to/from an external provider on the open market by establishing a Contract;

B2.4.7 By outsourcing/buying (via quotes or tenders) the Works, Supplies or Services to/from an external provider on the open market by establishing a bespoke Council Contract.

B2.5 It is important that Officers appraise the risk, value, provider activity, market pressures and all internal and external influencing forces associated with their procurement. Value may not always be proportional to risk. Consult a Procurement Advisor if in any doubt.

B2.6 Early-on in the process it is important to agree whether a procurement project is considered as a Council Cabinet Key Decision, and therefore appropriate timely action sought where it does meet the criteria. Where this is the case, the Band Officer approvals within these Regulations must only be followed in strict accordance with the agreed Cabinet delegated decisions.

B2.7 Where a Cabinet report or an Exception already documents the key requirements required by a Sourcing Strategy, no separate Sourcing Strategy document will be required

B3 Threshold Ladder

B3.1 The Threshold Ladder is presented at the front of these Regulations and is to be read in conjunction with these Regulations and the Sourcing Strategy options outlined in the Procurement Tool Kit. The Threshold Ladder clearly presents the procurement processes required for the various procured contract values.

B4 Information Security

- B4.1 It is a mandatory requirement that a Privacy Impact Assessment (refer to the Information Governance Unit) is completed and evaluated by the Information Governance Unit and that an ICT Business Engagement Manager is consulted before any Cloud service procurement is carried out. The use of a Privacy Impact Assessment and 3rd Party Security Questionnaire should always be considered prior to issuing any other tender/quotation to the market. The Sourcing Strategy must make reference to these requirements.
- B4.2 The procurement of all ICT-related Suppliers / Services must be referred to the 'ICT' Commercial Team in the first instance prior to any procurement process commencing.

C OVERALL CONSIDERATIONS

C1 Contracts Register

- C1.1 A Contracts Register will be held by the Commercial Team which provides a central point for Contract information.
- C1.2 The Contracts Register provides full visibility of existing Contracts (to avoid any duplication) and is also a legal record of data as requested by the Transparency Code.
- C1.3 Every Contract awarded by the Council that has a total aggregated value at/over the Council Advertising Threshold will be recorded in the Council Contracts Register.
- C1.4 It is the responsibility of the Officer(s) (whoever is managing the procurement and the contract) to ensure that the Contracts Register is populated and updated on an ongoing basis as a result of any change in the Contract circumstance.

C2 Honesty and Conflicts of Interest

- C2.1 In all their dealings, Members and Officers shall preserve the highest standards of honesty, integrity, impartiality and objectivity. This includes compliance with Bribery Act 2010, Codes of Conduct and Section 117 of the Local Government Act 1972 (as may be amended from time-to-time) as a minimum.

C3.1 For the purpose of agreeing a procurement process, the total value of a Contract is the total estimated expenditure for the duration of the Contract including any extension options/periods.

C3.2 Contract values to exclude VAT except when determining if the Public or Concession Contracts Regulations are triggered. Appropriate VAT to be considered here, with all procurement documentation remaining with the net-VAT values.

C3.3 Contracts cannot be divided (disaggregated) into separate Contracts with the intention of avoiding the application of the Public Contracts Regulations or these Regulations.

C3.4 A Procurement Advisor must be consulted if a Contract is to last longer than 3 years including all extension periods.

C3.5 Officers are required to consider and include (aggregate) the value of similar requirements in other parts of the Council when calculating a Contract value. The total aggregated value means the total value of similar purchased Works, Supplies or Services over the duration of a Contract.

C3.6 If the Contract is for buying a single item, which is not related to buying other items, the Contract is worth the price, or estimated price, referred to in that Contract.

C3.7 If the Contract is for buying a related group of items, the Contract is worth the total price, or estimated total price, of the group.

C4 Collaborative Procurement

C4.1 Where the Council takes the lead procurement role in a Collaborative Procurement, these Regulations will apply to each procurement process carried out under the collaborative arrangement.

C4.2 Where another public sector organisation takes the lead procurement role, its contract standing orders, or equivalent, will apply.

C4.3 Where the Council enters into formal joint buying or consortia purchasing arrangements, the related Contract and procurement strategy must protect the Council to a level proportionate to the risk involved, whilst at the same time providing the basis for a partnering approach and delivery of best value / value for money.

C4.4 A Procurement Advisor must be consulted prior to agreeing to enter into collaborative procurements.

C5 Framework Agreements / Dynamic Purchasing Systems ('DPS')

C5.1 Framework Agreements and DPS's are agreements that allow Officers to place orders with selected providers on pre-agreed terms.

Joining another Contracting Authority's Existing Framework Agreement or DPS

C5.2 Where the Council seeks to join an existing Framework Agreement or DPS then a due diligence exercise should be undertaken to ensure that the Framework Agreement or DPS was properly procured in accordance with the relevant legislation and ensure that the Council can access the Framework Agreement or DPS under the terms it was originally advertised with.

C5.3 A Procurement Advisor must be consulted before buying from a Framework Agreement or DPS that has been procured by another Contracting Authority.

C5.4 Officers are required to follow the instructions issued by the 3rd party Contracting Authority when procuring from this type of Framework Agreement or DPS. In doing so, Officers will be required to use different legal terms etc. There is no requirement to log any Exceptions to these Regulations as a result of this. However, these Regulations are to be used where the price/quality evaluation criteria have not been expressly stated / left open.

Setting-up a Framework Agreement / DPS

C5.5 If Officers decide that they (or their partners) are likely to need to buy the Works, Supplies or Services repetitively in the future but are unsure of exact quantities, it may be that the best way to buy them is by initially setting up a Council Framework Agreement or DPS.

C5.6 Should a Framework Agreement or DPS need to be procured please consult a Procurement Advisor..

C6 Current Commercial Documentation

C6.1 To ensure that Officers are current with all Commercial source documentation, proformas, and advice, the Council Commercial intranet must be referred to regularly.

C7 Concession Contracts

C7.1 Officers must use a Concession Contract if they want to enter into a contract which gives the provider the opportunity to operate a business for commercial gain.

C7.2 Officers are to use these Regulations to procure Concessions Contracts unless the spend trigger given in the Threshold Ladder is triggered in which case the Concession Contracts Regulations shall apply.

C7.3 Officers must get advice from a Procurement Advisor before carrying out any procurement relating to a Concession Contract.

C8 Procurement Tool Kit

C8.1 The Procurement Tool Kit is one of a suite of Procurement Instructions, and is an agreed set of standard documentation which is to be used for the preparation of a procurement (quotation or tender) and subsequent management of a Contract, for all Contract spends below those of the Government thresholds.

C8.2 It is mandatory to use the Procurement Tool Kit for Council procurements. Any exception from this must be agreed by the Assistant Director for Commercial and Assets.

C8.3 The standard documents that comprise the Procurement Tool Kit are to be tailored where indicated only. Officers must seek a Procurement Advisor's agreement regarding any other changes to the documents.

C9 Procurement / Purchasing Cards ('pCard')

C9.1 For the transaction spend levels indicated in the Threshold Ladder Officers can, where appropriate, use a pCard for both procuring and payment. Refer to the Council's Financial Regulations for more details.

C10 Community Right to Challenge

C10.1 The Community Right to Challenge means community organisations can submit to Local Authorities an expression of interest to run local services. This right is granted under the Localism Act 2016. If an expression of interest is accepted by the Council this may trigger a procurement exercise. Please consult a Procurement Advisor on receipt of any such public interest.

C11 Contracts relating to the Sale / Disposal of Council Assets

C11.1 When selling / disposing Council assets Officers must also comply with the Council's Financial Regulations but always consult a Procurement Advisor for disposal of assets with an estimated value over £500.

C11.2 The process should aim to ensure best value for the council, transparency, openness, non-discrimination, and probity. These Regulations do not apply to Land and Buildings.

C11.3 Officers must document a proportionate business case for the particular sale/disposal including

- how it will achieve value for money;
- if there is a reserve/minimum acceptable price;

- any geographic, environmental and social value factors;
- the mechanism for evaluation; and
- a justification for the channel for seeking interest (relevant to the asset)

C11.4 Approval authority of the business case is to be in writing before any sale process and follow that of the appropriate Contract award approval for Band A, B and C Officers (section D13).

C11.5 Seek a Legal Advisor for sale terms and conditions for items over £500 in value.

C11.6 As a minimum, a sale with value of under £100,000 must seek a minimum of 3 offers, using email.

C11.7 As a minimum, a sale with a value at/over £100,000 must seek and collate expressions of interest from the Councils electronic tendering system supplier base.

C11.8 Officers must not release any items sold before payment is received. If payment is made by cheque, this must be cleared before items are released.

C11.9 Officers engaged in the sale may not purchase items unless a Declaration of Interest and Confidentiality Undertaking document has been approved.

C12 Insurance

C12.1 Insurance conditions will be contained in the Contract terms and conditions. In terms of insurance, the Council will normally need the successful provider to have the following types and minimum limits of cover.

	Works Contracts	Supplies and Services Contracts
Public liability	£5 million	£5 million
Employers' liability	£10 million	£5 million
Professional indemnity (where relevant)	£5 million	£2 million
Product liability (where relevant)	£5 million	£5 million

C12.2 The above limits relate to each and every claim or any one occurrence in respect of public and employer liability and each and every claim / in the aggregate in respect of Professional Indemnity Insurance. For public liability and employers' liability, the cover must be in place throughout the period covered by the Contract. For professional indemnity, the conditions are more complicated. Not only must the cover be in place throughout the period covered by the Contract but also for a further six years after the end of the Contract (or 12 years if the Contract is under seal). For certain types of Services, for example, financial advice, the amount of professional indemnity insurance cover will need to be higher to protect the Council in

case anyone gives inappropriate advice.

C12.3 When providing Supplies or Services, the above limits may not be appropriate for small and medium enterprises ('SMEs') and sole providers. In these instances, the Council may be able to reduce these limits by applying for an Exception to these Regulations under section F.

C12.4 Where additional insurances are required, refer this to the Council's Head of Insurance for approval in the first instance.

D PROCUREMENT PROCESS

D1 General

D1.1 The Procurement Tool Kit further details the procurement process for seeking quotations and tenders under the Government Thresholds.

D1.2 Officers throughout the procurement must consider all other Council policies which could apply to the procurement project, e.g. The Strategic Plan, the Council's Financial Regulations, Business Plans, Delivery Plans, etc and legislative requirements such as (but not limited to) social value and equalities

D2 Sustainable Procurement (Social & Environmental Value)

D2.1 Sustainable Procurement incorporates the achievement of environmental, economic and social outcomes through procurement processes. All, where relevant to the subject of the Contract, should be incorporated into every procurement process paying particular attention to the Council's published advice or Procurement Instructions for these areas.

D2.2 If in any doubt, Officers must seek the advice of a Procurement Advisor.

Social Value

D2.3 Social value is the added value / benefit to the community as a result of the commissioning / procurement process, supporting the Council's vision of a connected Staffordshire, and maximising the benefits of public sector spend to local communities, engaging community spirit, in turn improving service delivery and quality.

D2.4 The Public Services (Social Value) Act 2012 mandates the Council to consider the wider benefits which may be achieved through the procurement of Contracts specific to Services with spends at, or over, the relevant Government Threshold.

D2.5 The Public Services (Social Value) Act further requires the Council to consider whether to consult on social value issues prior to undertaking a procurement exercise.

D2.6 Officers should demonstrate their consideration of social value for all other Contracts spends other than those in D2.4.

D2.7 The evaluation of social value should be considered as part of the Sourcing Strategy and in accordance with the Council Social Value Policy.

Environmental Value

D2.8 Environmental value focuses on the sustainable environmental considerations of a procurement. Please refer to the relevant Procurement Instruction.

D3 Employment issues and TUPE (Transfer of Undertaking Protection of Employment Regulations)

D3.1 Implementing contractual arrangements can give rise to TUPE implications. It is not always obvious that there are TUPE implications; for example: -

- contracting with a new provider;
- outsourcing from in-house;
- bringing services back in-house

may invoke TUPE transfers.

D3.2 It is essential that Officers consider all TUPE implications prior to going out to procurement. Officers must seek the advice of a Procurement Advisor or a HR Advisor to ensure that any relevant TUPE arrangements have been considered.

D3.3 Contracts must contain relevant TUPE conditions to ensure all necessary practicalities for the application of TUPE are agreed and to safeguard the Council from risk (for example, to ensure that appropriate workforce (and other) information will be made available by the existing provider prior to the Contract end date in sufficient time to allow the Council to fulfil TUPE obligations.

D4 Advertising

D4.1 It is mandatory that any public advert over the Council Advertising Threshold is placed on Contracts Finder by a Procurement Advisor.

D5 Pre-Qualification

D5.1 A separate pre-qualification stage is prohibited when publically tendering for Contracts with a value of less than the Government Threshold as set for Supplies/Services regardless of whether the subject matter of the Contract is Works, Supplies or Services.

D6 Invitation to Tender ('ITT')

D6.1 All below Government Threshold ITTs shall use the agreed standard documentation as described in the Procurement Tool Kit.

D7 Contract Terms and Conditions

- D7.1 It is essential that Officers consider the model Contract Terms and Conditions well in advance of going out to procurement.
- D7.2 There must be written evidence for every Contract (regardless of value), and all Contracts must be in a form agreed with the Assistant Director for Commercial and Assets, i.e. all procurements must use the appropriate model Terms and Conditions and standard documentation available on the Councils intranet as the starting point. Where they are deemed insufficient, or require any change, this must be agreed by a Procurement Advisor or a Legal Advisor. Note – it is not an Exception to these Regulations to vary the Terms and Conditions.
- D7.3 Purchase orders must reference / contain model Contract Terms and Conditions. A quotation and a purchase order will create a legally binding Contract. Please see paragraph D13.7.
- D7.4 Officers are not permitted to enter into Contracts on the provider's Terms and Conditions for spends above the Council Advertising Threshold and should take care that they do not inadvertently enter into a Contract on the provider's Terms and Conditions.
- D7.5 It is accepted that Officers will contract on a provider's Terms and Conditions when using a Procurement / Purchasing Card.
- D7.6 In addition to D7.5, Officers should consider the use of model Council Contract Terms and Conditions below the Council Advertising Threshold although this is not mandatory.
- D7.7 In the rare event that a provider refuses to accept the model Contract Terms and Conditions, the provider's Terms and Conditions are to be referred to a Procurement Advisor or a Legal Advisor for review and possible approval.
- D7.8 Advice on any Terms and Conditions must be sought from a Procurement Advisor or a Legal Advisor.
- D7.9 The Assistant Director for Commercial and Assets must:
- keep a record or list of all model sets of Contract Terms and Conditions detailing when the conditions were last updated, who is responsible for updating them, and any changes to the models;

All systems must, as a minimum, conform to the requirements stated in the Public Contracts Regulations. Third parties (see B1) must first seek approval from a Procurement Advisor to use an alternative electronic tendering system.

D10.2 Unless otherwise agreed by a Procurement Advisor, all electronic tendering for Contract spends above the Council Advertising Threshold will be performed by a Procurement Advisor.

D10.3 The Procurement Advisor (or agreed delegate) will manage the posting of the tender and manage the resulting clarifications only for electronic tendering performed for Contract spends at, and above, the Council Advertising Threshold. Officers shall prepare their tender in accordance with these Regulations and the Procurement Tool Kit.

D10.4 Approval from a Procurement Advisor is required to carry out an Electronic Reverse Auction.

D11 Late Tenders

D11.1 Tenders received late will not normally be accepted. The Council reserves the right to accept a tender submission if other tenders have not been opened by Officers, the supplier must have contacted the Council prior to the submission deadline, and there are exceptional circumstances with the electronic Procurement system outside of the supplier's control (including where issues are caused by an act or omission of the Council).

D11.2 Any anomaly within the quotation process must be documented and authorisation to proceed sought in accordance with Exceptions (section F).

D11.3 Seek the advice of a Procurement Advisor to determine whether a tender fulfils D11.1 and whether the use of post-tender clarification is acceptable for tender anomalies and omissions for Contracts at/above the Council Advertising Thresholds.

D12 Evaluating Quotations and Tenders

D12.1 For procurements of Contracts with spend less than the Council Advertising Threshold, it is required that the quality aspect of the Specification will be evaluated under a pass / fail criterion and that price criteria will form 100% of evaluation.

D12.2 For procurements of Contracts with spend at, and above, the Council Advertising Threshold, it is required that the price criteria will be a minimum of 80% of evaluation.

D12.3 Where Officers wish to deviate from the stated price ratio above, Officers must obtain written authorisation in accordance with Section F or (for Contracts with spends at, and above £100,000) using the Sourcing Strategy.

D12.4 An Exception must be recorded (see section F) where an alternative evaluation scoring formula is employed to that presented in the Procurement Tool Kit.

D13.6 Officers must ensure that a Contract award notice is issued by a Procurement Advisor on the Contracts Finder portal for contracts with a value at and above the Council Advertising Threshold, together with a completed entry on the Contracts Register.

Entering into Contract

D13.7 The use of Offer and Acceptance and a valid Council purchase order will be used for all awards for Contract spends at and above £500, and under the Council Advertising Threshold, unless agreed by a Procurement Advisor or Legal Advisor.

D13.8 All awards over the Council Advertising Threshold will require the use of model Terms and Conditions. Consult a Procurement or Legal Advisor for advice on which Terms and Conditions will apply. The advice received will dictate whether the Contract is to be signed by the requisite Officer in accordance with banding in D13.1 to D13.3 or will require execution under seal.

D13.9 The authority to seal any Contract (the sealing authority) will also be in accordance with the Constitution, the Sub-Scheme of Delegation and the Officer banding in D13.1 to D13.3.

D17 Contract Extension, Default, Termination and Modification

D17.1 The approval to: -

- end a Contract early; or
- extend a Contract in line with its Terms and Conditions; or

D17.3 The approval to materially modify a Contract that results in an increase in price of up to 25% of the value of the original contract: -

shall be obtained from a **Band C** (and above) Officer where the variation spend is less than £100,000; or

- by a **Band A** Officer where the variation spend is at, or over, £500,000 subject always to this not being a Council Cabinet Key Decision.

D17.5 The total value of all modifications (i.e., where successive modifications are applied) to a Contract should not be above 50% of the value of the original contract to avoid any disaggregation spend.

D17.6 Approval must be sought from a Procurement Advisor prior to fulfilling the actions in D17.1, D17.3 and D17.4. Where applicable the Public Contracts Regulations will be used to manage the modification of the Contract.

D18 Failed Procurements
