

Forward Plan of Key Decisions - 21 February 2024 - 19 June 2024

The Forward Plan of Key Decisions is prepared on a monthly basis and published at least 28 days before the start of the period covered. Key Decisions are defined as those Executive decisions which are likely:

- a. to result in the County Council incurring expenditure which is, or the making of savings which are, significant having regard to the relevant budget for the service or function to which the decision relates; or
- b. to be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the County's area.

The Forward Plan will contain **all** matters which the Leader of the Council has reason to believe will be the subject of a Key Decision to be taken by the Cabinet. It may also include decisions that are not key decisions but are intended to be determined by the Cabinet. Part of the Cabinet meetings listed in this Forward Plan may be held in private where a report for the meeting contains exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. If you would like to make representations about any particular decision to be conducted in private then please email: michael.bradbury@staffordshire.gov.uk. Such representations must be received in advance 6 clear working days before the date on which the decision is scheduled to be taken.

Documents submitted for decision will be a formal report which will be available on the County Council's website at least 5 clear working days before the date the decision is to be made, unless that report is subject to any prohibition or restriction on its disclosure. Other relevant background documents used in compiling the report will also be made available in the same way unless they are subject to any prohibition or restriction on their disclosure.
