

## **Prosperous Staffordshire Select Committee Work Programme 2017/18**

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2017/18.

The Prosperous Staffordshire Select Committee is responsible for scrutiny of highways infrastructure and connectivity, flood and water management, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Council's Business Plan 2017-18 states the Council's Vision: A "Connected Staffordshire"...where everyone has the opportunity to prosper, be healthy and happy. The Plan states three population outcomes – Access more good jobs and the benefits of economic growth; be healthier and more independent and feel safer, happier and more supported. This Committee's work is aligned to the outcome: Access more good jobs and the benefits of economic growth. The Business Plan has seven business commissioning priorities – Great Place to Live; Living Well, Resilient Communities; Best Start; Ready for Life; Right for Business and Enjoying Life. The work of this Committee is aligned to the relevant commissioning priority/priorities.

We review our work programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

### **County Councillor Ian Parry**

Chairman of the Prosperous Staffordshire Select Committee
