28th November 2017

Dear Mrs Phillips,

Thankyou for the wonderful opportunity and we thoroughly enjoyed the educational experience.

My favourite part of the day was creating the booklet and going into the Islamic exhibition because I learnt a lot.

My favourite thing in the Islamic exhibition was learning about the ~~5th~~ fifth pillar: hajj (going to Mecca) because it was interesting finding out that everyone (at least once in their lives) had to go to Mecca and go anti-clockwise around the Ka'ba seven times.

However, in the Christian exhibition, the best part was learning about how ~~so~~ some people get baptised and how they believe that God had three different forms: Lord, Jesus and the Holy Spirit.

We're now ready to present it to the whole of KS2 in an assembly. Once again, thankyou for the wonderful experience.

Yours sincerely,
