Dear Mrs Phillips,

Thank you for the wonderful opportunity! We thoroughly enjoyed the educational experience. My favourite part of the day was creating the R.E booklet and going into the baptism bath. I have found out a lot of new facts about Islam and Christianity.

In the Islam exhibition, my favourite fact was learning about Salah (prayer). It was interesting to find out about what they did before prayer. I extremely enjoyed the Islamic part of the day.

When we created the booklet, it was interesting to explore the new app and to create our very own homemade booklet. We found it amazing to be able to do this. It was a very new and fascinating way to show what we had learnt.

After creating our booklet we are going to show it to the rest of the juniors.

yours sincerely
