

Prosperous Staffordshire Select Committee Work Programme 2017/18

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2017/18.

The Prosperous Staffordshire Select Committee is responsible for scrutiny of highways infrastructure and connectivity, flood and water management, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Council's Business Plan 2017-18 states the Council's Vision: A "Connected Staffordshire"...where everyone has the opportunity to prosper, be healthy and happy. The Plan states three population outcomes – Access more good jobs and the benefits of economic growth; be healthier and more independent and feel safer, happier and more supported. This Committee's work is aligned to the outcome: Access more good jobs and the benefits of economic growth. The Business Plan has seven business commissioning priorities – Great Place to Live; Living Well, Resilient Communities; Best Start; Ready for Life; Right for Business and Enjoying Life. The work of this Committee is aligned to the relevant commissioning priority/priorities.

We review our work programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

County Councillor Ian Parry

Chairman of the Prosperous Staffordshire Select Committee
