

Schools Forum Work Programme

There are a number of items the Schools Forum considers annually and these are set out in the work programme below.

The “Schools Forums: operational and good practice guide” (October 2013) states that:

Local authorities should as far as possible be responsive to requests from their School Forums and their members. Schools Forums themselves should also be aware of the resource implications of their requests.

Forum Members are therefore able to suggest an item for consideration at a future Forum meeting as long as it is within the remit of the Forum. Any request must be agreed by the Schools Forum before being included on the work programme. Each Forum agenda is set by the Chairman in consultation with the Director and the Clerk. The scheduling of items included on the work programme will therefore be agreed through this process and taking account of resource implications and agenda management.
