## **Audit and Standards Committee – 13th June 2018**

### **Internal Audit Charter 2018/19**

#### **Recommendation**

1. To approve the revisions to the Internal Audit Charter originally approved by the Audit and Standards Committee in June 2014.

#### **Report of the Director of Finance and Resources**

#### **Background**

2. The Public Sector Internal Audit Standards (PSIAS) and the Local Government Application Note (LGAN) Standard 1000 require that the purpose, authority and responsibility of the internal audit activity must be defined formally in an Audit Charter. The Internal Audit Charter is a formal document setting out:
  - internal audit's position within the organisation
  - its reporting lines
  - access to personnel, information and records
  - the scope of internal audit activities
  - what the term Board means (e.g. the Audit and Standards Committee).
3. The need for an Audit Charter was a new requirement of PSIAS and the Audit and Standards Committee approved the detailed document at its meeting in June 2014. Since this date there have been a small number of revisions which require approval. The key changes made in 2018 are highlighted within the attached document in yellow and relate to the following areas:
  - the role of Internal Audit in relation to counter fraud work (*pages 6 & 7*)
  - explanation of the Senior Leadership Team's role under PSIAS (*page 12*).

#### **Equalities Implications and Climate Change Implications**

4. There are no direct implications arising from this report.

#### **Legal Implications**

5. Whilst there are no direct legal implications arising from this report, the Accounts and Audit (England) Regulations 2015 specifically require that a relevant body must 'undertake an effective internal audit to evaluate the effectiveness of its risk

management, control and governance processes, taking into account public sector internal auditing standards or guidance’.

### **Resource and Value for Money Implications**

6. The net budget of the Internal Audit Section is estimated at £619,310 of which £53,400 relates to payments to external providers.

### **Risk Implications**

7. Internal Audit objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources
