

# Our Vision: A connected Staffordshire where everyone has the opportunity to prosper, be healthy and happy

## Outcomes

The people of Staffordshire will:

- Be able to access more good jobs and feel the benefits of economic growth
- Be healthier and more independent
- Feel safer, happier and more supported in and by their community

## Priorities

Create the right conditions for **economic growth** across the whole of Staffordshire that produces more, better paid jobs for residents.

Support the construction of more **housing** to meet the growing needs of our families and people young and old.

Improve **Education and Skills** provision in our schools, colleges and universities so that more people gain the training and qualifications they need to succeed.

A joined up approach to **Health, Care and Wellness** that encourages people to take responsibility for their own health and plan for their future, so that we can support those who really need it.

Ensure **Children and Families** have a network of support to help manage their own problems and stay safe and well.

## Enablers

Our **workforce** is the greatest asset we have for improving the lives of Staffordshire people, so we need to give our employees the skills, tools and confidence to do their jobs well.

**People Helping People** is how we support citizens to help themselves and one another to improve their communities and act on the things that matter most to them.

Our **digital** programme will make greater use of technology and data to work in more modern, effective and lower cost ways.

Work with and through our **networks** of public, private and community organisations to achieve our ambitions.

**Pledge** Deliver value for money for residents and businesses and live within our means
