During the Conference, the representatives of several of the Pensions Board from the Funds in LGPS Central agreed that it would be useful for them to meet on a regular basis and, to this end, a meeting, had been arranged for 10 October 2018 in Wolverhampton. As the Chairman was not able to attend the meeting due to a prior commitment, it was agreed that Christina Washington attend.

The Board also discussed the Chairman's concern regarding Enviroserve and the fact that the Pensions Regulator, who promised a response within two weeks, had failed to do so. The Chairman advised that he was still waiting for this response, three months

later. The Board agreed that the Chairman should pursue a response from the Pensions Regulator.

**RESOLVED** – (a) That the update be noted
