

STAFFORDSHIRE POLICE, FIRE AND CRIME PANEL – 15 July 2019

WORK PROGRAMME PLANNING 2018-2020

Report of the Secretary

Recommendation

That the Panel note the dates of future meetings and considers the contents of its Work Programme for 2018 -20.

Background

By Regulation this Panel is required to meet on a minimum of 4 occasions each year with the facility to convene additional meetings as and when required.

With regard to the Commissioner's Policing and Crime responsibilities, the Panel receives quarterly updates from the Commissioner on the progress of his Police and Crime Plan. Additionally, the Panel is required to consider the draft of any revised Police and Crime Plan, the Commissioner's Annual Report on the progress of that Plan and the proposed Police Precept.

In relation to the Fire and Rescue Service, statutorily, members will be asked to review any draft Fire and Rescue Plan/Corporate Safety Plan (incorporating the Integrated Risk Management Plan), consider the Annual Statement of Assurance and consider the proposed Fire and Rescue Precept.

The current Corporate Safety Plan (as adopted by the Commissioner) runs to April 2020. There is a lengthy lead in period for the renewal/review of that Plan therefore it has been built into the Work Programme from April 2019 onwards.

At the October 2018 meeting (the first following the addition of Fire and Rescue Service to the Panel's remit) the Work Programme below was agreed subject to consideration by the Chairman of the possible need to build in additional meeting dates to accommodate the increased workload. To date additional workload has been accommodated using a Workshop format. The two Workshops held are listed in the below schedule for meetings to provide an accurate record of the Panel's workload.

Members are invited to propose items for inclusion in the Work Programme.
