

## **WORK PROGRAMME – September 2019**

### **Healthy Staffordshire Select Committee 2019/2020**

This document sets out the work programme for the Healthy Staffordshire Select Committee for 2019/20.

The Healthy Staffordshire Select Committee is responsible for:

- Scrutiny of matters relating to the planning, provision and operation of health services in the Authority's area, including public health, in accordance with regulations made under the Health and Social Care Act 2001 and subsequent guidance.
- Scrutiny of the Council's work to achieve its priorities that Staffordshire is a place where people live longer, healthier and fulfilling lives and In Staffordshire's communities people are able to live independent and safe lives, supported where this is required (adults).

#### **Link to Council's Strategic Plan Outcomes and Priorities**

Be healthier and more independent

A joined up approach to **Health, Care and Wellness** that encourages people to take responsibility for their own health and plan for their future, so that we can support those who really need it.

We review our work programme from time to time. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for NHS organisations in the county, the County Council and sometimes other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

**Councillor Johnny McMahon**

**Chair of the Healthy Staffordshire Select Committee**

If you would like to know more about our work programme, please get in touch with Nick Pountney, Scrutiny and Support Manager on 01785 276153 or [nicholas.pountney@staffordshire.gov.uk](mailto:nicholas.pountney@staffordshire.gov.uk)

In Staffordshire, the arrangements for health scrutiny have been set up to include the county's eight District and Borough Councils. The Healthy Staffordshire Select Committee is made up of elected County Councilors and one Councillor from each District or Borough Council. In turn, one County Councillor from the Committee sits on each District or Borough Council overview and scrutiny committee dealing with health scrutiny. The Healthy Staffordshire Select Committee concentrates on scrutinising health matters that concern the whole or large parts of the county. The District and Borough Council committees focus on scrutinising health matters of local concern within their area.
