Be healthier and more independent

A joined up approach to **Health, Care and Wellness** that encourages people to take responsibility for their own health and plan for their future, so that we can support those who really need it.

We review our work programme from time to time. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for NHS organisations in the county, the County Council and sometimes other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

Councillor Johnny McMahon

Chair of the Healthy Staffordshire Select Committee

If you would like to know more about our work programme, please get in touch with Nick Pountney, Scrutiny and Support Manager on 01785 276153 or nicholas.pountney@staffordshire.gov.uk

In Staffordshire, the arrangements for health scrutiny have been set up to include the county's eight District and Borough Councils. The Healthy Staffordshire Select Committee is made up of elected County Councilors and one Councillor from each District or Borough Council. In turn, one County Councillor from the Committee sits on each District or Borough Council overview and scrutiny committee dealing with health scrutiny. The Healthy Staffordshire Select Committee concentrates on scrutinising health matters that concern the whole or large parts of the county. The District and Borough Council committees focus on scrutinising health matters of local concern within their area.
