

Cabinet - Wednesday 16 September 2020

Addendum to the report: Strategic Review of the Older People Care Home Market in Staffordshire 2020

Paragraph 10 of the report, Strategic Review of the Older People Care Home Market in Staffordshire 2020, considered at the 16th September 2020 Cabinet meeting should read as follows:

“Over one half of all care homes have had a case or outbreak of Covid-19. At week ending 04 September there had been 215 deaths recorded as due to Covid-19 in Staffordshire care homes since the start of the pandemic, and a total of 1,234 deaths from all causes.”
