

WORK PROGRAMME

Safe and Strong Communities Select Committee 2020/21

This document sets out the work programme for the Safe and Strong Communities Select Committee for 2020/21. The Safe and Strong Communities Select Committee is responsible for scrutinising: children and adults' safeguarding; community safety and Localism. The Council has three priority outcomes. This Committee is aligned to the outcome: The people of Staffordshire will feel safer, happier and more supported in and by their community.

We review our work programme at every meeting. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

Councillor John Francis
