

## WORK PROGRAMME

### Safeguarding Overview & Scrutiny Committee 2021/22

This document sets out the work programme for the Safeguarding Overview & Scrutiny Committee for 2021/22.

The Safeguarding Overview & Scrutiny Committee is responsible for scrutinising: children and adults' safeguarding; community safety and Localism. The Council has three priority outcomes. This Committee is aligned to the outcome: The people of Staffordshire will feel safer, happier and more supported in and by their community.

We review our work programme at every meeting. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.
