17th July 1998

Dear Sir,

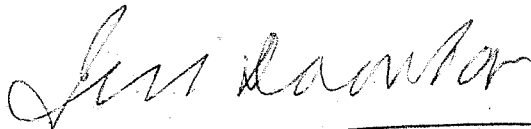

Wildlife and Countryside Act 1981 -  
Alleged Public Footpath between A525 Keele Road  
and Lymes Road, Keele

Further to my letter of the 8th June, I have received no comments from the Borough Council's Head of Technical Services or the local Borough Councillors.

Whilst I have no information about the application other than the copy documents - including the diversion order of 1813 - in view of the line of the alleged public footpath - it seems to run through various buildings - I would think it was not reasonable to claim that a right of way now subsists.

Would you please keep me advised of what action is being taken regarding the application.

Yours faithfully,

for Head of Legal and  
Support Services
