## **Health and Care Overview and Scrutiny Committee – Monday 11 July 2022**

### **District and Borough Health Scrutiny Activity**

#### **Recommendation**

I recommend that:

- a. The report be received, and consideration be given to any matters arising from the Health Scrutiny activity being undertaken by the Staffordshire District and Borough Councils, as necessary.

#### **Summary**

1. The Committee receives updates at each meeting to consider any matters arising from the Health Scrutiny activity being undertaken by the Staffordshire District and Borough Councils.

#### **Background**

2. The Health and Social Care Act 2001 confers on local authorities with social services functions powers to undertake scrutiny of health matters. The County Council currently have responsibility for social services functions but, to manage health scrutiny more effectively, they have agreed with the eight District/Borough Councils in the County to operate joint working arrangements.
3. Each District/Borough Council has a committee in which holds the remit for health and wellbeing scrutiny matters and matters that have a specifically local theme. The Health and Care Overview and Scrutiny Committee will continue to deal with matters that impact on the whole or large parts of the County and that require wider debate across Staffordshire.
4. District and Borough Councils each have a representative from the County Council Health and Care Overview and Scrutiny Committee as a member of the relevant committee with remit for health scrutiny matters. The County Councillors will update the District and Borough Councils on matters considered by the Health and Care Overview and Scrutiny Committee. A summary of matters considered by this committee is circulated to District and Borough Councils for information.

5. It is anticipated that the District and Borough Councillors who are members of this committee will present the update of matters considered at the District and Borough committees to the Health and Care Overview and Scrutiny Committee.
