

UTTOXETER WAY

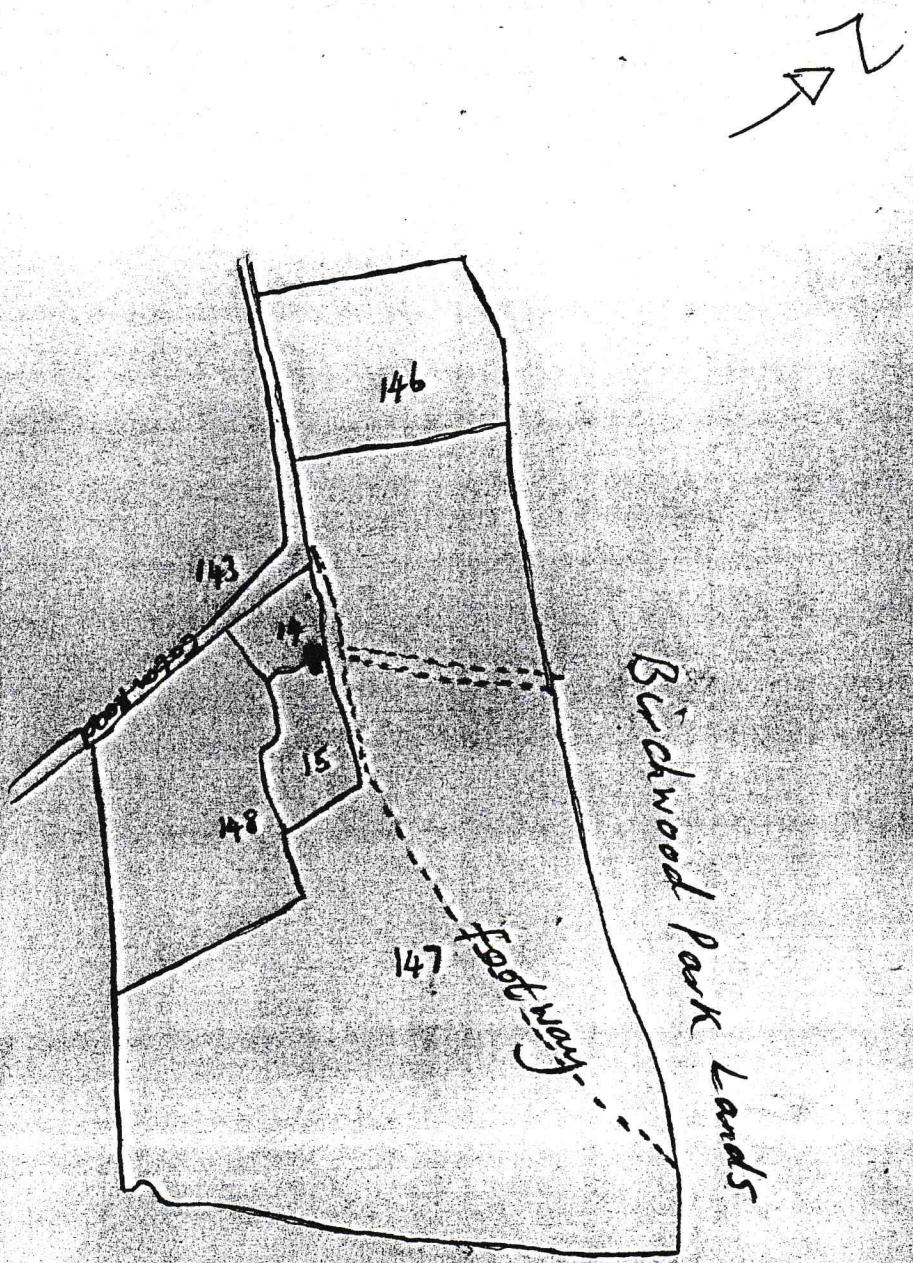

One other public footway branching out of Coton Road at North corner of said encroachment, before allotted to A. Thacker, No. 14, and from thence leading in an east direction on South side of allotment herein often made to trustees of the will of J. Nicholls. No. 147 to the east corner of the encroachment line before allotted to J. Thacker, No. 15 and from thence in a straight direction to and from a style in an ancient enclosure in front of Birchwood Park Estate and we do call the same the Uttoxeter Way.

And it was further enacted, that we the said commissioners or any two of us should and we were thereto authorised and requested to set out, ascertain and appoint public and private ~~and~~ roads, highways and footways in, over and through the commons and waste grounds of such breadths as we in our judgement should think necessary.

(Same wording in the local act.)
