

FORWARD PLAN OF KEY DECISIONS

Period: 19 October 2022 - 15 February 2023

The Forward Plan of Key Decisions is prepared on a monthly basis and published at least 28 days before the start of the period covered. Key Decisions are defined as those Executive decisions which are likely:

- (a) to result in the County Council incurring expenditure which is, or the making of savings which are, significant having regard to the relevant budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more electoral divisions in the County's area.

The Forward Plan will contain **ALL** matters which the Leader of the Council has reason to believe will be the subject of a Key Decision to be taken by the Cabinet. It may also include decisions that are not key decisions but are intended to be determined by the Cabinet. Part of the Cabinet meetings listed in this Forward Plan may be held in private where a report for the meeting contains exempt information under Part 1 of Schedule 12A to the Local Government (Access to Information) Act 1985 (as amended) and that the public interest in withholding the information outweighs the public interest in disclosing it. If you would like to make representations about any particular decision to be conducted in private then please email: michael.bradbury@staffordshire.gov.uk. Such representations must be received in advance 6 clear working days before the date on which the decision is scheduled to be taken.

Documents submitted for decision will be a formal report which will be available on the County Council's website at least 5 clear working days before the date the decision is to be made, unless that report is subject to any prohibition or restriction on its disclosure. Other relevant background documents used in compiling the report will also be made available in the same way unless they are subject to any prohibition or restriction on their disclosure. Minutes of Cabinet meetings will be published within three working days and will be subject to call-in. The call-in period lasts for three working days. October 2022	Public	<p>High Needs Capital Funding 2022-24 (Cabinet Member for Education (and SEND) (Jonathan Price))</p> <p>In October 2021, the government announced it will invest £2.6bn between 2022 and 2025 to support Local Authorities to deliver new places and improve existing provision for children and young people with SEND, particularly those with more complex needs, and for those pupils who require alternative provision. The aim of the funding is to meet the capital costs associated with providing new places and improving existing provision, for: -Children and young people with complex needs, who have Education, Health and Care plans (EHCPs), and where appropriate other children and young people with SEND who do not have an EHCP; - Pupils who require alternative provision (including children in Alternative Provision settings without an EHCP). -Funding is predominantly intended for school aged children, but Local Authorities can spend it across the 0-25 age range, including in special post-16 institutions or other further education (FE) settings. The funding is intended to address the need for places in academic years 2023/24 and 2024/25, but it is not time-bound. Staffordshire County Council is proposing to use this capital investment to support the Vision and Priorities outlined in the Staffordshire Special Educational Needs and Disabilities (SEND) Strategy 2021-2026 The SEND Strategy Vision is: “All children and young people with SEND are given the opportunity to achieve everything that they can. They engage with the right support at the right time from their</p>	Consultation closing date 1st Aug	<p>Tim Moss (Tel: 01785 277963) Service Area: Wellbeing & Partnerships</p>

		<p>parents/carers, the community and the professionals that work with them to make this happen.” Key areas of focus within the strategy are: - Children and young people are given the opportunity to be educated in their local mainstream education setting whenever it can meet their needs - Wherever possible children will access education placements that are close to home to help develop friendships in their local community and promote independent travel. - Staffordshire County Council is therefore proposing to use the High Needs Provision Capital Allocation funding on projects which will increase: 1/ Access to mainstream placements for children and young people with high needs (who might otherwise require more specialist provision) with the development of resource bases. 2/ The local availability of high needs places to help reduce the requirement for out of area placements/placements at independent special schools.</p>
