Dear Sir

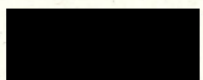

**Re:**

1. Application for the addition of a footpath from the B5027 to Footpath No.34 Leigh.
2. Application for the addition of a footpath from Footpath No.23 Ellastone along Green Lane to Footpath No.3 Denstone

Thank you for the above two notifications dated 13th and 18th April respectively .

This Authority has no comments to make on the proposed additions and I look forward to confirmation of their inclusion on the Definitive Map of Public Rights of Way in due course.

Yours faithfully

M R Waldron  
 Planning Control Manager

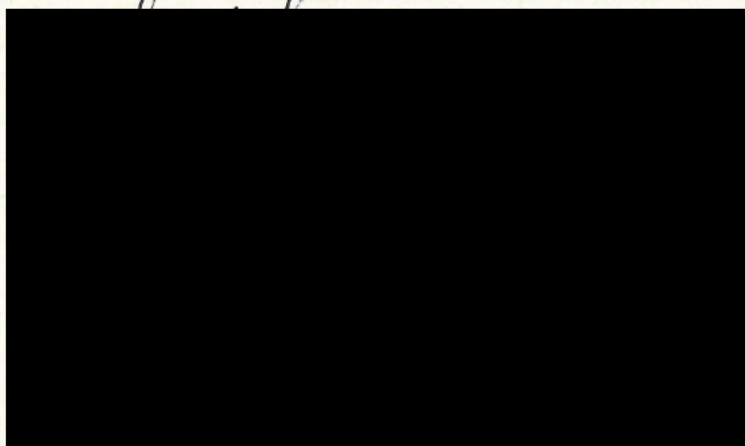

recording the physical nature of the way at that time; at present, there seems to be no evidence of a legal stopping-up, and in its absence, I say that the way should be shown as one status throughout its length, including the continuation over Pt. 58 to Paul's lane. For the purposes of the Definitive Map, such status should be Byway;

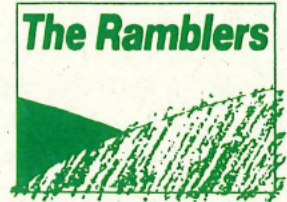

(iii) 'Cul-de-sac claims' are not necessarily pointless, especially in a case such as this, where evidence exists for a 'through route' - I am sure Mr. Reay will recall making a Byway claim in August of last year for the route from FP 62 to the highway south of Burley Cottage, Eccleshall.
