COMMUNITY ORCHARD
LOCATION PLAN

Not to scale

SKETCH IDEAS FOR BREWOOD MIDDLE SCHOOL COMMUNITY ORCHARD

NOT TO SCALE

SCHOOL CAR PARK

Post & rail fence with fruit cordons trained along it, OR: Native hedge kept trimmed low for visibility.

Vehicular & Pedestrian gates into orchard

Interpretation boards

Fruit trees @ 5m spacing eg: apples, pears, plums, cherries, damsons & quince including local varieties.

Small lockable store

Tree Nursery

Compost

Wildlife Pond

EXISTING TREES

Existing gate onto Dirty Lane. Track reduced to gate width

Existing trees require remedial pruning. Area around them to be enhanced for wildlife

Existing close-board fence

Post & wire fence to support soft fruit eg: raspberries blackberries

Grass between trees to be managed as hay meadow for wildlife, cut late summer.

DAMSON LODGE

Existing hedge

DIRTY LANE

Potential
new build
zone
