

Appendix 5 – Corporate Checklist

Equalities implications:

Through the delivery of county council business plans, service delivery is increasingly reflecting the diverse needs of our various communities.

Legal implications:

There are no legal implications arising from this report.

Resource and Value for money implications:

The resource and Value for money implications are set out in the report.

Risk implications:

The risk implications concern the robustness of the forecast outturn which may change owing to pressures on services with a consequent effect on county council functions being able to keep within budgets and a potential call on balances.

Climate Change implications:

Staffordshire's communities are places where people and organisations proactively tackle climate change, gaining financial benefit and reducing carbon emissions' is one of the county council's priority outcomes. Through the monitoring and management of this outcome; climate change and carbon emissions are being addressed in an active manner.

Health Impact Assessment and Community Impact Assessment screening:
