

Staffordshire Health and Care Overview and Scrutiny Committee

The Code of Joint Working – Local Authorities

1. Background

- 1.1 The Health and Social Care Act 2001 (“the Act”), as amended by the National Health Service Act 2006, provides local authorities with social services functions and powers to undertake scrutiny of health matters as detailed in the Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013 (The Regulations).
- 1.2 The remit of the Health and Care Overview and Scrutiny Committee can be found in Staffordshire County Councils constitution.
- 1.3 The County Council and the eight District/Borough Councils in the county agreed to operate joint working arrangements for health scrutiny in 2003 (amended in 2014).

2. General Principles

- 2.1 The Health and Social Care Overview & Scrutiny Committee carries out Health Scrutiny activity in Staffordshire on the basis of the following working principles (and meeting statutory requirements where applicable):
- a. **Scope of Health Scrutiny** - The intended outcome of health scrutiny activity is the improvement of the health and wellbeing of the people of Staffordshire. The Staffordshire County Council Health and Care Overview & Scrutiny Committee (HCOSC) may review and scrutinise any matter relating to the planning, provision, and operation of health services in its area.
 - b. **Co-operation** - The authorities involved must be willing to share knowledge, respond to requests for information, initiatives and reports as appropriate. The County and District Councils will work together and mutually agree who will scrutinise each topic to ensure that nothing is overlooked and to avoid duplication of effort.
 - c. **Accountability** - The process of health scrutiny will be open and transparent. The HCOSC cannot delegate its statutory power to Districts/ Boroughs (paragraph 1.1).
 - d. **Code ownership** - The document will be owned by the County Council and will be reviewed annually in partnership with District and Boroughs.

3. Governance

- 3.1 Health and Care Overview and Scrutiny Committee:
- a. The **County Council** will lead on matters that can best be dealt with at a county wide level.
 - b. 21 Members appointed annually: 13 County Councillors and a councillor from each District/ Borough (8) (see point 3.3a).
 - c. The District/Borough Councillor can nominate a substitute if they are unable to attend a meeting. The County Council should be notified prior to the meeting and the substitute will have full voting rights.
 - d. The **County Council may ask a lead District / Borough Council** to carry out scrutiny of an issue, which the County Council believes can be best dealt with at a district level which is specific to their geographical area. This may be singly or jointly with other District/Borough Councils. The capacity of committees and partners

to carry out scrutiny activity should be taken into consideration when planning scrutiny of an issue.

- e. **District and Borough Councils may ask the County Council** to carry out scrutiny of an issue that is of a strategic nature or is county-wide.

3.2 District and Borough Committees:

- a. Each District and Borough Committee operates in line with their terms of reference in their constitutions. As per 3.1 d The HCOSC may ask it to consider:
 - i. Locality specific commissioning proposals that solely affect health and wellbeing activities within that district/ borough, whoever they are provided for;
 - ii. matters which have been agreed with the Health and Care Overview and Scrutiny Committee.
 - iii. District/Borough services that interface with planning for and providing health services - for example, but not exclusively, housing, leisure and environmental health service; and relevant locality specific partnerships

3.3 Appointment of representatives:

- a. The Chair from each District/ Borough Scrutiny Committee which holds the remit for Health and Wellbeing matters will be appointed to the HCOSC and will have full voting rights. Their role is to:
 - i. Provide updates from their relevant Committee to the HCOSC.
 - ii. Report back on any issue which the HCOSC has requested the relevant Committee to scrutinise.
- b. One County Councillor will be appointed to each District/Borough Committee with full voting rights on the respective Committee. The appointment will be made by the County Council annually. The representative will provide updates from HCOSC to the District/Borough Committee.

3.4 Health Scrutiny Officers Group:

- a. The terms of reference is appended to this code.

Appendix 1 – FAQs

1. Why does the County Council scrutinise the big issues such as the ICS Transformation Programme and ambulance waiting times? Borough/Districts also want to look at how these issues affect services in our area and our residents.

The Transformation Programme covers services across Staffordshire County. The joint code ensures that representatives from all 8 District Councils have a seat on the Health and Care Overview and Scrutiny Committee to raise local issues and that a representative from the County Committee has a seat on the District Committees to report back to District Councils on matters discussed. Any specific questions can be channelled through the local representatives on the committee.

2. Should Borough/District Councils invite NHS providers to their meeting to scrutinise a particular issue?

Largely no unless the Health and Care Overview and Scrutiny Committee has agreed with the Borough/District Council that it should be the lead authority for scrutiny. The reason for this is to avoid NHS providers attending 8 Borough/District Council meetings, Staffordshire Council has the responsibility for health scrutiny under the Health and Social Care Act and to avoid duplication of effort.

3. Can a Borough/District Council scrutinise the performance of a local GP surgery?

The performance of a GP Surgery does not fall under the scrutiny remit. GPs are commissioned under contract by the ICS and the quality management of their contract is through NHS England. There are other ways for local members to discuss concerns about local surgeries directly with the ICS, but a public scrutiny meeting is not the appropriate forum.

4. Can a Borough/District Council scrutinise access to GP surgeries in their area?

The Primary Access Plan is a countywide plan and includes access to GP surgeries. This is scrutinised by the Staffordshire Health and Care Overview and Scrutiny Committee. Representatives from District and Borough Councils have equal opportunity to question witnesses about progress of actions in the plan to improve access to GP surgeries across the region.

5. Can a Borough/District Council scrutinise issues such as NHS Dentistry provision?

The provision of NHS Dentistry is a countywide contract, currently led by NHS England, this will change in April 2023 when the ICS takes on the contractual role. This should be looked at in a strategic nature by the Health and Care Overview and Scrutiny Committee.

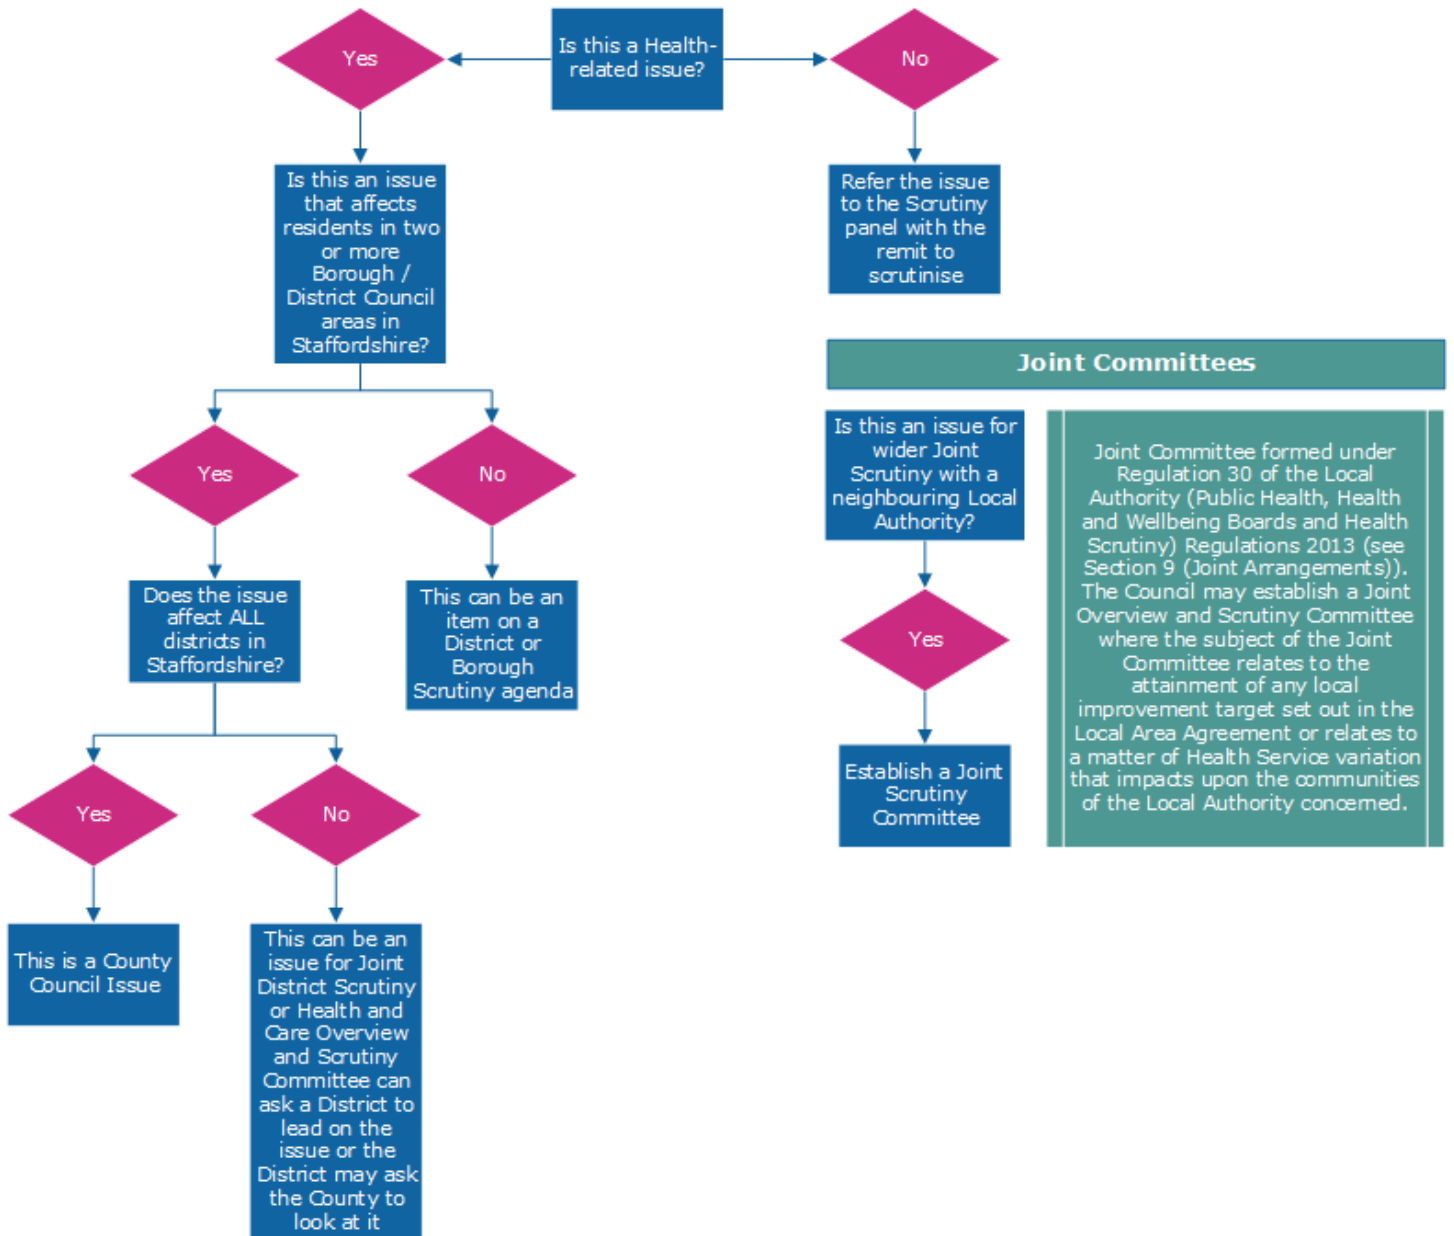

6. What should a Borough/District Council do if their Committee wants to scrutinise a health issue that was the responsibility of the Health and Care Overview and Scrutiny Committee?

The Borough/ District Member appointed to the Health and Care Overview and Scrutiny Committee (i.e. the chairman of the Borough/District committee) should bring the matter to the attention to the Chairman of the Health and Care Overview & Scrutiny Committee under the terms of this Joint Code of Working.

Appendix 2 – Joint Code of Working with Districts and Boroughs

Plan for where scrutiny of an issue takes place, as determined by the County Health and Care Overview and Scrutiny Committee Chairman in consultation with the relevant Committee Members and agreed by the Committee in the Work Programme.
