# STAFFORDSHIRE HEALTH AND WELLBEING BOARD FORWARD PLAN 2023/2024

This document sets out the Forward Plan for the Staffordshire Health and Wellbeing Board.

Health and Wellbeing Boards were established through the Health and Social Care Act 2012. They were set up to bring together key partners across the NHS, public health, adult social care and children's services, including elected representatives and Local Healthwatch to lead the agenda for health and wellbeing within an area. The Board has a duty to assess the needs of the area through a Joint Strategic Needs Assessment and from that develop a clear strategy for addressing those needs – a Joint Health and Wellbeing Strategy. The Board met in shadow form before taking on its formal status from April 2013.

The Forward Plan is a working document and if an issue of importance is identified at any point throughout the year that should be discussed as a priority this item will be included.
