

The Ramblers' Association  
promotes rambling,  
protects rights of way,  
campaigns for access to  
open country and defends  
the beauty of the  
countryside. 99

The member on the original  
at record office plan has faded badly.

You may need to look  
carefully to see it  
properly. It is member  
33 - FORD PARISH.

There should be sufficient  
evidence on the deposited plan  
to show a public route  
from the existing bridleway

Now of Aqualate Mere to  
the existing footpath S.W.  
of Sutton Bank Farm. All of  
this section is shown on  
the deposited plan. I have  
claimed a continuation  
through to the AS-19  
because this is what is  
shown on the 1:10,000  
O.S., contemporary to the  
deposited plan. Please let  
me know if the application  
needs amending or is O.K.
