Dear Mr Reay

LAND AT WIGGINTON FIELDS.

I refer to your letter received on 4th February concerning land at Wigginton Fields.

The land in question is not allocated for development by the District Council, however, it does appear to be close to land around Birdsley Fields Farm which Wilcon Homes have been pursuing for a new village.

With reference to contacting the landowner, I can only suggest that you write to him at his last known address in the hope that any letter would be forwarded on to him.

Should you have any queries please contact Samantha Barlow at the above address.

Yours sincerely
