Dear Sir/Madam,

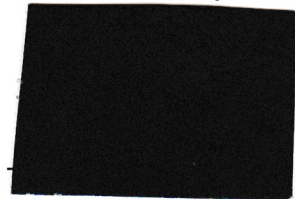

I write on behalf of our member 

 Our member has recently received the three notices of Application for Modification Orders.  has asked for my advice with regard to the legality of the applications because all three would be creating completely new Rights of Way.

I would be grateful if you could confirm to me what action you consider the applicant is taking. I also confirm to you that any application for new Rights of Way are strongly opposed by our member because there is no necessity for any additional Rights of Way and we cannot see the purpose of these applications in anyway.

I thank you for your co-operation and look forward to hearing from you.

Yours faithfully,
