Dear Mr. Gregory,

**Application for the addition of four alleged Public Footpaths at Chebsey to the Definitive Map of Public Rights of Way.**

Thank you for your letter dated June 28th 1999 regarding the above application. The members of Chebsey Parish Council have considered the documents and are unaware of any evidence of these footpaths having been used in recent years. It is considered that none of these four footpaths would be an asset to the footpath network and there appears to be no justification for their addition to the definitive map.

Yours sincerely,

  
Clerk to the Council.
