

WORK PROGRAMME

Corporate Overview and Scrutiny Committee – 2023/2024

The Corporate Overview and Scrutiny Committee is the Council's principal overview and scrutiny committee. It is responsible for co-ordinating and approving the scrutiny work programmes, overseeing the work of the Overview and Scrutiny Committees and ensuring coherence of approach to cross cutting policy themes. The committee also has a key role in challenging progress around the Council's ambitions of running the business well.

The Committee also scrutinises those areas of the County Council's activity focused on corporate improvement. Its remit covers:

- Holding the Leader and Cabinet Member for Finance and Resources of the Council to account for achievement of the overall vision of a connected Staffordshire.
- The Council's overall performance and approach to managing performance and Strategic Corporate Planning
- The Council's Medium-Term Financial Strategy
- The Council's on-going programme of improvement and transformation.
- The Committee is responsible for scrutiny of achievement against the Council's strategic priorities.
- The Council as a commissioning organisation including how it uses customer insight to drive improvements in services.

We review our work programme regularly to ensure it remains relevant to the challenges facing local communities, the Council and its partners.

Councillor Mike Wilcox

Chairman of the Corporate Overview and Scrutiny Committee
