(no subject)

and 113 and extending into the West and East side Turnpike Roads about three hundred and fifty yards north of Ballinacorney. Granting that the said road shall be supported and kept in repair by the proprietors of the said D.P. 103, 104 and 105.

Collon Green Road 15 feet wide on Plan II.

Drawing out of the Collon and Spalwood Roads and continuing in a westerly direction over D.P. 131 into the Minster and Quaker

and Turnpike Road. And we declare that we have set out the said Road for the use of the Quakers and proprietors of Estates in the Township of Collon. And we direct that the said Road shall be supported and kept in repair by the proprietors of the adjoining lands and of D.P. 131.

Minster's Road 15 feet wide on Plan II.

Drawing out of the Minster and Quaker Turnpike Road as a street in Camdon Vro and continuing in a westerly direction over D.P. 132 to the Quarter Piece Gate in the parish of Camdon belonging to the late William Wollaston. And we direct that the said Road shall be supported and kept in repair by the proprietors of the said Quarter Piece.

Quaker Road 21 feet wide on Plan II.

Drawing out of Oatmoor and Oatmoor Turnpike Road as a street in Quaker's Coll gate and continuing in a north westerly direction over the east end of Camdon Vro and into the south end of an ancient
