

Prosperous Staffordshire Select Committee Work Programme 2013/14

This leaflet sets out the work programme for the Prosperous Staffordshire Select Committee for 2013/14. The Prosperous Staffordshire Select Committee is responsible for scrutiny of achievement against the Council's strategic ambitions for promoting prosperity and economic growth. The committee is also responsible for the scrutiny of highways infrastructure and connectivity. In addition the committee will be responsible for priorities around education, learning and skills. As such the statutory education co-optees will sit on this committee.

We review our work programme from time to time. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

County Councillor Brian Edwards

Chairman of the Prosperous Staffordshire Select Committee

If you would like to know more about our work programme, please get in touch with Tina Randall, Scrutiny and Support Manager, 01785 276148 or tina.randall@staffordshire.gov.uk
