

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2014/15.

The Prosperous Staffordshire Select Committee is responsible for scrutiny of highways infrastructure and connectivity, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Council has three priority outcomes. This Committee is aligned to the outcome: The people of Staffordshire will be able to access more good jobs and feel the benefits of economic growth.

We review our work programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

County Councillor Brian Edwards

Chairman of the Prosperous Staffordshire Select Committee
