Recommendations

1. To note that the indicative agenda for the meeting on 21 March 2016 will be confirmed following consultation with the Chairman.
2. To consider the need for a programme of awareness training having regard to the rolling work programme.

Report of the Director of Finance and Resources

3. The rolling work programme is attached at Appendix 1.

Training Update

4. The following session(s) have been provided to Members of the Audit and Standards Committee subsequent to the County Council elections in May 2013.
 - The role of the Audit and Standards Committee
 - Understanding the Statement of Accounts

Equalities, Climate Change, Legal and Resource and Value for Money Implications

5. There are no direct implications arising from this report.

Risk Implications

6. Good corporate governance requires independent, effective assurance about the adequacy of financial management and reporting. These functions are best delivered by an audit committee, independent from the executive and scrutiny functions. Effective audit committees raise the profile of internal control, risk management and financial reporting issues within an organisation, as well as providing a forum for the discussion of issues raised by internal and external auditors. In addition, they enhance public trust and confidence in the financial governance of an authority. In order to discharge their responsibilities, it is vital that audit committee members receive full and regular training.
