

## WORK PROGRAMME – July 2016

### Safe and Strong Communities Select Committee 2016/17

This document sets out the work programme for the Safe and Strong Communities Select Committee for 2016/17. The Safe and Strong Communities Select Committee is responsible for scrutinising: Children and adults’ safeguarding; Community safety and Localism. The Council has three priority outcomes. This Committee is aligned to the outcome: The people of Staffordshire will feel safer, happier and more supported in and by their community.

We review our work programme at every meeting. Sometimes we change it - if something comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

<b>Social work staffing levels and caseloads</b> Cabinet Member: Mike Lawrence Officer: Richard Hancock	<b>Resilient Communities</b> Ensure effective safeguarding for the most vulnerable in our communities.	Discussed at the March 15 meeting. At the same time the 40 week legal process was reduced to 26 weeks and Court work had to be undertaken by the SSUs. ### Safeguarding Vulnerable Adults

<i>Item</i>	<i>Link to the Council's Commissioning Plans</i>	<i>Background</i>	<i>Possible Option</i>
<b>Protecting from harm those who are vulnerable and supporting victims.</b> Cabinet Member; Mike Lawrence Officer: Mick Harrison	<b>Resilient Communities</b> Ensure effective safeguarding for the most vulnerable in our communities.	In December 2015 HMIC published <a href="#">PEEL: Police effectiveness 2015 (Vulnerability). An inspection of Staffordshire Police</a> . This report considered how effective the force was in protecting from harm those who are vulnerable, and supporting victims. HMIC found serious weaknesses in the services Staffordshire Police provides to protect and support victims, most notably victims of domestic abuse. Some staff were focused on identifying and protecting vulnerable victims. Where vulnerability is identified and the risk to victims is assessed properly the force works well with partner agencies to safeguard and support victims. However, there are several areas where urgent improvement is needed to ensure that the force provides a consistent service, and that victims are kept safe. HMIC has particular concerns about Staffordshire Police's poor approach to formally assessing the risks faced by domestic abuse victims. Given the scale of the challenge in this area and the significant risk that these weaknesses pose to some of the most vulnerable people, HMIC judges that overall, the force is inadequate. In many cases, Staffordshire Police responds well to victims but this standard is not	At the January 2016 Councillor Frank Chapman, Chairman of the Police and Crime Panel explained that Her Majesty's Inspection of Constabulary (HMIC) had undertaken an inspection of Staffordshire Police Force in December 2015 and that the Police and Crime Commissioner and Chief of Staff would be held account at a meeting of the Police and Crime Panel. It was agreed that a copy of the report would be shared with Members. A backlog in the MASH was referred to. In January 2016, the Chairman of the Police and Crime Panel discussed with Suggested that this item be programmed as part of the 2016/17 Committee Work Programme.

<p><b>Honour Based Crime</b> Cabinet Member; Mike Lawrence Officer: Mick Harrison</p>	<p><b>Resilient Communities</b> Ensure effective safeguarding for the most vulnerable in our communities.</p>	<p>achieved consistently.</p> <p>In December 2015 HMIC published a report entitled <a href="#">The depths of dishonour: Hidden voices and shameful crimes. An inspection of the police response to honour-based violence, forced marriage and female genital mutilation</a>. Honour-based violence (HBV) is the term used to refer to a collection of practices used predominantly to control the behaviour of women and girls within families or other social groups in order to protect supposed cultural and religious beliefs, values and social norms in the name of 'honour'. HBV incidents and crimes include specific types of offence, such as forced marriage (FM) and female genital mutilation (FGM), and acts which have long been criminalised, such as assault, rape and murder. HMIC assessment of forces' own self-assessments identified that Staffordshire was 'Not Yet Prepared' in any of the inspected areas.</p>	<p>Suggested that this item be programmed as part of the 2016/17 Committee Work Programme.</p>
<p><b>Care Director</b> Cabinet Member: Alan White Officer: Ian Benson</p>	<p><b>Running the business well</b></p>	<p>The Chair proposed an investigation into the implementation of Care Director across children and adults services, to compare and contrast the implementation.</p>	<p>A letter was sent to the Chairman from the Cabinet Member and circulated to the Committee 04/08/15. Information was included in the 07/09/15 Care Act report. At the Sept 2015 meeting the Cabinet Member discussed the work undertaken with the architects of Care Director to ensure that the system was Care Act compliant. At the Nov meeting it was suggested that the use of Care Director in adult services be added to the work programme. At the Triangulation meeting on the 9 December it was agreed that a briefing note would be provided giving an update on the current situation.</p>
