

## **Prosperous Staffordshire Select Committee Work Programme 2017/18 (draft)**

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2017/18.

The Prosperous Staffordshire Select Committee is responsible for scrutiny of highways infrastructure and connectivity, flood and water management, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Council has three priority outcomes. This Committee is aligned to the outcome: Be able to access more good jobs and feel the benefits of economic growth.

We review our work programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

### **County Councillor Simon Tagg**

Chairman of the Prosperous Staffordshire Select Committee
