Schools Forum – 3 October 2017

Update to the Staffordshire Scheme for Financing of Schools

Recommendation

1. The Schools Forum approve the revised Staffordshire Scheme for Financing Schools (SSFS), see Appendix 1.

Report of the Deputy Chief Executive and Director for Families and Communities

PART A

Why is it coming here - what decision is required?

2. Any amendments to the SSFS require approval from Schools Forum.

Reasons for recommendation

3. Section 4.10.2 - Redundancy loans are currently automatically given. Future requests will be evaluated against a specified criteria.

PART B

Background:

- 4. The SSFS sets out the financial relationship between the authority and each of the maintained schools in Staffordshire. The scheme was last updated in July 2017 and a copy of the current version is available on the Staffordshire Learning Net (SLN) to be viewed by any interested party.
- 5. Section 4.10.2 The scheme needs to be updated to reflect the financial risk associated with maintained schools being forced to convert as a sponsored academy and to set a minimum amount for consideration for values that could be repaid from school budget in one lump sum.
- 6. The SSFS includes, as annex A, a list of maintained schools to which the SSFS applies. Over the years, schools open, close, become academies or change names. This list has been updated to reflect the schools maintained by the authority as at 1 September 2017. It is planned to update this annex to the SSFS annually from now on.

SECTION 4: THE TREATMENT OF SURPLUS AND DEFICIT BALANCES ARISING IN RELATION TO BUDGET SHARES

4.10.2 - Borrowing for the purpose of funding premature retirement and redundancy costs

The authority offers a facility for schools which require a loan to fund premature retirement and redundancy costs attributable to the school subject to the following criteria:

- The school is not in an Ofsted category of concern (special measures / serious weaknesses);
- The school is not eligible for intervention;
- The school is not subject to an academy order through sponsorship
- The required loan is not less than £5,000;

Where the loan request **does not** meet any of the criteria above, the loan will be at the discretion of the Deputy Chief Executive and Director for Families and Communities.

Loans that do meet the above criteria are offered on the following basis:

- 1. The maximum period over which schools can repay any loan is 5 years.
- 2. The loan shall be interest bearing and the rate shall be determined by the Director of Finance and Resources.
- 3. Schools will not be required to submit an application but will be required to indicate their intention to take out a loan and its repayment period upon the issuing of Section 188 notices.

Annex A Applicable Schools

Updated to those schools of maintained status as at 30th September 2017.
