Report Summary

Attached report provides an overview on the health, safety and wellbeing performance of the council during 2019/20. Key achievements and significant findings during this period along with performance data and outcomes. Also outlines for approval the 2020/21 work programme and key priorities.

Main Body of the Report

Please see attached report for content and performance metrics.

Finances

Report outlines the financial impact of incidents on the organisations and associated business costs and other impacts.

Risks Identified

Report provides overview of the risk and 2019/20 work plan to minimise and respond to emerging trends, themes and risks.

Conclusion

That improvements to Health, safety and wellbeing performance have been made, and the 2020/21 key priorities will further support and aid improvements. The work completed during 2020/21 will very much be dependent on the ongoing impact of Covid-19 on the council and the council's delivery of effective response and recovery arrangements.
