FAO Mr. M. Bradbury

Dear Sir,

Re: High Lane Site - Application for Upgrading of Public Footpath No.73

I refer to your letter of 3rd January, 1995, regarding the above, and can confirm that Footpath No.73 does cross land under the ownership of Licensed British Coal.

Unfortunately, I am unable to supply any evidence to either support or refute the public bridle path claim.

Yours faithfully,

A handwritten signature in cursive script, appearing to read "S.D. Stockley".

S.D. Stockley
Regional Land Agent
