Dear Sir,

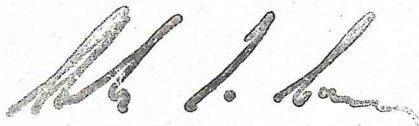

**Application for the Upgrading of Public Footpath No. 73, Audley  
Rural Parish; and Public Footpath No. 39, Newcastle Town  
to Bridleway Status**

I refer to your letters dated 5th and 14th September 1994.

Please find enclosed a copy of a letter that has been received by Borough Councillor Boden from Pauline J. Whalley who I understand has made an application as mentioned above. The actions of the landowner have now made it only possible for pedestrians to use Public Footpath 73 where once allegedly both walkers and horse riders shared the facility. In view of the application at present being considered by the County Council I should be obliged if you would inform me as to whether the Borough Council will be required to take any action against the landowner.

I wish to inform you that I have no objection to the application and I will inform you if the Ward Councillors have any relevant comments to make in due course.

Yours faithfully,

Director of Development Services
