- a. To approve the Internal Audit Charter 2021.

Report of the Director for Corporate Services

Report

Background

1. The Public Sector Internal Audit Standards (PSIAS) and the Local Government Application Note (LGAN) Standard 1000 require that the purpose, authority and responsibility of the internal audit activity must be defined formally in an Audit Charter. The Internal Audit Charter is a formal document setting out:
 - a. internal audit's position within the organisation
 - b. its reporting lines
 - c. access to personnel, information and records
 - d. the scope of internal audit activities
 - e. what the term Board means (e.g. the Audit and Standards Committee).
2. The need for an Audit Charter was a new requirement of PSIAS and the Audit & Standards Committee approved the detailed document at its meeting in June 2014. Since this date, any revisions to the document have been presented to this Committee for approval. In 2021, there are only a few minor wording changes to be made to the Audit Charter which are highlighted in yellow within the attached document for ease of reference (**Appendix 1**). No other changes are required to be made in 2021.
3. The Audit Charter 2021 continues to cover all requirements of the latest Public Sector Internal Audit Standards (last issued 2017); the latest Local Government Application Note (last issued March 2019) and the latest CIPFA statement regarding the Role of the Head of Internal Audit in Public Service Organisations (2019 Edition).

Equalities Implications

4. There are no direct implications arising from this report.

Legal Implications

5. Whilst there are no direct legal implications arising from this report, the Accounts and Audit (England) Regulations 2015 require specifically that a relevant body must 'undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance'.

Resource and Value for Money Implications

6. The net budget of the Internal Audit Section in 2021/22 is £979,020.

Risk Implications

7. Internal Audit examines objectively, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources

Climate Change Implications

8. There are no direct implications arising from this report
