

WORK PROGRAMME – 11 June 2021

Prosperous Overview and Scrutiny Committee

This document sets out the work programme for the Prosperous Staffordshire Select Committee for 2021/22. The Prosperous Overview and Scrutiny Committee are responsible for scrutiny of highways infrastructure and connectivity, flood and water management, education, learning and skills. As such the statutory education co-optees will sit on this committee. The Work Programme is linked to the Vision, Outcomes and Priorities detailed in the Council's Strategic Plan 2018-22.

We review our Work Programme at every meeting. Sometimes we change it - if something important comes up during the year that we think we should investigate as a priority. Our work results in recommendations for the County Council and other organisations about how what they do can be improved, for the benefit of the people and communities of Staffordshire.

County Councillor Tina Clements

Chairman of the Prosperous Overview and Scrutiny Committee
