

COUNTY COUNCIL MEETING – 22 JULY 2021

**Question to Cllr David Williams
Cabinet Member for Highways and Transport**

By Cllr Charlotte Atkins

Question

What is the expected delivery time for traffic calming measures in Morley Street, Leek as a feasibility study has been completed and sufficient DHP monies allocated to pay for the scheme?

Reply

A feasibility scheme for traffic calming on Morley Street was funded by the local member through their Divisional Highway Programme (DHP) to address local concerns about vehicle speeds. The feasibility study, completed in February 2021, established that traffic calming measures could be physically accommodated and provided an initial cost estimate for the scheme. The next phase is to undertake a full consultation with the local community within the next few months on the proposed arrangements, and this work is currently being programmed against all other Member DHP priorities. Upon completion of the consultation the final scheme design/delivery costs will be confirmed so that the Member may consider funding through their DHP; however, it is anticipated that more than one year's allocation will be required.
