

Appendix “D”

- Salient points from the User Evidence Forms

User Name	Years Used	Frequency Used	Use on Foot/Horse	Purpose	Stiles/ gates	Width	Other
Buckingham, A E, Mrs	1942-1996	weekly	foot	-----	Stile – Tixall Road end	about 3'	Considered to be a PROW
Moseley, David	1956-1980	weekly	foot / cycle	pleasure		Varied – 3 to 6'	-----
Tookey, Charles Julian Mark	1982-1996	Twice weekly	foot	Walking dogs	Stile – Weston Road end	4' approx.	-----
Moseley, William Arthur Robert	1959-1975	Varied – sometimes daily	Foot /cycle	pleasure	-----	-----	Route changed during winter due to localised flooding
Pullman, Retena	1949-1996	-----	-----	-----	-----	Roughly 5'	-----
Harries, Russel David	1967-1996	Weekly	Foot / cycle	Work / pleasure	At Weston Road end for past 6 years	5'	-----
Reay, Catherine	1943-1996	-----	Foot	-----	Weston Road end – and when a child there was a stile leading to Kingston Hill(Tixall Road end)	Approx. 5/6'	Path has been surfaced in the past and must have been used as a right of way. It is well used by everyone.
Harper, Roland Henry	1945-1996	20x times per year	-----	Pleasure	-----	Approx. 4'	-----
Middleton, J F	1977-1996	Probably twice weekly	Foot	-----	Stile at Weston Road end	Approx 1or 1.5 metres	-----
Price, Ronald	1966-1996	Daily	Foot	Pleasure	-----	4' approx	-----
Hayward, John Thomas	1939-1996	-----	Foot	Pleasure	During recent years a stile was erected at Weston Road entrance but	From 2 feet to 6 feet depending on time of year and growth of vegetation.	The woods were withyed by my father....in the early 1940s. They paid for the right for about 3 years. It (the

					removed by vandals.		route) was altered when pumping station was built. Diverted to the east by a few yards
Hayward, <i>Francis James</i>	1942-1950	Five or six times per year	Foot	Pleasure		3-4'	This was the route used by kids from Littleworth who wished to go sledging using hill from club house to brook at bottom of field. Summer time looking for wild flowers.
Galvin, <i>Joseph</i>	1960-1996	Three or four times per year	Foot	Pleasure	The remains of a stile seem to indicate this. Across the roadside fence on Weston Road on the town side of the new bridge.	3-6'	Referred to as Kingston Covert. Small detour at Tixall Road end when houses appeared.
Fox, <i>S R</i>	1943-1996	Once per month	Foot	Pleasure	Although I seem to remember a stile some years ago.	3-5' - varying	I honestly can't remember if there were, I must have thought them inappropriate, so innocent was my intention.
Potter, <i>Norman Leonard</i>	1957-1996	About twice per week	Foot	Pleasure	Stile at Weston Road end.	Approximately 1 metre over most of its length	Path was diverted at Tixall Road end when houses were built there. Borough Council surfaced path.
Cooper <i>MJ</i>	-----	-----	Foot	Pleasure	-----	2'	-----
Reay, <i>Judy</i>	1970-		Foot	Pleasure	Stile at	6'	The

	1996				Weston Road end		obstructions have been large fallen branches of trees on the path only. The path was surfaced with stones many years ago so it was intended as a path. It is well used by locals and is essential for peoples leisure time...the path needs to be made a right of way and given protection legally – it is well used and essential to the community.
Reay, <i>Martin</i>	1974-1996	100-200 times per year	Foot	Pleasure and school	-----	6'	Reiteration of above points made by Judy Reay.
